

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 801** Lionel Postwar O gauge 6446-60 Lehigh Valley hopper in original box, C8 unrun body, the cover is unpainted red but has tape residue on one hatch that should be able to be removed with the proper cleaners. The original box is extremely tough but does have surface skinning and a partially missing coupler protection flap.
- 802** Lionel Postwar O gauge 6446 Glen Uhl Norfolk and Western blue hopper, C7-.
- 803** Lionel Postwar O gauge 6636 Alaska and 6346 Alcoa hoppers in original boxes, C7+. Both OBs are nice but the Alaska box is missing the perf window.
- 804** Lionel Postwar O gauge 6536 Minneapolis and St. Louis and two 6736 Detroit & Mackinac hoppers. Includes both variations of the 6736, C6-7. The 6736-1 OB is very nice with an intact window.
- 805** Six Lionel Postwar O gauge 6446 and 6446-25 Norfolk and Western hopper with 4 original boxes to include three gray covered, two black covered and one black uncovered examples. The uncovered example has a spreader brace while none of the others have one, C7. All four OBs are complete, solid and square.
- 806** Lionel Postwar O gauge 6436-500 girls set hoppers with original box. Includes both variations, C7, the OB is complete and square but does have some water stains and the factory seam needs to be reglued as it is loose.
- 807** Ten Lionel Postwar O gauge 6436 Lehigh Valley hoppers with six original boxes to include two black 6436-1, two maroon 6436-25 and six red painted 6436-110 hoppers, C7. One -110 has a built date on the side and no spreader brace holes. The group of boxes is nice and includes five different types of boxes, one of them is missing an inner flap and a small amount of the side that it was connected to.
- 808** Great group of Lionel Postwar O27 single and two dome tank cars to include two 1005, 6015, five 6025, three 6045, 6463, two 2465 and eight 6465. Includes six OBs as well. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 809** Seven Lionel Postwar O gauge three dome tank cars with four original boxes to include four variations of the Sunoco 6415 and one 6425 Gulf. Includes three 6415 and one 6425 boxes that are complete, solid and square. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 810** Nine Lionel Postwar O gauge single dome tank cars with four original boxes to include three 2555, 2755, three 6315 and two 6555. Four different OBs to include 6315-60, 6315, 6555 and 2555. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 811** Unrun Lionel Postwar O gauge 6119-100 D.L. & W. work cabooses with BUILT BY LIONEL on an unmarked and chemically blackened frame, C7.
- 812** Lionel Postwar O gauge 6429 D.L. & W. work cabooses, C8.
- 813** Two Lionel Postwar O gauge 6814 rescue unit cabooses with an original box. One with accessories is C7, the other is C6. The OB is worn and missing the perf window.
- 814** Mint Lionel Postwar O 6419-100 Norfolk and Western cabooses in original box, C9+. OB is a brick with an original insert.
- 815** Lionel Postwar O gauge 6824 USMC rescue unit, complete with all original accessories, C7.
- 816** Two Lionel Postwar O gauge 6017-100 glossy Boston and Maine cabooses in original boxes, C7. Both OBs have shelf and storage wear.
- 817** Lionel Postwar O gauge 6017-50 USMC and 6027 Alaska cabooses with a 6017-60 original box, C7.
- 818** Lionel Postwar O gauge 2419 and two 2420 work cabooses in original boxes, C6-7. Includes light and dark gray versions of the 2420, both with serif lettering. The 2419 OB is nice but the other two are worn.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

Also includes tow identical red cab 6560 with solid cranks and bar end trucks. Boxes vary from complete, solid and square to well worn, many have partial inserts. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 841** Two unrun Lionel Postwar O gauge 3359 operating dump cars in original boxes, C8. One set is missing a bag of coal, otherwise both are complete with 160 bin and opened 3359-78 parts packets. Both boxes are complete, solid and square and have original inserts.
- 842** Nice Lionel Postwar O gauge 3461 automatic lumber car and 3469X automatic dump car in original boxes, C8. OBs are complete, solid and square with an insert.
- 843** Three Lionel Postwar O gauge 3459 and a 3469 automatic dumping ore car in original boxes with three inserts. Includes silver, green and black variations of the 3459 as well as two bins, two bags of coal and two original instruction sheets, C7. The 3469 box is complete, solid and square and the other three are worn.
- 844** Group of various Lionel Postwar O gauge rolling stock to include 3362 log car, 3419 helicopter car with a reproduction helicopter, 3830 flat car with submarine, green 3376 giraffe car with yellow lettering and 3559 automatic dump car, C6-7.
- 845** Lionel Postwar O gauge 6660 and 6670 boom crane cars in original boxes, C6-7. Both OBs appear to be complete but do have shelf wear.
- 846** Lionel Postwar O gauge black and red 2461 and black 6461 transformer cars in original boxes, C7. Two OBs are complete and one is missing an end flap but all three have inserts.
- 847** Lionel Postwar O gauge 6519 Allis Chalmers car in original box, car looks C8 but one brake wheel stand has been repaired. OB is a brick.
- 848** Mint Lionel Postwar O gauge 6518 transformer car in original box with one insert, C9-10. OB is a brick but missing one insert.
- 849** Group of Lionel Postwar O gauge operating searchlight cars with two original boxes. Includes two 3520 with sans serif lettering but with olive and gray searchlight hoods, 6520 with serif lettering and a crinkle gray hood, 6520 with gray hood and maroon searchlight and a 3650 searchlight extension car. Both 3520's and 3650 cars are C8, the two 6520's are C6-. OBs include 3520 and 3650 which are complete, solid and square.
- 850** Group of Lionel Postwar O gauge rolling stock in original boxes to include three variations of the 6362 rail truck car, 6511 pipe car, 6467 and 6477 miscellaneous cars, C8 except one of the rail truck loads which has surface oxidation. OBs range from complete, solid and square to well worn.
- 851** Small group of Lionel Postwar O gauge rolling stock with three original boxes to include 6656 stock car, 3474 Western Pacific operating boxcar plus unrun boxcars to include 6050 Swift, red 6014x Pennsylvania Baby Ruth and 638-5361 Van Camps, C7-8.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 852** Lionel Postwar O gauge 2411 flat car with logs and two 6561 cable cars with gray and orange cable reels in original boxes, C7-8. OBs are complete, solid and square and the 2411 box has an original insert.
- 853** Lionel Postwar O gauge 6130 Santa Fe work caboose and 6560 crane car with blue frame in Hagerstown checkerboard original boxes, C8-9. Includes two worn OBs and an original instruction sheet for the replacement of a broken string for the crane car.
- 854** Lionel Postwar O gauge 3484 Pennsylvania operating boxcar, C7+.
- 855** Three Lionel Postwar O gauge 6572 Railway Express cars to include all three variations with two original boxes, C7-8. The older box is missing an end flap but is otherwise very nice, the newer box is shelf worn.
- 856** Lionel Postwar O gauge 6672 reefer with 3 lines of data in original box, C6+. OB is a brick but had "TOP" written in pencil on the top that has been mostly erased.
- 857** Four Lionel Postwar O gauge 6672 reefers with one original box to include all three of the later variations as well as an extra blue lettered example, C7. The OB is complete, solid and square but has a crease on the front side.
- 858** Boxed Lionel Postwar O gauge 11540 steam freight set to include 239 steam locomotive with tender, 6076 Lehigh Valley hopper, 6473 rodeo car, 6465 tank car and 6119 D.L. & W. work caboose as well as two sets of track, parts packet and some paperwork, C7.
- 859** Lionel Postwar O gauge 1527 set box with 1615 steam switcher and 1615T slope back tender, C7. Loco box is complete, solid and square and the tender box is missing one end flap but is otherwise nice. The set box is also complete, solid and square.
- 860** Mint Lionel Postwar O gauge 1007 caboose with raised catwalk, C9 and unrun.
- 861** Two Lionel Postwar O gauge 3482 operating milk cars in original boxes with platforms, boxed milk cans and original instruction sheets, C7. Both OBs are very nice with original inserts.
- 862** Lionel Postwar O gauge 3462 and 3472 operating milk cars in original boxes, C7. Includes C6 and C8 platforms, two boxed milk can sets and one original instruction sheet as well as two worn OBs with original inserts.
- 863** Lionel Postwar O gauge yellow painted 3672 operating Bosco car in original box with platform, empty and full 3672-7 packets and original instruction sheet, C7. OB has some shelf and storage wear but no tape repairs and is missing the insert.
- 864** Lionel Postwar O gauge milk cars to include three 6472, 6482, 3472 and two 3662. Also includes two 6472 original boxes, one nice and one worn as well as unopened 3462-70 milk cans and an opened but complete 3662-80 packet. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 865** Lionel Postwar O gauge 600 MKT switcher with yellow railings, C7+.
- 866** Lionel Postwar O gauge 601 and 602 Seaboard diesel switchers with one original box, C6+. The 601 OB is complete with two pieces of clear tape on the factory seam and includes one original insert.
- 867** Two Lionel Postwar O gauge 610 Erie switchers, one with a black painted frame and chemically blackened ends and the other with a scarce body mold variation with name plates on both sides, C6+.
- 868** Lionel Postwar O gauge 611 and 621 Jersey Central diesel switchers. The 611 is C6 and missing the screw to hold the shell in place, the 621 is C7.
- 869** Lionel Postwar O gauge 613 Union Pacific switcher in original box with original instruction sheet, C7. The OB is worn with tape repairs and loose inner flaps.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 870** Lionel Postwar O gauge 614 Alaska switcher, C7.
- 871** Lionel Postwar O gauge 616 and 617 Santa Fe diesel switchers, C7. The 616 has an open E unit slot and a bell in place, the 617 has a plugged E unit slot and a bell in place as well as a damaged wheel on top.
- 872** Lionel Postwar O gauge 622 and 623 Santa Fe switchers, C6. 622 has a small GM decal with 622 on the front and the 623 is the ten stanchion variation.
- 873** Two Lionel Postwar O gauge 624 Chesapeake and Ohio switchers to include three and ten stanchion variations, C6-7.
- 874** Lionel Postwar O gauge 633 and two 634 Santa Fe switchers. The 634 variations include one with safety striped and marker lens holes and one without safety stripes, C6-7.
- 875** Lionel Postwar O gauge 635 and 645 Union Pacific switchers. The 645 is C7 but needs a good cleaning, the 635 is C6 with screw damage to the shell where the piece below the screw is missing entirely.

This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1022** Great group of Lionel Postwar O27 gauge rolling stock with one original box to include 3650, 6050 Libby's, 6257, 6456 gray, 6076, 6520, 6112, 6119-25, 6111, x6014 Baby Ruth, 6017 and two 3376. Includes a 3376 box with telltale and track trip.
- 1023** Lionel Postwar O gauge 224 and 1615 locomotives with a plastic slope back tender, C6-7.
- 1024** Beautiful Lionel prewar O gauge freight set to include gunmetal 224E with 0-2689W tender, 2652 gondola, 2654 tank car, 2660 crane car and 2657 caboose, C6+ to C7+. OBs include worn 224E and 0-2689W. All couplers match.
- 1025** Group of Lionel prewar O gauge tinplate rolling stock to include 1689T tender, 2620 floodlight car, 2651 lumber car, two 2652 gondolas with barrels, 2653 hopper, three 2655 boxcars, 2656 stock car, 3651 operating lumber car and 2757 caboose. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1026** Restored and re-wheeled Lionel prewar standard gauge 318 electric locomotive, looks C8.
- 1027** Group of boxed Lionel prewar O gauge rolling stock to include 3651 operating log car, 2677 gondola, 2655 boxcar, 2654 tank car, 2657 and 2657x cabooses, C6-7. OBs are all worn.
- 1028** Group of boxed Lionel O gauge rolling stock to include prewar 2755 tank car and postwar x2758 Pennsylvania boxcar,, x2454 Baby Ruth boxcar and 2457 Pennsylvania caboose, C6-7. Boxes are generally nice and solid but the 2454 is missing an end flap and the 2755 has inner tape repairs.
- 1029** Nice set of Lionel Postwar O gauge blue stripe Santa Fe passenger cars to include three 2412 vista dome, 2414 Pullman and 2416 observation cars, C7-8.
- 1030** Three Lionel Postwar O gauge 2625 Irvington passenger cars in worn original boxes, C6-7. Boxes have inserts but are missing all of the end flaps.
- 1031** Restored and re-wheeled Lionel prewar standard gauge 385E steam locomotive with tender, looks C7 and has a valve gear piece and screw to attach it.
- 1032** Lionel prewar standard gauge 500 series rolling stock to include two 511 lumber cars, one original orange and a restored yellow 513 stock car, 515 tank car, 517 caboose and 520 floodlight car. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1033** Lionel Postwar O gauge 2625 Irvington, 2627 Madison and 2628 Manhattan heavyweight passenger cars, C6+ to C7.
- 1034** Lionel prewar standard gauge 347 set box with track and switches. Tracks and two sets of switches are C6. The OB has two split corners on the lid but the base is nice and both labels are clean and complete.
- 1035** Restored Lionel prewar standard gauge 309 Pullman, 310 mail and 312 observation cars. Cars are restored to look C8-9.
- 1036** Lionel Postwar O gauge 264 operating forklift and 415 diesel fueling station in original boxes, C7+. Both OBs are complete, solid and square but the 264 box has scotch tape on the outside. Both sets are complete with all parts.
- 1037** Lionel Postwar O gauge 356 freight station, 362 barrel loader and 464 lumber mill in original boxes, C7-8. Accessories are complete with all parts but may have missing paper items. All three OBs are bricks.
- 1038** Lionel O gauge 395 floodlight tower, 1045 operating watchman, 45N automatic gateman and 93 water tank in original boxes, C7. OBs are all complete and in nice shape. All four are complete but may be missing some paper items.
- 1039** Lionel O gauge 128 animated newsstand, two 145 automatic gateman and 445 operating switch tower in original boxes, C6-7. All four OBs are complete, solid and square
- 1040** Stunning Lionel prewar 115 automatic station in original box, C8. OB is complete with a faded label on the opened end and comes with an original instruction sheet.
- 1041** Group of Lionel Postwar O gauge accessories in original boxes to include three 58 lamp posts, 71 lamp post, 151 semaphore, three 310 billboard sets, 45N automatic gateman and an empty but gorgeous box for 76 set of three boulevard lamps. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1042** Three Lionel O gauge 156 and one 157 station platforms, C6+.
- 1043** Lionel prewar O gauge 313 Bascule bridge with door on house and orange window inserts, C7 but missing the red light lens on top.
- 1044** Group of loose Lionel Postwar O gauge accessories to include 497 coaling station, 282 gantry crane, 30 water tower, 132 illuminated station and 445 switch tower, C6-7.
- 1045** Lionel Postwar O gauge 19142 Van Camps uncataloged set in original box to include 242 steam locomotive with tender, 638-2361 boxcar, 3349 turbo missile firing car, 6406 flat car with red auto and 6067 undecorated red caboose, C7. Set box is complete but one top flap is torn in half. Includes an 1103-21 packet with only one 927-85 sealed oil capsule inside as well as two billboards, track and a reprint of the original store display.
- 1046** Lionel Postwar O gauge 1525 diesel freight set in original box to include 600 MKT switcher with yellow railings, x6014 red Pennsylvania Baby Ruth boxcar, yellow 6111 flat car with logs and 6017 caboose, C7 although the flat car is C6. The OB does have all flaps but has some surface paper loss and also includes a transformer, RCS and three original instruction sheets.
- 1047** Lionel Postwar O gauge 1573 steam freight set in original box to include 250 orange strip steam locomotive with matching Pennsylvania tender, 6464-425 New Haven boxcar, 6476 Lehigh Valley hopper, 6025 Gulf tank car, 6112 gondola with canisters and 6017 caboose plus a 6019 rcs, C6-7. Set box has a lot of scotch tape on it but it is complete otherwise. Also includes a worn box for the 250 loco.
- 1048** Lionel Postwar O gauge 1545 diesel freight set in original box to include 628 Northern Pacific 44 ton switcher, 6424 flat car with automobiles, 6025 Gulf tank car, x6014 Pennsylvania Baby Ruth boxcar and 6257 caboose, C7+. Set box is complete but has water stains and includes two original instruction sheets.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1049** Lionel Postwar O gauge 2209W New York Central freight set with set box and most component boxes. Set includes 2354 New York Central F-3 ABA set with no battery damage and no screw cracks, 3484 Pennsylvania operating boxcar, 6415 Sunoco tank car, 6462 New York Central gondola and 6417 Pennsylvania porthole caboose, C7. OBs include 2354P, 3484, 6145, 6462 and 6417. The set box and loco box are creased and the loco box has clear tape reinforcement, the other four boxes are much nicer.
- 1050** Lionel Postwar O gauge 2263W electric passenger set in set box with component boxes. Set includes 2350 New Haven EP -5 electric locomotive with no battery damage but has a hairline nose crack on one end, 3359 twin bin dump car, 6414 auto loader with four original autos, 6468-25 New Haven boxcar, 3662 milk car with platform and 6517 bay window caboose, C7. Includes three original instruction sheets, two unopened parts packets, UCS, CTC lockon and a 160 bin. Set box is scalped and attached on one side, inner boxes are worn except for the 6414.
- 1051** Lionel Postwar O gauge 2223W Lackawanna boxed diesel freight set to include 2321 maroon top Lackawanna FM with no battery damage and one screw crack, 6464-100 Western Pacific blue feather type IIa boxcar, red painted 6462 New York Central gondola with barrels, 3461x automatic lumber car, 3482 operating milk car with platform, 6417-50 Lehigh Valley porthole caboose, UCS, 160 bin, track and paperwork, C7-8 and very clean. Set box is complete but has a tape repaired corner. The inner boxes are nice for the most part but the -250 box is missing part of an end flap and all inner flaps from one end.
- 1052** Lionel Postwar O gauge 2211WS freight set in original boxes to include 681 steam turbine locomotive, 2046W Pennsylvania tender, 6464-75 Rock Island boxcar, 3656 operating cattle car set with corral and cattle, 3461x automatic lumber car, 6417 porthole caboose, UCS, 160 bin, parts envelope with some parts, two bottles of smoke pellets and paperwork, C6-7. Set box is very nice but slightly crushed from the top on one end. Inner boxes appear to be complete, solid and square but may have some missing inner flaps.
- 1053** Lionel Postwar O 2190W set box with 2343C B unit and 2530 baggage, 2532 Silver Range vista dome, 2532 Silver Cloud & 2534 Silver Bluff Pullman and 2531 Silver Dawn observation cars, C6-7. Set box has a split factory seam where the tape has decomposed and there are many creases all around, the component boxes are nice except for the 2534 which is missing all end flaps and the 2343C which is well worn. the rest of the boxes are complete, solid and square and all of them have original inserts. Includes three crisp sheets and one worn sheet of original Lionel wrap.
- 1054** Lionel Postwar O gauge 1559 diesel freight set in original boxes to include 2338 Milwaukee Road GP-7 locomotive, 6414 auto loader with no autos, 3494-275 operating Bangor and Aroostook State of Maine boxcar, 6362 rail truck car, 3562-50 operating barrel car, 6357 caboose, paperwork, 6019 RCS, 160 bin and other small parts, C7-8. Set box is complete, solid and square but does have some surface wear. Component boxes also appear complete, solid and square but may be missing inner flaps.
- 1055** Lionel Postwar O gauge 2276W Budd commuter set in original boxes to include 400, 404 and two 2559, C7. Set box is complete and intact but worn with some corner and flap splits but no tape repairs. OBs include 404 and two 2559 and are complete, solid and square with no missing flaps.
- 1056** Boxed Lionel Postwar O gauge 1800 General Frontier Pack to include 1862 steam locomotive with 1862T tender, 1865 passenger coach, 1866 mail car and 1877 flat car with five good and one broken horses, C7. OB is very nice with a complete and undamaged insert and includes two original instruction sheets.
- 1057** Lionel Postwar O gauge 1467W diesel freight set in original boxes to include 2023 Union Pacific Alco AA set with no battery damage and fantastic lettering, 6465 tank car, 6656 stock car 64546 maroon Lehigh Valley hopper and 6457-25 caboose, C7-8. Set box is complete, solid and square with minor graffiti on one end. Master carton is a brick with all three insert pieces and the three component boxes are complete, solid and square but have surface wear, missing the 6456 box.
- 1058** Lionel Postwar O gauge 2275W diesel freight set in original boxes to include 2339 Wabash GP-7, 3444 Erie animated gondola, 6425 Gulf tank car, 6464-475 Boston and Maine boxcar, 6427-1 porthole caboose, UCS, track, billboards, and some other paper, C7-8. OBs are all slightly worn but most are complete. The loco box is badly damaged on one end.
- 1059** Lionel prewar O gauge 845W freight set in original boxes to include 224 steam locomotive with 2666W tender, x2758 Pennsylvania boxcar, 3659 dump car, 3651 lumber car, 2660 work crane, 2757 Pennsylvania caboose and two 160 bins, C6-7. Set box is complete with a nice label. Inner boxes are all well worn except for the 2660 box.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1060** American Flyer S gauge 21918 and 21918-1 Seaboard switchers, C6-7. Powered unit has a bad screw crack in the rear.
- 1061** American Flyer S 21910, 21910-1 and 21910-2 Santa Fe ABA Alco diesel set with worn original boxes, C7+ to C8. Boxes have damaged end flaps on the labeled ends and have missing inner flaps and tape repairs.
- 1062** Gorgeous American Flyer S 499 New Haven EP-5 electric locomotive, C8 but missing the pantograph clip on one end.
- 1063** American Flyer S 484, 485 and 486 Santa Fe ABA Alco set, C7-8. Original boxes included are 21720 and 21542 and have inner tape repairs and may be missing inner flaps.

Includes original set box with a Speed Queen sticker on the side as well as original loco wrap with perfect stamp and correct component boxes although the 938 box is worn.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1082** American Flyer S 740 hand car in original box, C7. Includes a nice OB that is missing a tuck flap but also includes a near complete insert.
- 1083** American Flyer 25058 lumber unloading car in original box, car is actually numbered 971 and was old stock being used up before the five digit cars were sold. Includes track trip and control button, C7-8. The box was printed upside down so that the lid has no printing and the sides and underside of the box have print on them.
- 1084** American Flyer S Circus train to include 353 steam locomotive and tender, two die cast and one pressed wood 643 flat cars, two 649 Pullman cars, two original circus wagons, three reproduction truck cabs and four reproduction circus wagons. Also included is a Thomas Toy / Acme truck with carousel on the back but it is missing all three animals and the main piece has been repaired at the base where it was broken off. trains and original loads are C6-7. Repro items are C8-9.
- 1085** American Flyer S 20610 Dispatcher train set with original box to include 21812 Texas and Pacific switcher, 24561 crane car, 24216 Union Pacific hopper, 24556 Rock Island flat car (incorrect for the set) and 24627 cabooses, transformer, uncoupler, pike planner and paperwork, C7. Set box has water stains but is complete.
- 1086** American Flyer 20325 Union Pacific diesel freight set with component boxes but no set box. Set includes 372 Union Pacific GP-7, 941 Frisco gondola, 924 Jersey Central covered hopper, 970 Seaboard walking brakeman operating boxcar, 911 Chesapeake and Ohio pipe car with load and 930 cabooses (chipped roof corner), C6-7 unless otherwise noted. OBs are correct, complete, solid and square.
- 1087** American Flyer S4613 steam passenger set in original set box to include 322 steam locomotive with New York Central tender, three 652 Pullman, 653 combine Pullman and 654 observation cars. Loco is C6, cars are C7-8 and are all converted to knuckle couplers. Set also includes track, crossover, uncoupler, two track terminals and a bottle of Colber loco smoke. Set box is complete but somewhat worn, the set number does not appear on the box.
- 1088** American Flyer 23032 Railroad Equipment Kit in original box, a curved tunnel and a dealer window decal. The railroad kit has several items inside but may or may not be complete, the box is worn and split on all four corners. The tunnel is in nice shape as is the unused decal. Sold as-is as seen in the photos with no returns.
- 1089** Group of American Flyer five digit flat cars to include 24566 New Haven with car hauler, 24556 wheel car, 24575 milk transport, 24550 Monon piggyback flat car, two 24553 rocket transport and 25045 rocket launcher with button, C6-7.
- 1090** American Flyer S / Minicraft buildings in original boxes to include 270 News and Frank Stand, 272 Station & News Stand and 274 Freight Station, C7-8. Two OBs are definitely correct but the 270 is likely incorrect.
- 1091** Group of 9 American Flyer S cabooses to include 935, 979, 24619, 24634, 24633, 24626, 24631, 24603 and 24636, C
- 1092** American Flyer S North Coast Limited diesel passenger set with reproduction boxes. Set includes 490 / 492 Alco AA set, 900 combine, 901 Pullman, 902 vista dome and 903 observation cars, C8 locos, C7-8 passenger cars. Includes reproduction boxes although none are marked.
- 1093** American Flyer S 20530 Night Hawk set to include 21130 New York Central Hudson steam locomotive with plastic tender, 24109 Chesapeake and Ohio gondola with original pipes, 24413 American reefer, 24043 Boston and Maine boxcar, 24558 Canadian Pacific flat car with Christmas trees (missing brake stand and wheel with cracked brake stand base), 24316 Mobil tank car and 24633 silver bay window cabooses, C6-7.
- 1094** American Flyer S 20655 Washington set in original set box but no insert. Set includes 21089 steam locomotive with tender, 24565 flat car with cannon, 24055 boxcar and 24750 red combine, C6. Set box is nice even without the insert but does have the transformer compartment.
- 1095** American Flyer S set box and component boxes for 5525TBW, The New Meteor Freight set. Includes loco wrap and all other boxes but missing the freight car boxes. All boxes look great but the set box does have some water stains.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1096** American Flyer S K5358W Challenger steam freight set boxed. Set includes 336 Union Pacific steam locomotive and tender, 947 Northern Pacific reefer, 929 Missouri Pacific stock car, 922 GAEX boxcar,, 931 Texas and Pacific gondola, 924 Jersey Central covered hopper, 921 Chicago Burlington and Quincy coal hopper and 930 cabooses along with track, whistle control, paperwork, smoke cartridges, uncoupler and other inserts and boxes. Set box is complete but worn, component boxes are all complete, solid and square. Trains are C7-8 with light run time.
- 1097** American Flyer S K5328 The Meteor steam passenger set with a set box and loco wrap but no component boxes. Set includes 293 New York, New Haven and Hartford steam locomotive, 951 baggage, 952 Pikes Peak Pullman, 953 Niagara Falls combine and 954 Grand Canyon observation cars, C6-7. Set box is complete with wear to the top flaps and the loco wrap is very nice and complete with very nice stamping.
- 1098** American Flyer S K5423 The Mountaineer steam freight set with set box, loco wrap and all component boxes. set includes 283 Chicago and Northwestern steam locomotive and tender, 942 Seaboard boxcar, 931 Texas and Pacific gondola, 940 Wabash hopper, 930 cabooses, track transformer (brittle cord), uncoupler, track terminals, paperwork and smoke capsule. - 1135** Group of boxed postwar Hornby O gauge trains to include 41021 steam locomotive, W603, 42188, 42195, RS662, RS679, 42106, 42105, R160, 42171, RS678, 42213, R172, milk traffic van, 50 flat wagon with container, flat truck with cable drum, RS699, RS657, two No. 1 petrol tank wagon, No. 1 goods van, No. 1 timber wagon, flat truck, 43916 and RS684. Also includes two Directory Series 6 wheel private owners vans with Heinz and Cadbury's advertising. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1136** Group of postwar Hornby O gauge accessories in original boxes to include A835E signal cabin, 42360 single signal arm, 42390 turntable plus a loose two arm semaphore, C6-8. All three boxes are complete but with minor wear.
- 1137** Hornby postwar O gauge 3E Riviera "Blue" train set in original box to include 31801 steam locomotive with Nord tender and three blue passenger cars, C6-7. Original box is in great shape, all but one of the original dividers are missing.
- 1138** Hornby postwar O gauge tin lithographed two stall engine house, C6+. Base measures 19 1/2" x 9" and stands 10 1/4" tall.
- 1139** Hornby postwar O gauge Flying Scotsman steam passenger set to include 4472 Flying Scotsman 4-4-2 steam locomotive with LNER tender, Loraine and Verona Pullman cars, C6-7.
- 1140** Beautiful Hafner O gauge blue steam passenger set in original box. Set includes 1010 clockwork steam locomotive and tender plus two Pullman and observation cars, C7-8. Includes a brittle partial original instruction sheet, twelve curved and four straight track sections. The set box lid is water stained and worn but is complete.
- 1141** Mint Marx 2002 brown hand car in original box with original insert, C9 with light run time. OB has graffiti but no stamped lettering to indicate what came in it.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1142** Marx O gauge 14000 steam freight set in original box. set includes 391 Canadian Pacific steam locomotive with 2461 tender, 552 gondola, 554 hopper, 553 tank car, 556 cabooses, track, transformer, pair of switches, original instruction sheet and two tin accessories, C6. The set appears to be complete with no extra room for any cars but may be missing a 555 reefer. Set box lid is well worn with tape repairs.
- 1143** 1997 Modern Marx 10662 The Prospector mining train set in original box. Beautiful set with light run time to include steam locomotive, tender, boxcar, flat car, floodlight car, gondola with gold and cabooses. Includes all paperwork as well as a 9351 Sears appliance boxcar in original box, C8.
- 1144** Marx 9490 diesel freight set in original box to include 6000 Southern Pacific F-3 AA set, 37956 Pennsylvania boxcar, 80982 Wabash gondola, 1235 Southern Pacific cabooses, track and transformer, C7. Set is missing the box lid but includes all inserts and dividers. Cars have metal slot and tab couplers.
- 1145** Marx O gauge 33242 diesel freight set in original box to include 1998 Santa Fe switcher, 54099 Missouri Pacific stock car, New York Central crane car, 24129 Lehigh Valley hopper, 284 UTLX tank car, 4427 ATSF cabooses and transformer, C7. Track is missing but the set is otherwise complete with all dividers and inserts. The box lid has some wear and graffiti.
- 1146** Marx O gauge 8975 diesel freight set in original box to include 81F Monon AA set, 37956 Pennsylvania boxcar, 80982 Wabash gondola, 3855 Monon cabooses, track, transformer and original instruction sheet, C7. Set box is complete, solid and square with all inserts and dividers.
- 1147** Marx O gauge 40845 diesel freight set in original box to include 99 Rock Island AB set, 43461 PFE reefer, 54099 Missouri Pacific stock car, 284 UTLX tank car, 21429 Lehigh Valley hopper, 39520 S.P. generator car, 51170 Erie gondola, 586 Rock Island work cabooses, few pieces of track, transformer and original instruction sheet, C7. Box bottom is very nice with all inserts and dividers, the lid has two tape repaired split corners.
- 1148** Marx O gauge 56824 steam freight set in original box to include 1829 smoking steam locomotive, Santa Fe tender, 51170 Erie gondola, 54099 Missouri Pacific stock car, 5545 CB&Q flat with Burlington trailers and friction truck, 4528 Erie flat car with silver tractors, 2225 Santa Fe cabooses, track, transformer and a bottle of smoke, C7. Set box is complete with all inserts and dividers, lid is very nice with minor surface skinning and one tape repaired corner.
- 1149** Marx O gauge 44824 diesel freight set in original box to include 2002 New Haven AB set, Southern 51100 auto hauler with four original autos, 5545 CB&Q flat car with two Burlington trailers, 339234 Canadian Pacific gondola and C-635 New Haven cabooses, C7-8. Set box does have some water stains but is complete with all inserts and dividers.
- 1150** Marx O gauge 4399S steam freight set in original box to include 396 Canadian Pacific steam locomotive with copper boiler and sideboards, copper New York Central tender, 567 dump car, New York Central wrecker car, floodlight car two 554 Northern Pacific hoppers, 555 Colorado and Southern reefer, 552 Rock Island gondola, 553 Santa Fe tank car, 556 New York Central cabooses, track, transformer track power clip and paperwork, C6. Set box is missing some of the open ended boxes but does have most of the dividers and inserts. Set box lid has tape repairs on all four corners and is marked 4399S.
- 1151** Marx O gauge 35250 steam passenger set in original box to include 333 4-6-2 steam locomotive with 3991 New York Central die cast tender, two 234 coach, 234 vista dome and 236 New York Central observation cars as well as track, transformer and a small tin sign, C6-7. Set box is clean and complete with all inserts and dividers but does have some water stains.
- 1152** Marx O gauge 44464 Western Pacific diesel passenger set in original box to include green and yellow Western Pacific 901 AB set, 1217 coach, 1217 vista dome and 1007 observation cars, track, transformer and original instruction sheet, C8. Set box is complete with all inserts and dividers but the lid has some water stains.
- 1153** Marx O gauge 45200 diesel freight set in original box to include 21 Santa Fe AA set, 1950 GAEX boxcar, 44572 Chesapeake and Ohio gondola, 652 Shell tank car, 1951 Santa Fe cabooses, transformer, paperwork and some signs, track is missing, C7. Set box is complete with all inserts and dividers, the lid is extraordinarily clean.
- 1154** Marx O gauge Allstate 09622 William Crooks set in original box to include general style steam locomotive with matching tender, 1 baggage, two 3 coaches, transformer, original instruction sheet and two bottles of smoke, C7. Set box is complete with all inserts and dividers, the lid does have some graffiti and a partial mail order label attached.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1155** Marx O gauge Allstate 9640 steam freight set in original box to include 666 die cast steam locomotive with smoke, Allstate tender, 5110 Southern auto carrier with four automobiles, Erie flat car with sears trailer, 77003 Boston and Maine boxcar, Allstate three dome tank car, 5545 CB&Q flat car with Erie girder, New York Central wrecker car, Santa Fe work caboose, track, 1669 transformer, 072 lamp post and original instruction sheet, C7-8. Set box is complete with all inserts and dividers, lid is complete but has three tape repaired corners.
- 1156** Marx O gauge Allstate 9633 diesel freight set in original box to include 901 Western Pacific AB set, 54099 Missouri Pacific stock car, 4528 Erie flat car with gray tractors, 4528 Erie flat car with railings, 643 Western Pacific bay window caboose missing stack and hand rail, track, switches, transformer livestock and original instruction sheets, C7-8. Set box is complete with all inserts and dividers, box lid is complete with shelf wear and some stains.
- 1157** Marx O gauge Allstate 9621 diesel freight set in original box to include 1998 Union Pacific switcher, 249319 Marlines boxcar, 54099 Missouri Pacific stock car, 05594A5 side unloading log car with platform and track section, 4586 Union Pacific work caboose with light, track and transformer, C7. Set box is complete with all inserts and dividers, box lid is complete with minor wear.
- 1158** Marx O gauge Allstate 9632 diesel passenger set in original box to include 901 Western Pacific ABA set, two 1217 coach and 1007 observation cars plus a transformer, C7. Set box is complete with all inserts and dividers, box lid is very worn and brittle with many tape repairs and water stains.
- 1159** Marx O gauge Allstate 9638 diesel freight set in original box to include 51 Allstate ABA set, 20053 Seaboard boxcar, 5545 CB&Q flat car with Erie girder, 39520 Southern Pacific generator car, green 54099 Missouri Pacific stock car, Allstate two dome tank car, orange 4528 Erie flat car with two green tractors, Allstate bay window caboose, track and 1669AS transformer, C7-8. Set box is complete with all inserts and dividers, box lid is complete with two split corners, tape residue and other stains.
- 1160** Marx O gauge Allstate 9629 steam freight set in original box to include 333 die cast steam locomotive with smoke, plastic Santa Fe tender, 5595 SERX reefer, 51100 Southern auto carrier with four original autos, 5590 crane car with light, 4571 WCEX searchlight car, Santa Fe work caboose, transformer, track, smoke bottle and original instruction sheet, C7-8. Set box is complete with all inserts and dividers, box lid is complete with some storage wear.
- 1161** Marx tinplate 3/16 25359 Klein Toy Store steam freight set boxed. Set includes 999 loco, New York Central tender, 33733 Boston and Maine lumber car, 2532 Cities Service tank car, 174580 New York Central boxcar, scarce 2700 NYC & StL flat car, 13549 Santa Fe stock car, 254000 Baltimore and Ohio gondola, 44572 Chesapeake and Ohio high side gondola, 20102 New York Central caboose, Glendale Station, crossing flasher, 072 lamp post with box, track, transformer, switches and original instruction sheets, C7. Set box is complete with all inserts and dividers, the box itself is complete but has several tape repaired flaps as the joints are very brittle.
- 1162** Marx O gauge 9825 Allstate steam freight set in original box to include 1666 plastic steam locomotive with steam chest smoke, Southern Pacific tender, 21913 Lehigh Valley hopper, two Erie flat cars, one with a sears trailer and the other with side rails, aqua Allstate tank car, 347100 Pennsylvania gondola, 467110 Baltimore and Ohio boxcar, Southern Pacific caboose, Erie girder bridge, switches, track with track bed, plastic gantry crane, two street lamps, four automobiles, telephone poles, pedestrian figures, two track bumpers, advertising boxes, billboards. station grade crossing, liquid smoke and original instruction sheets, C8-9. Set box is fantastic, complete with all inserts and dividers with a very nice lid.
- 1163** Lumar US Army troop transport and searchlight trucks, C7 complete with figure. The searchlight truck is complete but the insides of the searchlight are rusted and it will likely not work.
- 1164** Marx US Air Force searchlight truck jeep and trailer. The searchlight truck is missing the stack for the generator but is otherwise C6-7. The jeep has a figure that may or may not have been originally included and is C7. the trailer is missing the exhaust stack and whatever accessory went on top of the unit which was likely a radar dish and is C6.
- 1165** Two Marx Howitzer cannons with five painted hard plastic figures and one original box. The larger cannon is 16" long, the smaller one is 12" long. the figures are around 5 1/4" tall, C7. The original box is for the smaller cannon and is complete but has some tape repairs.
- 1166** Vintage pressed steel Structo USA missile launcher truck with two plastic missiles, C7. Truck is 12 1/4" long.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1167** Vintage pressed steel Nylint electronic cannon truck with four rockets and the original radar dish, battery operated but unknown operability, C7. Truck is 23" long including the barrel.
- 1168** Tonka pressed steel CD civil defense rescue squad truck with ladder and a plastic Tonka boat, C6-.
- 1169** Group of vintage GI Joe figures with foot locker and some accessories to include SOTW Russian with original outfit, original painted head figure and an original fuzzy head figure. Includes some original and some knockoff accessories and clothing. Sold as-is as seen in the photos with no returns.
- 1170** Restored Tonka State Hi-way department lowboy truck and trailer, looks great other than the front grille which has multi colored headlights. Sold as-is as seen in the photos with no returns.
- 1171** All original four piece 1960 Tonka State Hi-Way Dept set in lime green to include lowboy semi tractor trailer, dragline, grader, single axle dump truck and original sign set, C6-7. The dragline is missing all of the original string and needs to have one string added as of now to make it work.
- 1172** Vintage original Tonka bronze lumber truck with pup trailer and a lot of lumber pieces that are likely modern wood pieces, C6 to C6+.
- 1173** Vintage Structo pressed steel scraper, exhaust stack is loose but present yet has a lot of wear so that when installed, it fits very loosely. Sold as-is as seen in the photos with no returns.
- 1174** Fantastic Doepke Jaeger cement mixer, complete and working but has a spot of dried paint as seen in the photos, C7.
- 1175** Fantastic Doepke hook and ladder fire truck with a wind up siren, includes the two separate ladders and everything works on this beauty, C8.
- 1176** Structo pressed steel Sanitation Dept. garbage truck with good hydraulics, C6+.
- 1177** Structo pressed steel Power and Light hydraulic snorkel truck, C7 but missing a ladder from one side.
- 1178** Structo cattle farms pressed steel semi tractor trailer, C6+.
- 1179** Nylint pressed steel 6601 mobile home in original box, C6-7 but missing all of the original furniture, C7 truck, C6+ trailer. The OB is complete but does have graffiti on the top, one side and one end.
- 1180** Towmotor forklift Topping Models salesman sample, C7+.
- 1181** Vintage Gilbert 12 1/2 Erector set with original instruction sheet. Includes lots of parts including wind up and electric motors but uncertain as to the completeness of the set. The metal box is very nice and the paper advertising sheet glued inside the lid is very nice as well, C6+.
- 1182** Gilbert Erector No. 7 smoke and choo-choo kit in original box with original instruction sheet and inspection slip plus a neat Gilbert glass blowing original instruction booklet and a 3D Gilbert booklet in the original mailing envelope, C7.
- 1183** Kelmet Corporation TruModel 7 1/2 erector style set with original instructions. manufactured by the A.C. Gilbert Co. but made for distribution by Kelmet. Includes lots of parts but uncertain as to the completeness of the set. The wooden box is very nice as well, 6.
- 1184** 1920's Erector No. 10 with original instruction booklet in original box. Includes lots of parts but uncertain as to the completeness of the set. Wooden box is in great shape, C6-7.
- 1185** Neat Gilbert Erector 10611 military vehicles set in original box, looks complete but uncertain as to the completeness of the set, C7 parts. The OB has some missing pieces and has tape repairs, also includes the original instruction sheet.
- 1186** 1943 Erector Junior No. 5 set, all made of wood, with original instruction booklet, C8 with a very nice original box but missing one wheel and uncertain as to the completeness of the set.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1187** Gilbert 10072 Erector musical Ferris wheel set in metal box, C6-7, completeness of the set is undetermined but there are a lot of parts here. Includes a worn original instruction booklet and a worn Adventures in Science comic.
- 1188** Gilbert 10231 Erector amusement park set in metal box, very nice and clean, looks to be complete but that is undetermined. Box is very clean and includes two original instruction booklets, C7+.
- 1189** Neat group of tiny Tonka pressed steel and plastic toys to include civilian, construction and one private label truck. Most are earlier pressed steel but there are a handful of later plastic trucks. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1190** 140+ Matchbox regular wheels and Superfast vehicles in four cases. The vast majority are C8+ but there are about 15 that are in C5-6. Includes two vintage cases, one is missing the handle, and two modern era cases.
- 1191** Small group of Dinky die cast vehicles with a partial box to include 40A Riley sedan, 27C motocart, 401 fork lift truck with box lid only, and two military vehicles. Sold as-is as seen in the photos with no returns.
- 1192** Beautiful Marx Glendale station with a few figures. Station is a non-lighted and non-talking variation. the figures are rubber and the hand carts are hard plastic, C8.
- 1193** Fleet Line #200 "The Sea Babe" battery operated speedboat in original box with original instruction sheet, C7. The box is very nice with an intact insert.
- 1194** Great group of vintage Roy Rogers related toys and books to include Jefferson MFG Co toy guitar (cannot be tuned or played), Ohio Art No. 550 horseshoe set, unknown manufacturer single holster cap gun belt, mint NOS Rob Roy size 12 Frontier Wear shirt in original box and four children's books to include Walt Disney's Davy Crockett, Dale Evans and the lost gold mine, Roy Rogers at the Lane Ranch and Roy Rogers and cowboy Toby. Average condition in this lot is C8.
- 1195** Hubley Cowboy double holster cap pistol set. Pistols are in great shape and both fire perfectly but do have some corrosion inside from having caps fired through long ago. The pistols fit the holsters perfectly but I cannot affirm that it is a factory set, C7.
- 1196** Keystone Bros. Lasso 'em Bill double cap gun and holster set in original box which consists of a pair of Hubley Texan Jr cap pistols with a ornately decorated belt with holsters that has an adjustable belt, C7.
- 1197** Small group of Western and cowboy related toys to include Pony Boy double cap gun and holster set, Gong Bell ranch phone, damaged Hubley Coyote cap pistol, Mark II captain automatic plastic cap gun and a Chuck Wagon kitchen apron. Sold as-is as seen in the photos with no returns.
- 1198** Group of Strombecker 1/32 slot cars with four original boxes to include eight slot cars and four boxes. Sold as-is as seen in the photos with no returns.
- 1199** Sears Allstate 9515 1/32 auto road race set in original box, looks complete and in great shape but completeness cannot be verified, C7. The original box has all inserts and dividers but the lid is worn and missing some surface paper.
- 1200** Small group of vintage toys games and Christmas wrapping paper to include space related tin top, two plastic figures, game of Cootie, Transogram "little Army Doctor", Uncle Remus stories on RCA Victor records and a box full of vintage Christmas wrapping paper with matching tags. Sold as-is as seen in the photos with no returns.
- 1201** Huge group of Lionel Postwar Super O track to include at least 170 sections of straight, 100 sections of curve, a small box full of smaller various length sections, hundreds of bus bars, small amount of track accessories and 10 No. 90 controllers. The track ranges from very nice and clean to having oxidation and light surface rust. Sold as-is as seen in the photos with no returns.
- 1202** Entire cart full of train track accessories and small parts to include unboxed Plasticville buildings and animals, empty Lionel boxes, several sets of Super O switches that will need to be repaired and other detail parts. Sold as-is as seen in the photos with no returns.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1203** Four boxes full of boxed vintage Plasticville kits to include 2921, 1908, 1922, 1913-200, 1975, 1912, 1853-180, 1851-179, 1850-179, 1817-150, 1800-149, 1919-198, 1900-198, 1906-198, CC-9, RH-1, DE-7, FB-1, PD-3, 1400-79, HP-9, GO-2, LC-2, Lionel 953, 1405-79, 1619-100, DE-7, 1912-200, 0650, 2614-100, 2950-249, 1901-198, 1806-149, 1626-100, 1908-198, 601, 1816-150, 1624-100, two Lionel 6-2720, 2920, AP-1, HS-6, 1608-100, 1403-79, 1617-100, 1302-59, two 1618-100, 1402-79, 1622-100 and two 1621-100. Sold as-is as seen in the photos with no returns.
- 1204** Four Bachmann Plasticville master sets to include incomplete MU-2, complete SU-5, complete HU-7, 5608-498 railroad center and 5600-498 international airport. Sets look to be C6-8 with boxes that are worn to very nice.
- 1205** Noma talking station and two Skyline tin lithographed buildings with two original boxes, C7.
- 1206** Marx Happi Time 09618 steam freight set in original box to include 400 plastic steam locomotive, New York Central tender, 553 tank car, 59 Union Pacific stock car, 20102 New York Central caboose, track, transformer, telephone poles, railroad station, plastic signs, plastic figures and four small plastic accessories, C8. The original box is complete with all inserts and dividers and the lid is extremely nice.
- 1207** Beautiful Marx 5952 steam freight set in original box to include 0-4-0 steam locomotive, New York Central tender, 90171 boxcar, 28500 Lehigh Valley gondola, 20102 New York Central caboose, track, transformer and paperwork, C8. The OB has all inserts and dividers and is about as nice as you could expect to find.
- 1208** Marx Happi Time 09618 steam freight set in original box to include 400 plastic steam locomotive, New York Central tender, 553 tank car, 59 Union Pacific stock car, 20102 New York Central caboose, track, transformer, telephone poles, railroad station, plastic signs, plastic figures and two small plastic accessories, C7. The original box is complete with all inserts and dividers, the lid has a split corner and water stains.
- 1209** Marx O gauge 8994 tin lithographed steam freight set in original box to include 898 steam locomotive, New York Central tender, 552 Rock Island gondola, 553 tank car, 556 New York Central caboose, track and transformer, C7-8. the OB is missing the lid but the bottom is very nice and includes all inserts and dividers.
- 1210** Marx tin lithographed steam freight set in original box to include 0-4-0 steam locomotive, New York Central tender, 241708 Baltimore and Ohio gondola, 20102 New York Central caboose, track and transformer, C8. The set is in an incorrect box marked 5620 and includes almost all inserts and dividers, the lid is in beautiful shape with no damage.
- 1211** Marx 52455 Montgomery Wards steam freight set in original box to include 1666 gray plastic steam locomotive with smoke, 961 New York Central slope back tender with sound, 467110 Baltimore and Ohio boxcar, Erie flat car with two tractors, 347100 Pennsylvania gondola, Santa Fe caboose, track, transformer, billboard, switch, buildings, water tank, automobiles and other parts but no figures, C8. Set box includes all inserts and dividers and the lid is in fantastic shape.
- 1212** Unusual Marx 1859 150 watt transformer, very nice but with a deteriorated cord that will need to be replaced before use, otherwise C8.
- 1213** Marx O gauge 44834 diesel freight set in original box to include 99 Rock Island AB set, 51100 Southern autoloader with four autos, 5545 CB&Q flat car with two Burlington trailers and a friction truck, Erie flat car with two tractors, 43461 reefer, 17858 Rock Island bay window caboose, track, transformer and sign, C7. OB is in nice shape and includes all inserts and dividers.
- 1214** Marx O gauge 09620 Happi Time steam freight set in original box to include 333 die cast steam locomotive with smoke, Santa Fe tender, 5595 reefer, New York Central crane car with damaged boom, 51100 Southern autoloader with four autos, 4583 GEX searchlight car, Santa Fe work caboose, track, transformer and a bottle of smoke, C7. Box is complete with all inserts and dividers but the lid has some tape repairs.
- 1215** Marx O gauge 40965 Walgreen Exclusive diesel freight set in original box to include 99 Rock Island AB set, 77003 Boston and Maine boxcar, 5545 CB&Q flat with Burlington trailer and friction tractor (trailer roof painted red and tractor missing a wheel and with a loose grille), 51100 Southern autoloader with three autos, 17858 Rock Island bay window caboose, track, switches, transformer, bell danger signal, high tension poles and railroad station, C6. The OB is nice but appears to be missing some of the dividers but does include a large number of them. The box lid is in great shape.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1216** Marx O gauge Happi Time tin lithographed diesel freight and passenger set in original box to include 21 Santa Fe AA set, two 3152 Santa Fe Pullman and 3197 Santa Fe observation cars, 44572 Chesapeake and Ohio gondola, 1950 GAEX boxcar, 1951 Santa Fe caboose, track, transformer, some small plastic accessories and original instruction sheet, C7. OB is in great shape with all inserts and dividers and the lid is in very nice shape.
- 1217** Marx O gauge 50365 steam freight set in an original box. Set includes 1666 die cast steam locomotive with smoke, Penn Central slope back tender, 467110 Baltimore and Ohio boxcar, Erie flat car with two tractors, 347100 Pennsylvania gondola, 18326 Penn Central caboose, track, transformer, one switch, autos, figures, station, water tank, billboard, bumpers and telephone poles, C7. OB is complete with all inserts and dividers but the actual 50365 box has tattered outer flaps. The unmarked lid over the top of this set has tape repairs and some graffiti.
- 1218** Marx O gauge Allstate 9734 steam freight set in original box to include 1666 steam locomotive, 961 Penn Central slope back tender, 467100 Baltimore and Ohio boxcar, 347100 Pennsylvania gondola, X246 rocket fuel tank car, 18326 Penn Central caboose, track, transformer, trestle set, portals and original instruction sheet, C7. OB is complete with all inserts and dividers, the lid has two puncture holes but is otherwise in nice shape.
- 1219** Marx O gauge 09637 twin train set in original box to include plastic 1666 steam locomotive with smoke, Allstate tender, Rock Island switcher, Erie flat car with side rails, 347100 Pennsylvania gondola, 467110 Baltimore and Ohio boxcar, 2532 tank car, 17828 & 564 Allstate cabooses, transformer, bottle of smoke fluid, portals, trestle and block signal, C6-7. OB has most inserts and dividers but is missing some, especially the divider between top and bottom levels. The box lid is very nice with no issues.
- 1220** Marx O gauge 9625 Allstate steam freight set in original box to include die cast 666 steam locomotive with smoke, Southern Pacific tender, 13975 Santa Fe stock car, Erie flat car, 2532 tank car, Southern Pacific caboose, track, transformer, liquid smoke, trestle set and original instruction sheets, C7+. OB is in great shape with all inserts and dividers and the lid is nice but does have some small puncture holes.
- 1221** Marx O gauge 09629 Allstate steam freight set in original box to include plastic 1666 steam locomotive with smoke, Allstate slope back tender, 5532 Allstate gondola, 3280 Santa Fe boxcar, 564 Allstate caboose, track, transformer and trestle, C6. OB has all inserts and dividers and the lid is complete but has a tape repaired corner.
- 1222** Marx O gauge 9625 Allstate steam freight set in original box to include die cast 666 steam locomotive with smoke, Southern Pacific tender, 13975 Santa Fe stock car, Erie flat car, 2532 tank car, Southern Pacific caboose, track, transformer, liquid smoke, trestle set and original instruction sheets, C8. OB is in great shape with all inserts and dividers and the lid is nice with minor water stains.
- 1223** Marx O gauge Happi-Time steam freight and passenger set in original box to include steam locomotive with tender, boxcar, gondola and caboose plus two Pullman and observation cars as well as track and transformer, C6-. Set box is unnumbered but does have most inserts and dividers, box lid is warped and has water stains.
- 1224** Marx O gauge 39365 dual freight set in original box to include 400 plastic steam locomotive with New York Central tender, 588 New York Central switcher, x-246 tank car, 3280 Santa Fe boxcar, 347100 Pennsylvania gondola, 21913 Lehigh Valley hopper, two New York Central cabooses, track, transformer, billboards, station platform, block signal, a few plastic accessories, crossover and original instruction sheet, C7. set box includes all inserts and dividers and in great shape overall.
- 1225** Marx O gauge Happi-Time steam freight set in original box to include plastic 1829 steam locomotive with smoke, 2731 Santa Fe tender, 21429 Lehigh Valley hopper, 284 UTLX tank car, 147815 Rock Island boxcar, 4427 Santa Fe caboose, Santa Fe 3152 Pullman, 3152 vista dome and 3197 observation cars, track, transformer, switch, telephone poles and original instruction sheet, C6-7. Set box is not numbered but inside the lid is stamped 36334, the bottom includes all inserts and dividers and is in great shape, the lid is complete with some water stains.
- 1226** Marx O gauge 9719 Allstate steam freight set in original box to include plastic 1666 steam locomotive with steam chest smoke, Southern Pacific tender, two Pennsylvania gondolas, Erie flat car with auto and Sears trailer, Southern Pacific caboose, trestle bridge, gantry crane, bumpers, station, unfolded freight boxes, smoke fluid, figures and original instruction sheet, C7. OB includes all inserts and dividers, lid is complete but has graffiti on the top.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1227** Marx O gauge 25335 steam freight set with some accessories to include 999 die cast steam locomotive with New York Central edge tender, 2700 flat car with lumber, 2700 flat car with pipes, searchlight car, New York Central crane car, 20102 New York Central caboose, track, three sets of switches, water tower, floodlight tower, girder bridge, lamp posts, two crossing gates, track end bumper and several plastic automobiles. Some original boxes are included but most are very worn. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1228** Marx O gauge 8926 diesel freight set in original box to include 81F Monon AA set, 5014 baggage car, 9847 tank car, Baltimore and Ohio gondola, 31055 Monon caboose, track, transformer, bell danger signal, telephone poles, cardboard buildings, tin lithographed tunnel and original instruction sheet, C7. OB includes all inserts and dividers, the lid is nice and complete but split in the middle of one end.
- 1229** Group of Marx, Remco and Topper toys with three original boxes to include a modern Sears Service Center in original box, Remco Bulldog tank that is missing the main part of the barrel, Topper Johnny Express conveyor and a Marx tin lithographed Glendale station. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1230** Lionel prewar O gauge 270 bridges in original boxes and nine street lamps. The bridges are both red with nickel and bronze plates and are C7-8. The lamps include green and orange 57, C6+, two pea green 59, C7, and five 58 of which four are painted black and one has a loose head, C5.
- 1231** Lionel prewar O gauge 730 T Rail 90 degree crossover in original box, C7. The OB is missing two inner flaps and has an inner tape repair but is otherwise very nice.
- 1232** Lionel prewar O gauge 731 T Rail switches with controllers in original boxes, C6+ switches, C6- controllers. Both OBs are complete but worn and opened from both ends.
- 1233** Group of Lionel prewar O gauge T Rail track with original boxes to include sixteen curve and seven straight track sections (two of which do not have any holes drilled for the fish plates), C6. OBs are somewhat worn but all are correctly marked.
- 1234** Lionel prewar 708 scale switcher and Pennsylvania tender in master carton with 701, 701T and 169 boxes. The set is all original, loco includes flanged drivers and center rail pickup, C7. The 701T tender is in super condition with perfect lettering on both sides, C8. OBs are complete and are all correctly stamped and each has one sealed end. The master carton has a complete label that is slightly faded but is otherwise fully legible.
- 1235** Lionel prewar O scale 715 Shell tank car, C7. One decal on one side has a bit flaked off and is crazed but the other four decals are perfect.
- 1236** Lionel prewar O scale 714 Pennsylvania boxcar, gorgeous lettering on both sides, looks C8 but has mildew spots on the roof.
- 1237** Lionel prewar O scale 716 Baltimore and Ohio hopper in original box, C7. OB is missing all end flaps and has clear tape around both ends on the sides, also includes the original insert.
- 1238** Lionel prewar O scale Hudson 700E steam locomotive and New York Central tender. Loco is in fantastic condition but has been polished, C7, runs very smoothly and the E unit cycles properly, serial number is either 381173 or 381178. The New York Central tender has gorgeous lettering on the left side but some wear on the right side. Both sides are slightly warped but the right side is worse than the left, C7. Includes a mint original Hudson booklet from 1937.
- 1239** Lionel Postwar O gauge black 2332 Pennsylvania GG-1 in original box with original instruction sheet. Locomotive has silver stripes and rubber stamped keystones, C7+. OB is complete with insert but has clear tape on one end and packing tape over the other end. The original instruction sheet is form 2332-277 12/47.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1240** Lionel Postwar O gauge 2144W set in original box to include a 2332 green five-stripe GG-1 with fantastic stripes, 2625 Irvington, 2627 Madison and 2628 Manhattan heavyweight passenger cars, C7-8 although there is a damaged pantograph on the GG-1. Set box is complete but has edge wear and a nearly detached flap. Inner passenger boxes have one missing tuck flap and some repairs but include matched inserts. Loco box is very nice with all flaps, one sealed end and the original insert. this is a very nice original matched set.
- 1241** Unusual Lionel Postwar O gauge box of 100 track clips, seems to be full, box is complete with some wear.
- 1242** Three Lionel Postwar O gauge 2555 tank cars with an original box, C8. OB is complete, solid and square with an original insert.
- 1243** Group of Lionel Postwar O gauge boxcars to include 6464 -100 Western Pacific, -275 Bangor and Aroostook State of Maine (broken catwalk end) and -425 New Haven as well as 3494-275 Bangor and Aroostook State of Maine and 3484-25 Santa Fe operating boxcars. Sold as-is as seen in the photos with no returns.
- 1244** Lionel prewar O gauge 115 station, C6 but has hand painted lettering on one side above the door and a touch up on the base.
- 1245** Lionel prewar O gauge 910 grove of trees in original box. base has a small chip out of one corner of the wood underneath but the top is fine, there is also one tree that looks much darker than the other three. The underside of the base has a partial original Lionel label, C7. The OB is complete, solid and square with a complete label but no inserts.
- 1246** Unrun Lionel Postwar O gauge 2533 Silver Cloud and 2534 Silver Bluff aluminum Pullman cars with one rough original box and two original inserts with Lionel wrap, C7-8 but the the 2533 has very faded lettering. Both have hex head screws on the name plates.
- 1247** Group of Lionel Postwar O gauge trains to include 681 steam turbine locomotive, 2466WX tender, 2452, x6454, 3559, 6076, 638-2361, 6562, 6462, 3428 and 6517. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1248** Lionel Postwar O gauge 6416 boat loader, 6828 flat car with Harnischfeger truck crane and 6436-25 Lehigh Valley hopper with two original boxes. Trains are C7 and the 6828 flat is unrun but two of the boats are warped and come apart easily. The truck crane is nice but is missing some parts as seen in the photos. Boxes include a worn 6416 and a nice 6436-25.
- 1249** Lionel Postwar O gauge accessories in original boxes to include a 193 water tower with black superstructure, C7, and a 348 operating culvert unloader, C8. The 193 OB has water stains, the other is beautiful, both are complete, solid and square. Boxes include original inserts, original instruction sheets, one controller and two wires.
- 1250** Box full of Lionel Postwar O gauge trains and accessories to include 616 switcher, two 3469, 6462 and x6454 all with rust underneath, 152, 299 tower, 315 bridge in original box, two Marx light towers and a group of reproduction Lionel paper wrap. Sold as-is as seen in the photos with no returns.
- 1251** Lionel Postwar O gauge 1608W diesel passenger set boxed. Set includes 209 New Haven Alco AA set with no pilot damage, two 2432 Clifton vista dome. 2434 Newark Pullman and 2436 Mooseheart observation cars, C7+. Also included are six inner boxes that are complete but have some worn inner flaps, three inspection slips, six billboards, lube, CTC one sheet of Lionel wrap and a 1953 accessories booklet. Set box is complete with some tape residue on the top flaps and down the two sides but none on the ends.
- 1252** Great group of original Lionel Postwar dealer paper to include a 1953 answer book, 1940 manual of Lionel instructions, 700KW instruction booklet with binder holes plus 1948 and 1949 price lists with binder holes. Sold as-is as seen in the photos with no returns.
- 1253** Lionel prewar O gauge 225E steam locomotive with an altered die cast tender. Loco is C6, tender is fitted with one prewar truck set on the front and a postwar truck set in back, otherwise C6.
- 1254** Lionel Postwar O gauge Alco diesels to include 230 Chesapeake and Ohio and 211 Texas Special AA set, C7.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1255** Lionel Postwar O gauge 2344 New York Central F-3 ABA set, minor battery damage just inside the compartment but barely enough to be worried about, no screw cracks, just a missing decal from the nose of the dummy A unit, C6-7.
- 1256** Lionel Postwar O gauge 41 US Army and 633 Santa Fe switchers. 41 has one repaired window strut, the 633 has screw damage on the nose resulting in a missing piece of plastic. Sold as-is as seen in the photos with no returns.
- 1257** Lionel Postwar O gauge 2339 Wabash GP-7, looks C7 on one side but has a long roof edge rub on the opposite side but no screw cracks and no battery damage.
- 1258** Lionel Postwar O gauge 628 Northern Pacific 44 ton switcher, no screw cracks, C7-.
- 1259** Lionel Postwar O gauge 621 Jersey Central switcher, no screw crack, C7.
- 1260** Lionel Postwar O gauge 2350 New Haven EP-5 electric locomotive, common version with paper decal noses, no battery damage and no screw cracks, C6-7.
- 1261** NICE Lionel Postwar O gauge 2331 Virginian FM shell only with no screw cracks and no rusted pieces, c7+.
- 1262** Lionel Postwar O gauge 6464-250 Western Pacific boxcar, light run time, C8.
- 1263** Lionel Postwar O gauge type IV 6464-650 Rio Grande boxcar in original box, C8. OB is nice with an intact cellophane window.
- 1264** Lionel Postwar O gauge 6464 boxcars to include -175 Rock Island, -200 Pennsylvania and -225 Southern Pacific, C7.
- 1265** Lionel Postwar O gauge 6464 boxcars to include -375 Central of Georgia, -400 Baltimore and Ohio, -725 New Haven and -900 New York Central, C7. The New Haven is missing the knuckle from one coupler.
- 1266** Lionel Postwar O gauge 6464 boxcars to include -150 Missouri Pacific, -300 Rutland and -700 Santa Fe, C6-7. The -150 is missing a coupler from one end. The original box is for the -700, it is complete but has shelf wear.
- 1267** Lionel Postwar O gauge 6464 boxcars to include -25 Great Northern, -50 Minneapolis and St. Louis and -525 Minneapolis and St. Louis, C7-8.
- 1268** Lionel Postwar O gauge 6416 boat loader 3470 launching car in original boxes, C6+ boat loader, C7 launching car. Both OBs are complete, solid and square.
- 1269** Nice group of Lionel Postwar O gauge 8 inch plastic boxcars to include 6024 Shredded Wheat, 638-2361 Van Camps, 6014 Airex, 6050 Savings Bank, two 6014 Frisco (one white and one red) and two 6014 Baby Ruth (one white and one red), C7.
- 1270** Three Lionel Postwar O gauge 3356 operating horse cars with corral and nine figures, C7 cars, C6-7 corral, nice figures.
- 1271** Five Lionel Postwar O gauge tank cars to include 2855, 6315, 6415, 6425 and 6463, C7. Includes a 6425 box that is complete with some shelf wear.
- 1272** Group of Lionel Postwar O gauge hoppers and gondolas to include three different 6462 New York Central, 6112, and 2452 Pennsylvania gondolas, 3469 dump car 3456 Norfolk and Western operating hopper 2456 and two different 6456 Lehigh Valley hoppers. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1273** Lionel Postwar O gauge rolling stock to include 6418 machinery car with US Steel girder loads, 3359 twin bin dump car and 6346 Alcoa covered hopper. 6418 is C6 with oxidation on the trucks, 3359 is C7 and the 6346 is C7- due to a scratch on one side.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1274** Group of Lionel Postwar O gauge operating boxcars and others to include 3662 milk car, 6352 reefer, 6468-25 New Haven boxcar., 3484 Pennsylvania and 3494-275 Bangor and Aroostook State of Maine operating boxcars, C7. The last car included is a 3494-625 Soo Line operating boxcar in C6-, missing a door and the figure from inside. Includes a nice 3494 -275 original box with graffiti on the back.
- 1275** Group of Lionel Postwar O gauge cabooses to include 6420 D.L. & W. searchlight caboose, two different 2457 Pennsylvania tinsplate cabooses, 6417 porthole caboose, two 6357, 6257 and 6017 Boston and Maine, C6-7.
- 1276** Nice group of Lionel Postwar O gauge rolling stock to include 6475 pickle car, 6844 missile carrier, 6424 flat car with autos, 6467 miscellaneous car, 6818 transformer car, 6430 flat car with Fruehauf trailers and 6414 autoloader with four original autos, C7+.
- 1277** Group of Lionel Postwar O gauge rolling stock to include black 3461 log car, 6411 flat car, 6561 cable reel car, 6473 rodeo car, x6454 Pennsylvania boxcar, two 3656 stock cars, 6035 tank car, 6100 series flat car and 6460 crane car. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1278** Lionel Postwar O gauge 2020 turbine with red atomic motor and 2037 steam locomotives with five tenders to include 6026W with a broken step, 6466W, 2466W (missing the drawbar), 2020W and a streamlined Pennsylvania with AAR trucks and two broken steps. Sold as-is as seen in the photos with no returns.
- 1279** Box full of Lionel Postwar O gauge locomotive parts and Plasticville buildings. Includes a 2360 GG-1 in parts as well as a dismantled 675 and other locomotive parts and a rolling chassis for an FM that does have battery damage. Includes several loose Plasticville sets and one HU-5 set with several items inside. Sold as-is as seen in the photos with no returns.
- 1280** Two Lionel Postwar O gauge 210 Texas Special Alco AA sets in original boxes. one set is C6, the other is C7, none of the units has any damage to the pilots. All four OBs are complete, solid and square with one sealed end.
- 1281** Uncataloged Lionel Postwar O gauge 248 steam locomotive and 1130T tender in original boxes, C7. Both OBs are complete, solid and square and includes a correct original instruction sheet.
- 1282** Lionel Postwar 249 steam locomotive and 250T Pennsylvania tender in original boxes, C7. Boxes have inner tape repairs but are mostly complete. Comes with a correct original instruction sheet.
- 1283** Lionel Postwar O gauge 1625 switcher with 1625T tender, C6+.
- 1284** Lionel Postwar O gauge 613 Union Pacific switcher, C6+, no screw cracks.
- 1285** Lionel Postwar O gauge 2037 steam locomotive and 243W tender in original boxes, C7. Both boxes are worn.
- 1286** Lionel Postwar O gauge 216 Burlington AA Alco set, C7 and C8 respectively, light run time.
- 1287** Lionel Postwar O gauge 56 Minneapolis and St. Louis mine transport switcher, no screw cracks and no damaged window struts, C6-7.
- 1288** Lionel Postwar O gauge USMC 212 AA powered Alcos and 6017-50 caboose, C6. One loco has a chip out of the pilot just below the metal tab.
- 1289** Lionel Postwar O gauge 2337 Wabash GP-7, C7-.
- 1290** Lionel Postwar O gauge 68 Executive Inspection Car, C6-7.
- 1291** Lionel Postwar O gauge 6427 Virginian caboose, all original with heat stamped lettering, C7-8, light run time.
- 1292** Scarce glossy Lionel Postwar O gauge 6017 caboose in original box, C7+. The OB is complete, solid and square.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1293** Group of Lionel Postwar O27 rolling stock to include two different 6465 Gulf tank cars, white 6112 gondola with canisters, 6476 Lehigh Valley hopper, white and orange 6014 Bosco boxcars, two red and one white 6014 Frisco boxcars. OBs include two 6014, 6465-50 and 6476. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1294** Two Lionel Postwar O gauge 6151 flat cars with Range Patrol trucks and two original boxes. Cars are two different colors, C7. OBs are worn with missing flaps and inner tape repairs.
- 1295** Lionel Postwar O gauge 1590 steam freight set in set box with four component boxes. Set includes 249 steam locomotive with 250T Pennsylvania tender, 6112-85 canister car with canisters, 6014 Bosco boxcar, 6151 flat car with range patrol truck and 6017 caboose, C6. Also includes a 1015 transformer. All boxes are mildly to severely worn.
- 1296** Group of Lionel Postwar O gauge rolling stock with three original boxes to include two 6660 derrick cars, 6130 Santa Fe work caboose, two 6810 flat car with Cooper Jarrett vans, 6818 flat car with transformer, empty 6803 and 6809 flat cars, 6807 flat car with duck boat and 3562-75 operating barrel car. Includes two 6810 and one 6818 original boxes. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1297** Lionel Postwar O gauge 1590 steam freight set with two component boxes. Set includes 249 steam locomotive with 250T Pennsylvania tender, 6112-85 canister car, 6014 Bosco boxcar, 6151 flat car with range patrol truck and incorrect gray 6017 caboose, C6. Both OBs are worn.
- 1298** Two boxes full of Lionel Postwar O gauge trains and accessories to include 2037 and 239 steam locomotives, 250T and 6066T tenders, 50 gang car, 6427, 3461, 6660, two 6818, 6430, 6519, 6032, 1458, 253, 394, 395, KW and S transformers and a 252 automatic gate. Includes several worn original boxes. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of several items in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1299** Entire table full of primarily Lionel prewar, postwar and modern era trains, accessories, transformers, empty boxes and other small detail parts. The majority of the rolling stock is damaged in one way or another and most of the accessories have damage as well. Would be a great lot for parts or fixer uppers. Sold as-is as seen in the photos with no returns.
- 1300** Lionel prewar O gauge tinplate passenger set to include 249E steam locomotive with 265W waffle tender in gunmetal, two 600 Pullman and 601 observation cars, C6.
- 1301** Lionel prewar O gauge Flying Yankee articulated set in original boxes to include 616W, two 617 coaches, 618 observation car and three 616T vestibules, C6+. All four OBs are worn.
- 1302** Lionel prewar O gauge freight set to include 1666E steam locomotive with whistle tender in gunmetal, 1679 baby Ruth boxcar, 654 tank car and 1682 caboose, C6
- 1303** Lionel Junior prewar O gauge articulated passenger set to include power car, two coach and observation cars, C6.
- 1304** Lionel prewar O gauge freight set to include 1668 steam locomotive (missing a pin in the valve gear) with whistle tender in gunmetal, 651 lumber car, 652 go 656 stock car and 657 caboose, C6 unless otherwise noted.
- 1305** Lionel Postwar O gauge 2023 Union Pacific Alco AA units, C6- with no battery damage but could clean up to be considerably nicer.
- 1306** Group of boxed Lionel Postwar O gauge operating rolling stock to include 3472 milk car, 3562-50 operating barrel car and two 3656 operating cattle cars as well as 3472 platform and cans and 3656 corral with figures, C6-7. Also includes a really nice 2555 tank car, C7. OBs have most original inserts but the boxes do have wear and some loose flaps and inner tape repairs.

TOY TRAIN AUCTION LOT DESCRIPTIONS

DECEMBER 2015

- 1307** Lionel Postwar O gauge 60 trolley and 3927 track cleaning car with an original box, C6+. Track cleaning car has reproduction fluid bottles.
- 1308** Unusual Lionel prewar 1697EW original master carton or set box. Very scarce inasmuch as there is no information available in any guide referencing this box or any set or single item. The box is complete, solid and square but has been opened from both ends. There are no other boxes or inserts inside. the box measures 16 x 6 3/4 x 4 7/8".
- 1309** Lionel Postwar O gauge 2032 Erie Alco AA set in master carton, C6 with no battery damage. The box is complete and square with shelf wear and includes only the main center insert.
- 1310** Lionel ZW and American Flyer 12B transformers, C6.
- 1311** Lionel Postwar O gauge steam locomotives and tenders. Locos to include 2046, 2055, 671 and two 2020. Tenders to include 671W, two 6026W, 234W and an unmarked Pennsylvania twelve wheel tender with a replacement chassis. Sold as-is as seen in the photos with no returns.
- 1312** Lionel Postwar O gauge steam locomotives and tenders. Locos to include 2034, 2026, 2037, 2037, 2026 and 2025. Tenders to include 6466WX, 6466W with a repro shell and three non-whistle tenders. Sold as-is as seen in the photos with no returns.
- 1313** Lionel Postwar O gauge locomotives to include two 623 Santa Fe, 624 Chesapeake and Ohio and 520 box cab electric locomotive. Sold as-is as seen in the photos with no returns.
- 1314** Lionel Postwar O gauge brown tinplate passenger cars to include two 6442 Pullman and 6443 observation cars, C6.
- 1315** Lionel Postwar O gauge green 2332 Pennsylvania GG-, C6- and missing several insulators.
- 1316** Lionel prewar O gauge 156 station platform in original box, C7 but missing both fence sections. OB is sealed on the label end and is complete, solid and square but has edges of the label missing.
- 1317** Lionel Postwar O gauge 2359 automatic aluminum dump car, C6 but may clean up to a higher grade.
- 1318** Lionel Postwar O gauge 1656 steam switcher with 6043B slope back tender, C6.
- 1319** American Flyer prewar O gauge passenger set to include 3112 box cab electric locomotive, baggage, Paul Revere Pullman and Lexington observation cars, C6.
