- 2127** Lionel postwar 614 Alaska Railroad NW2 switcher, C7.
- 2128** Lionel postwar 30 water tower with a 96C controller and a 138 water tower with a 90C controller. The spout is missing off of the 138 water tower. The towers are C7.
- 2129** Lionel postwar 2348 Minneapolis & St. Louis GP9 diesel. On top of the blue section of the roof there is an area that is scraped. Other than the damaged area the diesel is C7-8.
- 2130** Lionel postwar green passenger cars with gray roofs and yellow striping around windows including; 2400 Maplewood, 2402 Chatham in OB and a 2401 Hillside observation in OB, C7. The boxes are missing flaps and show wear.
- 2131** Lionel postwar 736 black 2-8-4 Berkshire steam loco and a 2671W tender. The tender has a screw hole crack in the front, otherwise loco and tender are C7.
- 2132** Lionel postwar 397 operating coal loader with a 364C controller and a 456 coal ramp set with packet and, two mounting posts, controller and bin both in OBs. The coal ramp set is missing the 3456 hopper car. The 397 is C8 and the 456 is C7.
- 2133** Lionel postwar 2245 Texas Special F3 AB diesel units. The A unit has some box rubs and scratches on the frame. A unit is C7. The B unit is C8.
- 2134** Lionel postwar 2460 operating black Bucyrus Erie crane car in OB with original cardboard insert. The crane has never been run, C9. The OB has all flaps attached with one interior flap that has a tear.
- 2135** Lionel postwar 2332 dark green Pennsylvania GG1 electric loco. The striping and lettering is mostly intact. Loco is C7.
- 2136** Lionel postwar 6460-25 Bucyrus Erie crane car the version with the harder to find red painted cab, circa 1954 and a 6560 Bucyrus Erie crane car with red cab. Cranes are C8.
- 2137** Lionel postwar 2346 Boston and Maine GP9 diesel. One of the fan domes on top of the diesel is missing the paint. The diesel is C7-8.
- 2138** Lionel postwar 2359 Boston and Maine GP9 diesel.
- 2139** Lionel postwar 6420 dark gray D.L & W. work caboose with searchlight in OB that has an original cardboard insert. The car has been test run and is C9. The box is missing two interior flaps.
- 2140** Lionel postwar 2363 Illinois Central F3 AB diesel units. There is battery damage on the A unit and unit is C5. The B unit is C6-7.
- 2141** Lionel postwar 3530 GM generator car with searchlight, pole and base. This is the version with the black tanks. Generator car is C7. Also included is a 3444 Erie operating cop and hobo gondola, C7-8.
- 2142** Lionel postwar 2339 Wabash GP7 diesel, circa 1957. The roller assembly has surface rust, otherwise rest of engine is C7.
- 2143** Lionel postwar type ZW 275-watt transformer in a reproduction box. The cord on the transformer has been replaced. Transformer is C7.
- 2144** Lionel postwar 2240P/2240C Wabash F3 AB diesel units both in OBs. The A unit is C7-8. The B unit is C8. The 2240C box has an original cardboard insert. The boxes show some wear.
- 2145** Lionel postwar 6520 searchlight car, the version with the harder to find green generator in a worn OB, C7-8.

TOY TRAIN AUCTION LOT DESCRIPTIONS

SEPTEMBER 21ST, 2013

- 2146** Lionel postwar 2321 Lackawanna FM Train Master Diesel with a gray roof. Both ends have screw hole cracks. Diesel is C6.
- 2147** Lionel postwar freight cars including: 6456 black Lehigh Valley hopper, 3461 green operating log dump missing the logs, 3461 black operating log dump car missing the logs, 6465 silver Sunoco two dome tank and a 6427 porthole caboose. Cars are C7 except for the caboose which has damage on the bottom and is C6.
- 2148** Lionel postwar 2331 Virginian FM Train Master diesel the version with an unpainted blue body and yellow painted stripes. There is a screw hole crack on one end of the diesel. The diesel has a couple of minor scratches on the roof, otherwise is C8.
- 2149** Lionel postwar 157 illuminated station platform with a maroon base in OB and a 145 automatic gateman with packet containing four uncoiled wires and a 145C contactor in OB with original cardboard insert. The 157 is C8. The 145 has a couple of spots of glue near the base of the cross buck sign, otherwise is C8. Both boxes are clean and square with all flaps attached.
- 2150** Lionel postwar no. 444 construction set in the original metal case. Set includes original cardboard inserts, a construction manual dated 1947 and a yellow poster. The construction set appears to be complete and is C7-8. The metal case has paper labels intact on the inside and outside of the lid. The lid has some paint flaking.
- 2151** Lionel postwar 128 newsstand and a 445 switcher tower. The newsstand is missing the fire hydrant, newspaper, has melt marks on the base and one terminal is bent. Newsstand is C5. The man that is supposed to be positioned on the balcony on the 445 tower is broken off. Switch tower is C6. Also included is a 197 rotating radar antenna. The railing around the top has sections broken off and some of the side rails are broken, C5.
- 2152** Lionel postwar 629 Burlington GE 44-ton switcher. The red frame on the switcher has been restored and the cab is C7.
- 2153** Lionel postwar 350 engine transfer table with hardware in OB that has original cardboard inserts, C7. The box is complete with all flaps.
- 2154** Lionel postwar two 350-50 transfer table extensions, C6-7.
- 2155** Lionel postwar 69 motorized maintenance car with instruction sheet in OB that has an original cardboard insert, C8. The box is worn.
- 2156** Lionel postwar 54 ballast tamper, C8.
- 2157** Lionel postwar 3360 operating Burro crane with packet containing instruction sheet, tube of lubricant and reversing stop in OB that has an original cardboard insert. The crane has very light run time, C8. The OB has all flaps attached and shows some wear.
- 2158** Lionel postwar 52 fire fighting car in OB, C8. The OB is complete with all flaps and is clean.
- 2159** Lionel postwar type KW 190-watts transformer in a worn OB and two type 1033 90-watt transformers. The KW and one of the 1033 transformers have replaced cords. Transformers are C6-7.
- 2160** Lionel postwar 6250 Seaboard NW2 switcher, the version with the rubber-stamped wide spaced lettering, C8.
- 2161** Lionel postwar freight cars; 6362 rail truck car, 6415 silver Sunoco three dome tank car and a 6477 Miscellaneous car with four silver plastic pipes all in OBs. The tank car has box rubs on the domes, otherwise, cars are C8. The 6362 box is missing most flaps and the other two boxes have all flaps attached.

TOY TRAIN AUCTION LOT DESCRIPTIONS

SEPTEMBER 21ST, 2013

- 2162** Lionel postwar super O gauge General set no. 2528WS containing; 1872 General 4-4-2 steam loco with a 1872T tender, 1876 mail-baggage car, 1875W illuminated passenger car with whistle and a 1877 flatcar with six brown horses. The loco, tender and horse car are C7. The 1875W has a broken railing on one end of the car. There is a damaged spot on the baggage car roof. The baggage and passenger cars are C6.
- 2163** Lionel 3494-275 State of Maine BAR operating boxcar and a 3494-1 New York Central System Pacemaker operating boxcar, the version with the unpainted red body and gray painted roof, ends and lower half of the body. The 3494-1 is C8. The plunger is missing on the 3494-275 and car is C7.
- 2164** Lionel postwar 600 MKT NW2 switcher, harder to find version with gray painted frame and yellow painted platform railings. The switcher is C6.
- 2165** Lionel postwar 600 MKT NW2 switcher with a gray painted frame. The end is cracked on one end near the screw hole area. The switcher is C5.
- 2166** Lionel postwar aluminum Santa Fe passenger cars including; two 2563 Indian Falls Pullmans, 2562 Regal Pass vista dome and a 2561 Vista Valley observation car. Cars are C7-8.

- 2252** Lionel postwar 6414 Evans automobile car with four cars and a 6511 pipe car with five silver plastic pipes both in OBs. Cars are C8. Both OBs have all flaps attached and the pipe box has some tape repair.
- 2253** Lionel postwar 3620 rotating searchlight car with orange generator, gray searchlight and instruction sheet and a 3444 Erie animated cope and hobo gondola in OBs, C8. Both OBs have all flaps attached.
- 2254** Lionel postwar 6445 Fort Knox Gold Bullion transport car with coin slot in OB. The car is C7-8. The box has all flaps attached with some tape repair.
- 2255** Lionel postwar 3519 automatic satellite launching car with instruction sheet and a 6175 rocket car with a US Navy rocket both in OBs. The 3519 has never been run, C9. The tip of the rocket on the 6175 car is missing, otherwise car is C8. Both OBs have all flaps attached except for one coupler flap on the 6175 box.
- 2256** Lionel postwar 3545 operating TV monitor car in a worn OB, C8.
- 2257** Lionel postwar no. 60 Lionelville Rapid Transit trolley with blue lettering, two piece bumper and instruction sheet in OB, C7. The OB is missing two interior flaps.
- 2258** Lionel postwar freight cars including: 6462-1 red NYC gondola with three red plastic containers, 6462 black NYC gondola with six wooden barrels, 6362 rail truck car with incorrect truck load, 6560 Bucyrus Erie crane car with red cab and a 6517 red bay window caboose all in OBs except for the 6560 crane car. Cars are C7-8. The OBs have all flaps attached except for the 6462 gondola box which is missing most flaps on one end.
- 2259** Lionel postwar 2333 New York Central F3 dummy A unit with replaced porthole covers. The lettering on the unit is faded on both sides and the nose decal is missing. Unit is C6.

TOY TRAIN AUCTION LOT DESCRIPTIONS

SEPTEMBER 21ST, 2013

- 2260** Lionel postwar 3472 operating milk car with car that has a door detached but included, individual box of 3462-80 magnetic milk cans and stand in OB with original cardboard insert, 3656 orange cattle car with Armour decal, corral, ramp and individual box of 3656-9 figures for cattle car and a 3472 automatic refrigerated milk car only. The cattle corral is C5 and the rest of the cars and accessories are C6. The OB has all flaps except for one interior flap. The box has tape.
- 2261** Lionel postwar no. 50 gang car with offset horn missing all of the men figures and a 3927 track cleaning car missing one of the bottles. The gang car is C6 and the 3927 car is C7.
- 2262** Lionel postwar 6464-400 Baltimore & Ohio type IV boxcar without a built date. The boxcar has never been run and has some box rubs on the roof. The car is C8.
- 2263** Lionel postwar boxcars including; 6464-1 Western Pacific type I with blue lettering, 6464-50 Minneapolis & St. Louis type I in a worn OB, 6464-225 Southern Pacific type IIa and a 6464-375 Central of Georgia type IIb. The trucks on the 6464-225 are rusty. The 6464-50 is C6, the 6464-1 and 6464-225 are C5 and the 6464-375 is C4.
- 2264** Lionel postwar five no. 260 bumpers, three with instruction sheets in OBs. Also included is a no. 26 bumper, 450 signal bridge and a 214 U.S. Steel plate girder bridge in OB. Two of the 260 bumpers are C8 and the other three 260 bumpers, 26 bumper and 450 bridge are C6-7. The bridge is C7. The OBs have most all flaps attached.
- 2265** Lionel postwar X3464 AT&SF operating boxcar in OB, X3464 New York Central operating boxcar in OB, 3656 orange cattle car with individual box of 3656-9 figures for cattle car, X6454 Southern Pacific boxcar and a X6454 Pennsylvania boxcar. Cars are C6-7. The two 3464 boxes are worn.
- 2266** Lionel postwar X6454 orange Baby Ruth PRR boxcar with brown painted doors, circa 1948. Heat stamping is strong, car is C7.
- 2267** Lionel freight cars; 6461 transformer car with black transformer that has three broken insulators, X3464 AT&SF operating boxcar, X3464 New York Central operating boxcar, 6472 refrigerator milk car, 6465 silver Sunoco two dome tank and a 6457 caboose. Cars are C6.
- 2268** Lionel postwar freight cars; 6468 Baltimore & Ohio boxcar, 3484 Pennsylvania operating boxcar and a 6517 bay window caboose all in OBs except for the 6517. Cars are C7-8. Both boxes have all flaps attached. The 6468 box has a tape repaired end.
- 2269** Lionel postwar freight cars including; 6414 Evans auto loader missing the cars, 6511 flatcar, the version with die-cast truck plates missing the pipes and 6424 twin auto flatcars both missing autos. One of the 6424 cars is missing a set of trucks. The cars are C7.
- 2270** Lionel postwar original loads including; a gray cradle, original Christmas trees from the 6826 flat car, 6800-60 airplane with yellow top and black underside, 6801-60 boat with blue hull and white deck and a 6801-60 boat with brown hull and white deck. The blue hull boat is missing the windshield. The loads are C7-8.
- 2271** Lionel postwar freight cars; 6436 black Lehigh Valley hopper with a crack in one side, 6446-25 black Norfolk & Western covered hopper, 6264 flatcar with lumber for 264 fork lift platform, 6462 black New York City gondola, 6414 Evans auto loader with four autos, three green cars and one white car a worn OB and a 6417 Pennsylvania port hole caboose in OB. The caboose has two broken steps on the end rails. The 6264 and 6462 gondolas are C7. The caboose and hoppers are C6 and the auto loader car is C7, but some of the autos on the auto loader are missing sets of wheels and bumpers. The caboose box has all flaps attached.
- 2272** Lionel accessories including; 253 block signal in an incorrect 163 box, 927 lubricating and maintenance kit and a 967 post office set all in OBs. The 927 kit is complete and has an original cardboard insert. Also included is a Marx plastic New York Central derrick crane on platform. The accessories are C8.

TOY TRAIN AUCTION LOT DESCRIPTIONS

SEPTEMBER 21ST, 2013

- 2273** Lionel postwar freight cars; 6462 black New York Central gondola, 6468 Baltimore & Ohio boxcar, 6415 silver Sunoco three dome tank, 3356 Santa Fe REA Horse Express car missing one coupler, 3494-275 State of Maine BAR operating boxcar and a 6517 bay window caboose. The gondola is C7 and the rest of the cars are C5-6.
- 2274** Lionel postwar X3464 AT&SF operating boxcar missing the man, X3464 NYC operating boxcar, 3656 cattle car with an individual box of 3656-9 figures for cattle car, 6465 silver Sunoco two dome tank, 6555 silver Sunoco single dome tank in OB, 6257 red caboose and a 6457 brown caboose. Cars are C6.
- 2275** Lionel postwar operating freight cars; 3444 animated Erie cop and hobo gondola, 3662 refrigerator milk car and a 3356 Santa Fe REA Horse Express car. The 3356 is C6 and the other two cars are C7.
- 2276** Lionel postwar freight cars with early coil coupler trucks; 3454 operating PRR merchandise car with blue lettering and five original Baby Ruth crates, X2454 Baby Ruth PRR boxcar missing the pick up shoes, 2465 silver Sunoco two dome tank missing one pick up show and a 2457 red Pennsylvania caboose. Cars are C5-6.
- 2277** Lionel postwar 2466WX Lionel Lines tender. Also included is a 2257 red caboose and a 6357 red caboose. The tender and cabooses are C7.
- 2278** Lionel postwar 6424 automobile flatcar with two autos, 6818 flatcar with black transformer and a 6801 flatcar with boat that has a white hull and brown deck. The 6818 is C8 and the other two cars are C7. The 6424 and 6818 are in worn OBs.
- 2279** Desirable Lionel postwar 6429 gray D.L.& W. work caboose. The work caboose has one incorrect staple end truck, the coupler is broken on the AAR truck and the mounting tab is missing that secures the cab on the frame. Cosmetically the body and stamping on the caboose are C8, however due to the above mentioned problems the caboose is difficult to grade.
- 2280** Lionel postwar freight cars including; 6050 Libbys Tomato Juice with coin slot, 6044 blue Airex, 6014 red Airex in OB and a 638-2361 Van Camps pork and beans with coin slot. Also included are three boxcar shells only including; X6004 Baby Ruth PRR, 6014 Frisco and a 6014 Bosco. Cars and shells are C7-8. The OB has all flaps attached.
- 2281** Lionel postwar 6017-200 United States Navy caboose, 6476 red Lehigh Valley hopper and an 6176-100 unmarked olive drab hopper, circa 1964. Cars are C6.
- 2282** Lionel postwar 1130T tender in a worn OB, 6219 C&O work caboose, 6017 A.T.&S.F. caboose, 6025 black Gulf single dome tank and two 6257-50 cabooses both in OBs. One of the 6257-50 cabooses is painted and has one bar end truck and one staple end truck. The 6257-50 cabooses are C7, the 6219 is C5 and the tender, 6025 and 6017 cabooses are C6.
- 2283** Lionel postwar 6828 flatcar with a 6828-100 Harnischfeger truck crane in individual OB, C7. The OB is missing one interior flap and has some writing.
- 2284** Lionel postwar 3665 U.S. Air Force Minuteman car with rocket and a 3545 operating TV monitor car, C7-8.
- 2285** Lionel postwar freight cars including; 6464-425 New Haven type III boxcar in worn OB, 6475 vat car with two broken steps, 6519 Allis Chalmers car with a broken brake wheel, 6660 boom car missing load and a 3410 operating helicopter flatcar missing the helicopter, C5-6.
- 2286** Lionel postwar 6464-700 Santa Fe type IV boxcar and a 6464-725 New Haven type IV boxcar. Also included is a 6464-525 original box for a Minneapolis & St. Louis boxcar. Other than some minor box rubs, boxcars are C8. The OB has all flaps attached.
- 2287** Lionel postwar 6464-475 Boston and Maine type IV boxcar and a 6464-900 New York Central System type IV boxcar. Except for a couple of minor box rubs cars are C8.
- 2288** Lionel postwar shells only for a 2321 Lackawanna FM Train Master, a FM Train Master shell painted red and lettered Chesapeake & Ohio and three F3 As. Also included is a 8010 Santa Fe switcher shell only. Please view photo to verify selection and condition.
