- 950** Lionel Postwar O gauge rolling stock to include 6342 New York Central gondola with culvert pipes, 6414 Evans autoloader with four original autos, two have damaged bumpers and 3512 fire car with a damaged ladder rest just behind the fireman and is missing all three nozzles, C6.
- 951** Lionel Postwar O gauge 2234W set box with inner boxes to include 2353P, 2353T, 2530, 2531, 2532 and 2533 boxes. The 2353P, 2530 and 2532 have outer tape repairs, the other three boxes are complete and very nice, all have inserts. The set box is stained and worn but complete with some old tape repairs.
- 952** Boxed Lionel Postwar O gauge 2544W diesel passenger set to include 2383 Santa Fe F-3 AA set, 2530 REA baggage car, 2562 vista dome, two 2563 Pullman and 2561 observation cars with matching red stripe Santa Fe lettering, C7-8. Fantastic set with very nice inner boxes and a nice set box that does have some wear, a torn top flap, a small chunk missing and graffiti on the other top flap. Also includes 12 Super O curves, three straights and a half straight section as well as 39-25 parts envelope with all contents except the 39-7 original instruction sheet.
- 953** Lionel Postwar O gauge 2530 baggage car in scarce perforated box, C7-8 car, box is complete but has tape residue over the upper and lower perforated lines.
- 954** Lionel Postwar O gauge Canadian Pacific 2553 Blair Manor Pullman car, C7+.
- 955** Unrun Lionel Postwar O gauge 2530 REA baggage car in a scarce original, no insert box, C8. OB has tape repairs and some missing inner flaps but does have one coupler protection flap.
- 956** Lionel Postwar O gauge Canadian Pacific 2553 Craig Manor Pullman car, C7+.
- 957** Lionel Postwar O gauge Presidential passenger cars in original boxes to include 2522 Harrison vista dome, two 2523 Garfield Pullmans and 2521 McKinley observation cars, C7-8. Included are 2521 and 2523 perforated picture boxes that are complete, the second 2523 is a picture box and has a missing inner flap and several detached flaps and the 2522 box is a nice picture box.
- 958** Lionel Postwar O gauge 2274W or 811 Congressional set in original boxes but has no set box. Includes 2360 five-stripe Pennsylvania GG-1 with a small ding on the lower edge of the shell on one end and one reproduction insulator, 2541 Alexander Hamilton observation, 2542 Betsy Ross vista dome with some minor dings on the roof just adjacent to the dome, 2543 William Penn Pullman and 2544 Molly Pitcher Pullman cars. Trains match perfectly and are very nice C7+ even with the above noted flaws. The original boxes are all complete, solid and square but the 2543 and 2544 have some wear on one end flap each.
- 959** 1964 Lionel Postwar O gauge 773 Hudson steam locomotive with 2671W tender. Loco has some small touch ups on the walkway and a missing jewel from a marker light, the tender has a reproduction shell on a repainted frame. Loco is C6+.
- 960** 1950 Lionel Postwar 773 Hudson with 2426W tender, nice all original set but the loco has a considerable amount of dust or surface mildew that will be hard, if not impossible to completely clean off. Tender is missing a corner grab iron from the rear end, C6.
- 961** Repainted and re-lettered Lionel Postwar O gauge 2426W tender. Sold as-is as seen in the photos with no returns.

TOY TRAIN AUCTION LOT DESCRIPTIONS

AUGUST, 2015

- 965** Lionel prewar standard gauge separate sale 414 Illinois Pullman car, C6. Equipped with later stamped brass journals and a complete interior, all original and complete car.
- 966** Lionel prewar standard gauge 412 California Pullman car, C6. Equipped with later stamped brass journals and a complete interior, all original and complete car.
- 967** Lionel prewar standard gauge 381E green electric locomotive, re-wheeled but otherwise all original and complete, C6.
- 968** Lionel prewar O gauge 700E scale Hudson steam locomotive with tender. Loco cab has been professionally repaired and also has replacement whistle and ornamental bell, possibly a replacement stanchion on the pilot and a replacement brass chain and coupler pin. Tender is all original but has bubbling underneath the paint which was likely due to dirt present, it also could use a good cleaning. Sold as-is as seen in the photos with no returns.
- 969** Lionel prewar O 700E scale Hudson original display board, a fantastic looking original Walnut board with name plate and solid T-rail track all the way across in superb condition, C7. It looks to have two small scratches but those are actually very old drops of dried paint on the board, extremely nice example.
- 970** Lionel prewar O gauge semi scale 763E Hudson with 2226WX tender. Loco is missing the coupler pin and one marker light jewel and has a step broken off of the pilot. There is also a light maroon stripe that is around the boiler just forward of the cab and the lettering on the cab is very faded, C6. The tender has a cracked and repaired coal pile but is C7 otherwise.
- 971** Restored Lionel prewar O semi scale 763E Hudson and oil tender, totally restored to look C7-8 but is missing the four marker jewels and the boiler front door will not stay closed. Sold as-is as seen in the photos with no returns.
- 972** Lionel Postwar O gauge 2373 Canadian Pacific F-3 AA set with an original box. Locos are all original and very clean but have paint fading issues on the dark brown roof areas and the powered unit has battery damage around the battery box but the screw is stripped and cannot be removed to open the door to look into the compartment. The decals are starting to flake over the vents on the sides of the noses but look very stable otherwise, C7. The 2373T original box is sealed on one end and very nice otherwise with no missing flaps.
- 973** Lionel Postwar O gauge 2363 Illinois Central F-3 AB set in original boxes, C7+ due to minor paint chips on the frames and light mildew on the roofs. These have very low run time and are extremely nice and clean, the roof issues would never be seen if displayed on a shelf. The powered unit box is sealed on one end but has tape on the other end, the dummy unit box is missing all flaps from each end.
- 974** Scarce Lionel Postwar O gauge 154 crossing signal with orange base, C7, includes the original box insert.
- 975** Two tough Lionel prewar empty original boxes to include 0900 for a OO track outfit and a 263TW for a separate sale tender. 0900 is missing all flaps from one end but does have the original insert. The 263TW is missing the inserts and does have masking tape residue but is complete and square with one sealed end.
- 976** Two American Flyer prewar 5027 jumper wires for use with whistle track in sealed envelopes. One envelope is extremely nice, the other has some holes in it. Each has a number W.O. 5027 30M-9-36-GCE at the top left hand corner.
- 977** Tough Lionel prewar O gauge gray 152 crossing gate in original box, C7+ due to some small scratches on the base. OB is missing one end flap and all inner flaps but does have the original insert.
- 978** Extremely nice Lionel prewar O gauge 89 flag pole with silk flag in original box, C7 due to paint chips or scratches on the base. The mast and finial are fantastic with a perfect flag. The OB is missing part of one inner flap and does have some tape repairs but is still pretty nice otherwise.
- 979** Lionel prewar O gauge 68 railroad crossing sign in original box, C7-8 accessory with an extremely nice box that has no print on one end flap.
- 980** Lionel prewar O gauge 60 telegraph post in gray with maroon cross arm and clear insulators in original box. C7-8 accessory with an extremely nice box that has no print on one end flap.
