## JUNE, 2015

- 315** Modern O gauge trains from K Line and Lionel including K-2252IC Kennecott Copper Corporation MP-15 diesel locomotive, 623-1094 die cast Baltimore and Ohio hopper, 18424 on track pickup, 9154 Bordens tank car,, 9300 log dump car, 9301 operating mail car, and 9153 tank car missing decals. Trains range lower C7 to C8. Boxes have light to moderate wear.
- 316** Lionel modern O gauge trains including 1150 LASER set without boxes. two 5706 Lindsay Bros reefers one with box, 5701 Dairymen's League reefer, L&A stock car, and custom Railway Express Agency reefer with postwar trucks. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 317** Lionel and other items including Lionel alarm clock, Mobil 1996 toy truck, 12819 and 12811 semi trucks, TMT-18405 flatbed Lionel truck with caboose, and QSRU-111P QSI board set. Sold as is shown in the photos.
- 318** K Line modern O gauge Baltimore and Ohio Heavyweights passenger cars including; K-0750 REA baggage, K-1062 Dolly Madison diner, K-3510 Fort Lee coach, K-3511 Fort Knox coach, and a K-0900 Capitol Square observation all in original boxes. Cars are C7-8, however have come from a smoking household and have faint smoke smell.
- 319** Lionel Postwar O gauge trains including 2412 and 2416 Santa Fe blue stripe passenger cars, 2432, 2435, and 2436 passenger cars, Cars are generally in C5-6 condition.
- 320** American Flyer postwar S gauge 20525 Defender set with set box, 234 Chesapeake and Ohio GP, 25056 USM boxcar and launcher, 24549 searchlight car, 24557 flat with Jeeps and a 24631 caboose. Includes track, transformer, insert and uncoupler. All steps are good on the cars, rocket has one fin broken. Overall set cars are a nice C7+, locomotive is C7 to C7+ with a few paint chips on the hand rails. Paperwork and instructions for set also included.
- 321** Gilbert American Flyer 19085 boxed Auto Rama Highway system slot car set. All track and both cars and accessories included. Corvette has some light roughing of the plastic on one side, about the size of a pinky. Also included is two boxed 19224 rail highway crossings. Set overall is C7 condition.
- 322** Lionel postwar layout in a box. Includes 1110 steam locomotive with plastic Lionel Lines tender, 1005 Sunoco tank car, 6002 New York Central gondola, 6007 caboose, KW 190 watt transformer with original pliable cord and molded Lionel plug rust on base, 125 whistle station missing roof, 154 highway flasher, 153 block signal, two remote pairs of 0-27 switches, and assorted 0-27 straight, curves and 90 degree crossover. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 323** Lionel Postwar O gauge 2023 Union Pacific anniversary Union Pacific Alco A-A diesel locomotives in original box. Locomotives are solid C6 condition. Box has clean labels, masking tape on one side, no insert, and includes original sheet of wrap. One owner locomotives.
- 324** Lionel Postwar O gauge anniversary set passenger cars. Includes 2481 Plainfield, 2482 Westfield, and 2483 Livingston observation. Cars are nice with no cracks, chips, or breaks. Only issues are a few small nicks and small paint chips under the body on 2482. Cars are solid C7 to C7+. These are one owner cars.
- 325** Lionel Postwar O gauge 3656 cattle car with platform and cattle all with original boxes and inserts. Car has incredibly faint run time C8-9, the platform also looks barely used, a few small chips where track was inserted into the base a few times, rear binding post is loose from the base. Platform is C7+. Boxes are clean and square, some pencil writing and two clear pieces of tape on the set box. All flaps securely attached. Inspection slip included, no instruction sheet.
- 326** Unmarked Germany tin lithographed station in original box. Battery operated accessory that operates a street light and a light on the station itself. Also includes a manual semaphore. It does have some paint touch ups but is very nice otherwise. What could be an identifying mark is a small globe on one side with J.O.N. across the side of it, C6+. Original box is complete but unmarked.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 327** Lionel prewar O gauge two tone green passenger cars to include two 2640 Pullman and 2641 observation cars in original boxes. One 2640 has scratches on the roof but is extremely nice otherwise, C6+, the other two are C6-7 with minor oxidation on the trucks and truck frames. All three original boxes are worn with scotch tape repairs.
- 328** Lionel Postwar O gauge 6414 Evans autoloader with four original premium autos and a 6518 transformer car in original boxes. The 6414 is C7 and the 6518 is C6-7 with a small touch up on the top of the flat. Both OBs are worn with several missing flaps.
- 329** Hornby postwar O gauge rolling stock and a boxed No. 2 tin lithographed railway station. The rolling stock includes two first class and one baggage car, crane car and gas cylinders car. The station is complete with two ramps and has 1940's looking graphics. Also included is a water tank. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 330** Two Lionel Postwar O gauge 6414 autoloaders with one original box. Both cars are C7 and include seven original premium autos but one of the red ones has come completely loose and will need to be glued back together, the other red one, which is more maroon, is a reproduction. The original box that is included is complete and very nice with a very small crease on one side.
- 331** Restored Lionel prewar O gauge 265E Commodore Vanderbilt with 265W tender. The locomotive cab is original but has fatigue but was coated on the inside with some type of varnish or epoxy to hold it all together. Sold as-is as seen in the photos with no returns.
- 332** American Flyer prewar O gauge tin lithographed passenger cars to include two 1120 coaches and 1108 baggage cars, C6-7.
- 333** JEP O gauge automatic crossing with loco and rolling stock. Loco is marked 5470 on one end. Rolling stock includes a damaged crane boom with box car, individual crane car, two tipple cars and a keg car. Sold as-is as seen in the photos with no returns.
- 334** Group of American Flyer prewar O gauge passenger cars to include two Illini Pullman cars, 1103 coach, 1104 and 1200 baggage cars. Sold as-is as seen in the photos with no returns.
- 335** American Flyer prewar O gauge steam freight set to include 2-4-2 steam locomotive with Champion tender, tank car, boxcar, gondola dump car, lumber car and caboose. Sold as-is as seen in the photos with no returns.
- 336** American Flyer prewar cast iron steam locomotive with 119 tender, five 1118 tank cars and 1111 caboose. Sold as-is as seen in the photos with no returns.
- 337** Lionel prewar O gauge 261 steam locomotive and rolling stock to include 3659 dump car, 2655 boxcar, two 2654 tank cars, 3651 operating log car and 2657 caboose, C6 to C6+.
- 338** Pride Lines glass top passenger platform, looks C7-8 but is missing a nut that holds one of the posts to the base.
- 339** Lionel prewar O gauge 250E Hiawatha passenger set in original boxes. 250E loco and 250W tender are C6 but loco is missing one marker light. 782 coach has two loose wheels from the front truck set and the two vestibules have three loose wheels, all are accounted for. Also included are 783 and 784 passenger cars, C6. The boxes are all in nice shape except for the 250W which is worn with several missing flaps.
- 340** Unmarked Bing? or other European manufacturer, hand painted prewar passenger station, missing the awning and a lot of paint from the base but the walls and roof look nice, C6.
- 341** American Flyer prewar O gauge Paul Revere passenger set to include a 3112 electric locomotive that need to be assembled although there are some missing screws and possibly other hardware. The passenger cars include two coaches and an observation car, all marked Paul Revere. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 342** Lionel prewar O gauge 273W steam freight set box and inner component boxes only. Set box is very nice with a beautiful label and minor wear. Inner boxes may not all be correct but include 265E, 265W, 653, 655 and 807. The inner boxes all look very nice but may have some inner flaps missing and the loco OB has tape over one end flap that may be able to be removed.
- 343** Restored Lionel prewar 124 station and 127 station in C6. The restored station looks C8 as it was done very nicely.
- 344** Two American Flyer prewar O gauge 1218 center cab locomotives, one is missing a coupler and the other has non-matching couplers, otherwise C6.
- 345** Unmarked Germany Canadian National tin lithographed 1217 O gauge passenger cars, one is missing a coupler, C6.
- 346** Lionel Postwar O gauge accessories to include 334 dispatching board, partially restored 97 coal tower, 356 freight station and 465 sound dispatching station. Sold as-is as seen in the photos with no returns. The 465 does include a nice original box with all inserts and original instruction sheet.
- 347** Ives tin lithographed 114 Standard Gauge station, fantastic sides but the roof and base have paint wear as seen in the photos, C6.
- 348** Karl Bub O gauge lithographed steam passenger set in original box. The locomotive is in pieces and looks like it could have enough parts to be reassembled. Includes baggage car and two 2nd and 3rd class coaches as well as straight and curved track. the OB is worn with loose corners on the lid and some corner damage to the box bottom but does still have the dividers. The label on the lid is exceptional. Sold as-is as seen in the photos with no returns.
- 349** Bing O gauge 8-wheel New York Central passenger cars, includes two 205 coaches and a 425 baggage / mail car, C6.
- 350** American Flyer prewar tin litho coaling station with legs, very scarce accessory but the legs have been bent to suit the past owner as they should be straight, C6+ otherwise.
- 351** Bing 4-wheel O gauge New York Central and two unmarked passenger cars to include two 501 baggage, 528 coach and 529 observation cars as well as unmarked green and red 2nd class coaches.
- 352** American Flyer prewar O gauge No. 16 steam passenger set in original box. set includes No. 16 locomotive that is missing the drive rods, 120 tender, 1200 baggage and two 1201 passenger cars, track, switches, transformer and track clip as well as a partial original catalog that shows a smaller version of this set inside. the original box is worn with split corners on the lid which has no markings other than "Mail Service of The House of fashion GIMBEL BROTHERS Philadelphia, PA. Trains are C6 to C7 and the track is exceptionally clean.
- 353** Large group of European unmarked coal tenders with a few locomotives. Includes a larger locomotive and two other small ones as well as two larger tender and eight smaller ones. None of them are definitively marked. Sold as-is as seen in the photos with no returns.
- 354** Grouping of Bing and other European O gauge tin lithographed freight cars to include three unmarked tank cars and a flat car with stake sides as well as Bing stock car, hopper, dump car and coal tender. The cars are generally in the C6 area.
- 355** Group of Bing and other European tin trains and parts to include three passenger cars, a beer car, crane car, gondola, locomotive and two tenders. Also included are a tank car and covered gondola with no wheels or axles. Sold as-is as seen in the photos with no returns.
- 356** Group of Bing, Bub, Jep and Fleischmann tin train stations, platforms and a manual crossing gate. Sold as-is as seen in the photos with no returns.
- 357** American Flyer prewar wide gauge rolling stock to include 4018 boxcar, 4017 gondola and 4011 caboose, C6. Also includes a 4644 locomotive frame and shell but no chassis.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 358** Group of American Flyer prewar and postwar track and accessories to include a beautiful 586F wayside station with original box and a couple figures and a cart which do have some wear, 596 water tank with control button, 681 straight track in OB, 2218 block signal in OB with contactor, 2020 water tank in a nearly complete OB and a beautiful 1250 transformer in OB. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 359** American Flyer prewar O gauge steam freight set to include a 2-4-2 steam locomotive with tender, 3015 boxcar, gondola, lumber car and cabooses, C6.
- 360** Lionel prewar O 299W City of Denver chocolate and yellow pass set boxed. Includes a 636W powered unit, two 637 coaches, 638 observation car and three 636T vestibules as well as track and 166 whistle controller. Trains are C6 with C6-vestibules. The 636W YC box is complete and clearly marked but the other boxes are very worn with all end flaps missing. Set box has two split corners and graffiti on the top, the label is legible but does have quite a bit of wear.
- 361** Large group of American Flyer O gauge locomotives and tenders for parts or restoration. Sold as-is as seen in the photos with no returns.
- 362** Lionel prewar accessories to include 115 station, C7, 438 signal tower, C6, and 435 power station, C6.
- 363** Four large American Flyer prewar station accessories to include two different freight stations with cranes, freight station with shed, light and semaphore and a central Station. Sold as-is as seen in the photos with no returns.
- 364** Hornby O gauge tin lithographed steam passenger set to include a clockwork type M-1 locomotive, 3435 tender, and three Pullman cars named Marjorie, Aurelia and Viking, C6.
- 365** Group of European O gauge trolleys for parts or restoration, the largest and smallest are actually floor toys. Sold as-is as seen in the photos with no returns.
- 366** Hoge and Ives prewar tin litho passenger trains to include Tom Thumb railroad 881 locomotive, 881 observation car and a Tom Thumb power house transformer. Ives items include a 3258 locomotive that needs to be reassembled, 552 parlor and 558 observation cars. Sold as-is as seen in the photos with no returns.
- 367** Hoge No. 900 streamlined articulated train set in a rough original box with an original instruction sheet and a reprinted 1936 catalog. The set includes a No. 900 locomotive, passenger coach, observation car and two vestibules, C6. The OB is all here but will need extensive repairs to have it all together and presentable. the instruction sheet has some edge wear but looks very nice otherwise. the catalog is a reprint but still neat and great for reference.
- 368** Consoli Family Train Company reproduction W.C. & E. cast aluminum Burlington Zephyr set in original box. Includes a motor, with locomotive shell, vista dome car, two coaches and an observation car as well as an original instruction sheet from the Western Coil & Electrical Co. and two of the paper vestibules. Trains are C7, vestibules are not torn, OB has a nice label. Also included is a matted and framed reproduction poster / price list.
- 369** Two Bing prewar hand decorated and lithographed stations, both are missing the insulators from the roof, C6.
- 370** BLZ France 761 transformer and steel rail track with wooden ties to include 16 curve, 8 straight and a set of manual switches with metal fatigue on the frog of one switch and the other frog disintegrated from fatigue. Not certain how old these tracks are but they have a strange similarity to Lionel T rail but they do not bolt together.
- 371** Lionel prewar O gauge 045 Automatic Gateman in original box, C8, but missing the special track section. OB is a brick with a perfect and bright label on one end. The label was put on sideways so that if the box stamp on the side is right side up, the top of the box is still sealed and the label is sideways. Includes two original instruction sheets, one is 45N-1 35M-3 -37 while the other is 45-50-22M-1-36.
- 372** Lionel Postwar O gauge 2530 baggage, 2531 Silver dawn observation, 2532 Silver Range vista dome and two 2534 coaches in original boxes. Non matching set, some with round head rivets and others with glued on plates. The OBs are generally worn but do have original inserts and original wrap for each car.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 373** Lionel prewar standard gauge 083 traffic signal and 080 semaphore, C6 with no fatigue.
- 374** Kasiner O gauge sleeper and All nation State of Maine boxcar kits in original boxes. Both kits date from the 1950's and are C8-9 and unbuilt.
- 375** Prewar items including T Reproductions 438 signal tower in original box with a few pin sized paint chips, American Flyer bell ringing crossing signal, and reproduction golden TCA 50th lamp post. Sold as is shown in the photos.
- 376** Carlisle & Finch No. 3 Coal Mining Train for restoration. Includes a locomotive that has been repainted and might have been resoldered at the joints. The three ore cars are in decent shape but one will need two nails to hold the hopper to the frame. Sold as-is as seen in the photos with no returns.
- 377** Group of Carlisle & Finch wooden track ties to include 20 wide ties and 23 thin ties that are for curves. Sold as-is as seen in the photos with no returns.
- 378** Rare Carlisle & Finch No. 3 Mining Train original wooden box with label. The box does have some splitting to the wood but the pieces that split fit right back into where they belong. The label was damaged by the splitting of the wood but is still legible for the majority of the text. There is no lid to accompany the box. Measures 9 1/2 x 9 x 7 1/2 inches. Sold as-is as seen in the photos with no returns.
- 379** Karl Bub tin mechanical B&O passenger train in original box. The set includes a clockwork 0-4-0 steam locomotive with B&O tender and two passenger coaches as well as track, track locks and a pair of switches, C6. The OB is worn with all of the sides of the lid missing but the lid has a beautiful and perfect label.
- 380** Bing 70/55/1 Cinematography in original box with three films that are labeled A. H. K. motion picture films, two are western and one is comedy. The projector is in fabulous condition and has a new cord going to the light inside. It is untested and may be missing a spool on which to catch the played film. There are partial instructions but they are printed on very thin paper that is browned and brittle. The original box is in fantastic condition with a perfect label. Overall appears to be C7 or better but we are not projector experts.
- 381** Group of Occupied Japan tin trains with locomotive marked EB5873 on the sides. Loco is missing four nuts to hold the shell onto the frame. Also included are six passenger cars, tank car and a flat car. Trains are all C6 unless otherwise noted.
- 382** Lionel Postwar O gauge 497 coaling station and 175 rocket launcher parts, two 157 platforms (one modern era), two 26 bumpers, boxed 310 billboard set and ramp and cattle for a 3656 stock yard set. Sold as-is as seen in the photos with no returns.
- 383** Lionel Postwar O gauge 197 radar antenna and 253 block signal in original boxes. Both are complete with the exception of a rubber foot from the 197 and C7 with original instruction sheets. Both original boxes are complete but do have some shelf wear.
- 384** Marklin O gauge steam passenger set to include an electrically powered steam locomotive with R 919/0 tender, 18740 third class coach and 18750 baggage car, C6.
- 385** Large Bing cast iron steam locomotive and six-wheel tender. Loco is 8 3/4 inches long and is mechanically powered but untested. Both pieces have some surface rust that should clean up.
- 386** Group of European tin O gauge train cars to include seven Bing, on Bub and one unmarked cars. The lone passenger car is the Bub piece and the gondola with doors on the sides is unmarked. These are all in the C6 range.
- 387** Group of eleven tin European O gauge rolling stock to include Bing, fandor and unmarked pieces. All are in C6 range. The roof to the crane car is loose because the tabs to hold it in place are broken off.
- 388** Nine Issmayer O gauge passenger car and a tender. None are marked but most appear to be Issmayer except four which are probably Bing, they have embossed frames whereas the other are just plain flat stamped steel. They all fall in the range of C6.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 389** American Flyer prewar O gauge steam freight set to include a 5640 4-6-4 Hudson steam locomotive with a missing boiler front and a twelve wheel New York Central tender with no missing or damaged steps. Freight cars to include 486 hopper, 476 gondola, 478 boxcar and 484 cabooses. Everything is C6 unless otherwise noted. The loco is really nice outside of the missing boiler front.
- 390** Four Bing O gauge ticket dispensers and a destination board, two of the dispensers still have some tickets in them and the destination board works but has a loose glass window, C6 to C7.
- 391** American Flyer prewar O steam passenger set to include a 2-4-0 steam locomotive with a missing drive rod on one side but very nice otherwise and a nice caboose. Also includes two Pullman and observation cars, all illuminated. Sold as-is as seen in the photos with no returns.
- 392** Group of prewar American Flyer and Ives cast iron locomotives with tenders. Includes Ives 1118 electrically powered with No. 17 tender. American Flyer locos are unmarked and one tender is marked 120. Sold as-is as seen in the photos with no returns.
- 393** Bing O gauge mechanical zeppelin toy, the clockwork is not operating properly but is complete, C6+.
- 394** Group of Lionel prewar O gauge rolling stock to include 2679 boxcar, 807 caboose, 2682 caboose, 2677 gondola, 2755 tank car and 3659 dump car, C6.
- 395** Group of Boxed American toy train items to include Lionel, American Flyer and Ives. Lionel items include 89 flag pole, four 480-32, 671-75, 703-10, two 453-48, 28-3, 41, L51, L432(R), 3927-50 and a box of connecting ties. American Flyer items include a 424 rubber sleepers and a set of 688 switches. The remainder includes and Ives 203 transformer, General Models Mac handcar and Borgfeldt Mainliner rubber railroad ties. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 396** Lionel prewar O gauge boxed 1073E set with extras. Set includes 1668E steam locomotive with 1689T in gunmetal, 1679, 1680, 1682, two 1690 and 1691. They have a film of a very sticky substance on them which I can only assume to be nicotine, otherwise C6. OBs are worn and set box is missing both outer flaps.
- 397** Group of Lionel prewar O gauge rolling stock with three original boxes. Includes 803, 806, two 902, 257T, and three 1689W. OBs are for 902, 806 and 265T. Sold as-is as seen in the photos with no returns.
- 398** Large group of Lionel and American Flyer original catalogs, most in good to very good condition. Includes some reprints and many originals.
- 399** Group of Lionel Postwar O gauge parts, wrapping paper and instruction sheets. Possibly 30 original instruction sheets, three pieces of tape repaired wrapping paper and some loose parts. Sold as-is as seen in the photos with no returns.
- 400** Group of toy and train collecting books to include 13 hard and soft cover books, all in very good to excellent condition. Also includes a few smaller catalogs.
- 401** Seven past auction catalogs including Noel Barrett Ward Kimball 1 and 2 from 2004 and 2005, three Selzer catalogs and a Sotheby's catalog, all full color and in nice shape. Great for reference or just to look at.
- 402** Large group of Railroad books including Train Wrecks by Reed, several books by Beebe & Clegg. Eleven books in all with ten being hardbacks with dust jackets, good to very good condition.
- 403** Six model and toy trains hardback books, four by Louis Hertz, four of the books have dust jackets, all are good to very good.
- 404** Nine German toy trains reference books covering manufacturers such as Marklin, Bing, Bub and Carette. Includes five hardback (four with dust jackets) and four soft cover books. Very good to excellent condition.
- 405** Nine toy and train collecting hardback books, eight with dust jackets and one in a hard sleeve, very good to excellent condition.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 406** Ten Lexikon Historisches Blechspielzeug hardback reference books to include Band I.1.A., I.1.B., I.1.C., I.1.D., I.2.A., I.2.B., I.2.C., II.1.A., III.1.A and IV.1.A. These cover toy trains mostly but later catalogs include tin toys. Manufacturers from Germany and other European countries are the focus. All ten are in excellent condition but none have dust jackets.
- 407** Eight Lionel and Ives toy train collecting books, four with dust jackets. Three collecting books written by McComas and Tuohy, the other by a TCA book committee and the last by Gerard Robinson. Three operating and repair books include two Greenbergs. All in very good to excellent condition.
- 408** Twelve Greenberg's Guides to include five different Lionel, four different American Flyer, two different Ives and one book containing information on Carlisle & Finch, Hafner and Dorfan. These are all in very good to excellent condition, seven are hardback and five are soft bound.
- 409** Large group of British toy train collecting books to include manufacturers such as Hornby and Bassett-Lowke and an A-Z book of British tin toy manufacturers. Includes all hardbound books, four about Hornby and three about Bassett-Lowke. All but two have dust jackets and one of the two has a hard sleeve. All in very good to excellent condition.
- 410** Four Marklin, Bing and other train collector reference hardbacks as seen in the photos. The red cover Marklin book is a soft cover, the other three are hardbacks. All four are very good to excellent.
- 411** Nice group of Bing toy train reference books to include three large hardback books including the 1898, 1906 and 1912 catalogues as well as soft bound books with such manufacturers as Marklin, Doll, Tipp Co and others. All are in very good to excellent condition.
- 412** American Flyer prewar O gauge streamline set stripped and plated. A neat set but not original and missing any decals or markings. Sold as-is as seen in the photos with no returns.
- 413** Group of Lionel American Flyer and Dorfan empty boxes. Lionel boxes include 179 set box and 671, 1684, 2555, 601, 6417, 2654, 603 and 604 component boxes. Other boxes include two Dorfan and two American Flyer set boxes, the 1221 box has some switches and a transformer inside but the bottom is not original, just the lid. Sold as-is as seen in the photos with no returns.
- 414** Group of Bing, Hornby and Bub empty boxes. Bing boxes include one very nice set box numbered 5139 with dividers and track inside and another set box in rough condition with illegible label but both have great labels on the lid. Bub box is very plain with a simple label Nr 1910/0/124. The Hornby boxes are all for components and include 42146 low sided wagon, 42135 crane truck, 42155 gas cylinder wagon and A825 with accessories inside. Sold as-is as seen in the photos with no returns.
- 415** Tin mechanical European toy train set in original box. No markings at all on the train except for Germany on the removable pilot. Includes locomotive, tender and passenger coach as well as four curved sections of track, C7. OB is complete with three split corners on the lid and dividers in the base.
- 416** Bing tin O gauge station with glass overhang, one of the overhang supports is loose, the fence on the left side is missing and the insulators from on top are missing. Sold as-is as seen in the photos with no returns.
- 417** Bing tin O gauge station with a missing glass overhang, one of the overhang supports is loose but still here to be reattached, the fence and insulators are intact but there is considerable paint wear. Sold as-is as seen in the photos with no returns.
- 418** Ives standard gauge 113 tin lithographed station with painted roof and base. The walls are a fantastic C7-8 but the roof is C6 and the base is C5 due to almost all of the paint missing.
- 419** Five Marklin O gauge rolling stock train cars to include an early gondola with coal load, middle period gondola with paper label underneath and later items to include a gondola and two flat cars with what is likely a modern lumber load spanning the two cars, C6

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 420** Bing O gauge telegraph station with side canopies. Missing the eight poles to support the two canopies but the fence and removable insulator are present. There is some paint wear but the station still looks nice, the base is bent pretty badly and is very dirty with some paint missing. This is an electrically illuminated piece that also has candle holders inside. Sold as-is as seen in the photos with no returns.
- 421** Bing tin lithographed passenger and freight stations. Both are very nice with great graphics but the freight station is missing a chimney. The passenger station measures 14 1/2 x 6 1/2 x 6 1/2 inches. Both are C6.
- 422** Grouping of tin European semaphores and a pedestrian bridge. Sold as-is as seen in the photos with no returns.
- 423** Group of Bing Bub and Fandor tin trains to include Fandor crane car, two Bub covered gondolas with brakeman house and Bing items to include two covered gondolas and a flat car with chains that may be a lumber car, C6.
- 424** Two Bing standard gauge globe street lamps for parts or restoration. Includes three original and two reproduction globes and all other original parts. Sold as-is as seen in the photos with no returns.
- 425** Group of prewar tin European toy train street lights. Four are complete and one of the four has quick connect ends on the wires. The two tallest pieces are for parts or repair and one is marked Bing and has a cast iron base. Sold as-is as seen in the photos with no returns.
- 426** Bing O gauge 7102, 18 volt electrically powered, 0-4-0 steam locomotive and tender, C6.
- 427** Eight Bing and Fandor O gauge tin trains to include an unmarked tank car with a wooden frame, go with wooden sides, explosives boxcar, wine barrel car that could be Bing or Bub, Fandor gondola with missing stakes and cover, stock car, dump car and lumber car. All Bing unless otherwise noted. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 428** Bing 4-4-0 clockwork, 2663 steam locomotive with six-wheel tender, C6.
- 429** Five large boxes full of Lionel Postwar O gauge empty boxes. Includes all types of boxes in various states of condition ranging from excellent all the way down to poor. Many are missing flaps as seen in the photos.
- 430** Group of prewar American Flyer O gauge trains to include 3110 and 3107 electric locomotives, two tenders, 1109 sand car, 1116 Chicago Burlington and Quincy sand car, 3046 lumber car and a crane car with cast iron derrick and boom. Sold as-is as seen in the photos with no returns.
- 431** American Flyer prewar Empire Express set in original box. Set includes a clockwork steam locomotive with a home made key, but the loco does work properly, tender and one coach, C6 Also includes eight sections of curved mechanical track. The OB has been repaired by adding additional cardboard material to the inside to stiffen the boxes and the ends were added to the lid. The insert divider is not original.
- 432** Mint sealed MTH 116 White/Red passenger station, the tape is slightly lifting off of the sides on the ends but it was never opened, C9-10.
- 433** Group of Lionel Postwar O gauge accessories to include 30 water tower, 195 flood light with red stamp underneath, 450 signal bridge, 252 crossing, two green 395 floodlight towers and a red 494 beacon, C6.
- 434** BLZ Paris France O gauge locomotive and 2 cars to include a wine keg car and a lumber car, C6.
- 435** Large group of Bing and others O gauge train crossings with gates. Some are complete while others are for parts. Most are in nice shape but being sold as-is as seen in the photos with no returns.
- 436** Large group of European tin train semaphores and cranes for parts, repair or use in current condition. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 437** Large group of tin and cast iron steam locomotives and tenders to include mostly European trains but also includes an American Flyer locomotive and two tenders. European manufacturers are represented by Bing, Bub, Marklin and Fandor. Sold as-is as seen in the photos with no returns.
- 438** Group of European O gauge tin train accessories, most are marked Bing, one is Kibri and three are unmarked, nice condition, overall in the C6 area.
- 439** Huge group of prewar O gauge trains for parts or repair, includes American and European manufacturers. Some items better than others but a great lot nonetheless. Sold as-is as seen in the photos with no returns.
- 440** Group of prewar German O gauge accessories for restoration. Sold as-is as seen in the photos with no returns.
- 441** American Flyer prewar O mechanical Hummer set in original box. Includes steam locomotive that has a complete mechanism but does not operate properly, No. 50 tender and Hummer coach as well as four curved sections of track, C6. OB is complete with water stains and faded graphics and two split corners on the lid.
- 442** Group of train toys and unmarked O gauge trains such as an Arcor rubber train with steam locomotive, gondola, dump car and caboose and Hoge streamline observation car. Also included are what could possibly be folk art army cannon car and an articulated passenger set with an extra set of trucks. Both of these items have wood as components of their manufacture. Sold as-is as seen in the photos with no returns.
- 443** Nine 1950's Japan composition buildings and businesses to include RR station, store, Tel. office, baggage room, two Banks and a gasoline station. The largest is 6 3/8" long and the shortest is 3 7/8" wide. The R.R. station is missing almost the entire back due to damage but the rest are C7+.
- 444** Lionel prewar O gauge 1548 whistling passenger train in original box. Set includes a steam locomotive with whistle unit that is not working properly (but may with a little work), tender, two coaches and an observation car as well as eight sections of curved track, C6. OB has two split corners on the lid and none of the original dividers inside the box.
- 445** Group of Jep tin toy train cars and accessories to include three passenger coaches, bridge with approaches, rheostat and two tin stations. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 446** Group of American prewar O gauge toy trains to include four cast iron steam locomotives, two tenders and two Empire express coaches, C6. Three locos are electrically powered and one is mechanical, the tenders include an Ives No. 11 and an American Flyer 121.
- 447** Group of prewar European and other tin train accessories to include mostly O gauge items but there are two larger items that appear to be home made but may have been manufactured by a toy maker. The items are largely unmarked but a few items are marked Hornby or Bing. Generally C6 with a few a little better and a few a little worse.
- 448** Group of Bing and other tin rolling stock for parts or restoration to include primarily passenger coaches but one Pennsylvania caboose that is missing the cupola roof is included. Sold as-is as seen in the photos with no returns.
- 449** Group of American Flyer prewar and postwar accessories to include a postwar S gauge log loader with controller. The rest are prewar items and include three O gauge stations, water tank and block signal. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 450** Group of Bing and other prewar tin rolling stock to include all O gauge items such as seven passenger cars, three flat cars, caboose and a tank car, generally in the C6 range.
- 451** Four Bub and Bing clockwork steam locomotives with two tenders. One is marked KBN and two are marked Bing but the tallest locomotive is unmarked. The two larger locomotives work properly, the smallest is missing the spring and the repainted one needs a very small key. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 452** Two Bing electric steam locomotives with 1012 tenders. Both are C6 but may have some old paint touch ups.
- 453** Group of Built Rite small buildings and No. 202 Train Scenery set. The small buildings are all HO scale or smaller but the scenery set is meant to be used with O gauge trains. C6.
- 454** Group of small tin toy train cars and accessories highlighted by Bub pantograph clockwork trollies and other various clockwork locomotives and cars. Mainly European but the Unique control tower is an American item. Sold as-is as seen in the photos with no returns.
- 455** Group of Britains lead and plastic farm animals and accessories. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 456** Group of 50 Britains and other lead figures for O gauge layouts, includes some with moveable arms, all vintage. Sold as-is as seen in the photos with no returns.
- 457** Group of 43 Britains and other lead figures for O gauge layouts. all vintage, no reproductions. Sold as-is as seen in the photos with no returns.
- 458** Group of composition and Lincoln Logs figures. Includes six unmarked, one Elastolin and one Lineol figures as well as ten Lincoln Logs figures. Sold as-is as seen in the photos with no returns.
- 459** Nice group of vintage lead benches and accessories to include carts, wheel barrows, luggage and various wood a slush barrels. Also includes a plastic parking meter.
- 460** Nice group of lead winter figures and accessories to include skiers, skaters, sledders and seated folks as well as a sleigh. Sold as-is as seen in the photos with no returns.
- 461** Two vintage lead and cast iron horse pulled toys. Both are unmarked, the medical wagon is missing a small piece and we are unsure if the horses are original to the piece which is 8 inches long. The other car has a cast iron horse and a pressed steel cart and is 7 3/4 inches long. Sold as-is as seen in the photos with no returns.
- 462** Group of Pride Lines and other modern O gauge lead figures and accessories, all in great shape, C7-8.
- 463** Two Lehmann Rigi toys in OBs 900E electric and 9000 manual. Both have been used but are complete and in nice shape with manuals and nice original boxes, C7.
- 464** Five European tin train station accessories, none are marked and the largest one is missing the opposite side that would be attached with metal rods and could have had a track piece as well. Sold as-is as seen in the photos with no returns.
- 465** Unmarked European tin windmill with hammer steam toy, possibly, Bing or Doll Et Cie. The top of the windmill has some repairs but otherwise a fantastic toy. Base measures 10 x 5 5/8 inches, stands 9 inches tall, C7.
- 466** Group of European tin train accessories and parts to include three bumpers, gantry crane, Bing turnstile, crossing bell and shack with semaphore as well as several loose insulators. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 467** Beautiful Fandor tin lithographed train station, base measures 7 3/8 x 3 1/4 inches, stands 5 inches tall, C7+.
- 468** Nice group of Bing prewar tin train accessories to include a pedestrian bridge, water tower, airplane accessory tower but no airplane, stationary crane and a larger than standard gauge mail box. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6 to C6+ with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 469** Unmarked European tin lithographed train accessory with semaphore and bell ringer. The semaphore is manually operated, the bell ringer is automatic but is not currently working properly and the lower rail on the fence is missing. The base measures 10 1/4 x 5 7/8 inches, stands 11 3/4 inches tall, C7.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 470** Seven European tin lithographed O gauge accessories to include one track end bumper, two freight stations, two passenger stations, ticket office and a large house. Sold as-is as seen in the photos with no returns.
- 471** Early Marklin O gauge hand painted passenger platform, no missing parts and minor paint wear. One sign is marked Ausgang the other is marked Kein Durchgang, C7.
- 472** Seven European tin lithographed train accessories to include three small houses, one with a wind up bell inside that is actuated with the presence of a train on the track, three freight stations and a news stand. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 473** Scarce early Bing rheostat with two original lamps, likely missing wires with two plugs, C6+.
- 474** Bing Kibri & Fandor O gauge accessories to include three news stands and two rolling news carts, breakfast kiosk, cigarette kiosk, men's restroom and passenger station. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 475** Group of five tin lithographed O gauge buildings to include two Chein stations, Bing passenger platform and two unmarked items, one being a public restroom and the other is a small embossed station. The restroom item has some issues and the Bing items is missing two roof finials, overall C6-7.
- 476** Three European tin lithographed bridges with approaches. Includes one trestle bridge marked Bing with a nearly identical one with only Bing markings on the track, those two share one set of approaches. the other small bridge with approaches is for two rail mechanical trains since it is not insulated. Overall C6 on all parts included.
- 477** Three tin lithographed O gauge bridges with two sets of approaches. One bridge has a piece of Ives track and two unmarked approaches, another bridge is missing the track but is marked Bing underneath with two rail approaches and the last one has a piece of Bing track but no markings otherwise and no approaches. Sold as-is as seen in the photos with no returns.
- 478** Bing standard gauge trestle bridge with approaches, C6+.
- 479** Group of Lionel Postwar O gauge rolling stock with some original boxes to include two 6561, 3451, 6424, 6415, 6445, 2420, 6362, three 6456, a badly damaged glossy 6456 with yellow lettering and a 3462 with a missing axle and two wheels. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 480** Group of Hornby O gauge trains and track bumper to include three mechanical and one electrically powered steam locomotives, two tenders, two gondola Esso oil barrel flat car and Fyffes banana car. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 481** Bing and Marklin gauge 1 rolling stock to include a Marklin goods wagon and a Bing tipping lithographed coal car, C6-.
- 482** Group of Bing O gauge rolling stock freight to include three covered gondolas Pennsylvania Coal & Coke Co hopper, 75880 tipping car, gondola with brakeman's house, stock car, two tank cars, beer car and an unidentified car with four opening doors on each side but missing two latches on one side. All eleven are in the C6 range.
- 483** Ten nice Bing O gauge passenger cars to include four New York Central cars, two Pennsylvania cars and four unmarked cars. All ten fall into the C6 range.
- 484** Three Bing O gauge electric locomotives, two are 3238 New York Central center cabs. one is missing a pilot and everything from the roof, the other is unmarked. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 485** Five Germany tin lithographed passenger cars including one Bub Pennsylvania Lines coach and four other unmarked cars, C6.
- 486** Group of prewar metal and paper mache O gauge tunnels. One is made by Marklin but the rest are unmarked. Sold as-is as seen in the photos with no returns.
- 487** Lionel Postwar O gauge dealer service ST-311 wheel puller with two steel pins, C7.
- 488** Lionel Postwar O gauge 602 Seaboard and 622 Santa Fe NW-2 switchers, C6.
- 489** Lionel 224 2-6-2 and 736 2-8-4 steam locomotives with 2046W and 6466 tenders. Locomotives are C6, 2046W is missing a step and the 6466 is missing the whistle unit.
- 490** Lionel modern O gauge 2360 Pennsylvania GG1, C7.
- 491** Lionel Postwar O gauge 2046 4-6-4 Hudson and 221 2-6-4 steam locomotives with 2046W and 221T tenders, C6.
- 492** Lionel Postwar O gauge 3927 track cleaning car with two original bottles and 68 executive inspection car, C6.
- 493** Group of Lionel Postwar O gauge rolling stock to include 671 tender with no whistle unit, two 6414 with reproduction autos, 6464-525, 6457, 2461, 3462, 3359 and 6175. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 494** Group of Lionel prewar and postwar accessories and parts. Prewar items to include 91 circuit breaker, 57 street lamp, 69 crossing bell, 58 street lamp and 76 signal. Postwar items include 313 Bascule bridge, 456 coal ramp, 397 coal loader 415 diesel fueling station and parts to a 175 rocket launcher. Sold as-is as seen in the photos with no returns.
- 495** Lionel prewar steam locomotives and tenders to include 225E 2-6-2 with 2235W, 289E 2-4-2 with 1588W and 1688E 2-6-2 with non-whistle sheet metal tender, C6.
- 496** Lionel Postwar O gauge 6100 series flat cars, one light gray, one dark gray and one red and two 6362 wheel cars one with serif and one with sans serif lettering, C6-7.
- 497** Group of tin train accessories for parts or restoration to include a standard gauge American Flyer station, Bing tin lithographed station and other items. Sold as-is as seen in the photos with no returns.
- 498** Marx tin lithographed O gauge Commodore Vanderbilt mechanical train set plus Hubley and Manoil diecast cars and a set of toy boulevard lamp posts in original box, C6.
- 499** Group of Flex-I-Track boxed items to include self setting switches, viaduct elevated crossing and a nice roll of boxed track as well as several rolls of loose track, C7-8.
- 500** American Flyer prewar O gauge Hiawatha steam passenger set to include steam locomotive and tender plus non matching 1205 baggage and two 1306 passenger coaches, C6.
- 501** Entire table full of toy train parts, accessories and track. Includes two Lionel Z prewar transformers, lots of clean O gauge track, some standard gauge track, lots of original and some reproduction parts, an entire tackle box full of repair tools as well as modern collectibles and layout scenery and a boxed Hornby HO scale train set. Approximately 200 lbs of various prewar, postwar and modern items. Sold as-is as seen in the photos with no returns. The lot is extremely large and heavy and is therefore for pickup only.
- 502** Lionel prewar and postwar O gauge tinplate passenger cars to include 2440, 2442, 6440, 6441, 2642 and 2643. Sold as-is as seen in the photos with no returns.
- 503** Lionel Postwar O gauge steam passenger set to include 681 steam turbine, 2046W Pennsylvania tender, 2421, 2423 and 2429 passenger cars, C6.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JUNE, 2015

- 504** American Flyer prewar O gauge Mystic station with crane and a smaller suburban station, C6.
- 505** Lionel prewar O gauge steam passenger set in original boxes to include 259E 2-4-2 steam locomotive and 259T tender, two 607 Pullman and 608 observation cars in peacock blue. One roof is missing a screw and the boiler domes have dents, C6. OBs are square and solid but missing flaps and have tape repairs.
- 506** Group of Lionel Postwar O gauge flat cars to include two 6511, 6800, 6801, 6804, 6806, 6807, two 6808, 6809, two 6819, 6821 and 6175. Some are missing wheels and is is missing an entire truck assembly. Sold as-is as seen in the photos with no returns.
- 507** Lionel prewar O gauge 264E Commodore Vanderbilt with 257T tender, 653 hopper, 654 tank car and 620 floodlight car with three worn original boxes. Loco, tender and floodlight car are C6, the other two are C6-.
- 508** Lionel prewar O gauge boxed accessories to include 56 and 58 lamp posts, 025 illuminated bumper and 83 traffic crossing signal, C6 with worn OBs.
- 509** Large group of Lionel prewar O gauge rolling stock and 2 locomotives with two worn original boxes. Includes a restored 248 and original 253 box cab electric locomotives, 529, 530, three 806, 804, three 831, three 807, three 804 and 902. Sold as-is as seen in the photos with no returns.
- 510** Minty boxed Lionel prewar O gauge lamp posts to include two 53 in C9-10 and a 58 in C7+, all three have nice original lamps and the box
- 511** Two American Flyer prewar O gauge 724 Army unloading cars in original boxes that are correctly marked on the ends. One has a sticker with yellow lettering on the black frame and the other has a decal with silver lettering on the yellow tray. Both boxes are correctly marked and have one sealed end. One box includes three thin inserts and one with a hole in it. The other box has only one thin insert. Both include a track section and one has a control button and a track connector. Both Tootsietoy armored cars are original, one is gray with silver painted guns, the other is painted silver with red guns, one has flat spots on the tires, the other has a wobbly rear tire. Overall C7-8 on these sets.
- 512** American Flyer prewar O gauge passenger set to include 1218 center cab, 1200 baggage and two 1201 coaches, C6.
- 513** Nice Lionel Postwar O gauge ZW transformer in original box with inserts and original instruction sheet, C7-8.
- 514** Lionel prewar O gauge accessories to include 438 signal tower, 157 station platform, 160 mottled coal bin and 106 bridge with approaches, C6.
- 515** Lionel Postwar O gauge 0470 missile platform, 6448 exploding target boxcar with very worn original box, and 3830 Submarine flat. C6-7.
- 516** Lionel Postwar O gauge TCA and LCCA early freight cars. Includes TCA 6464-1970 with original box, 6436-1969 TCA hopper with original box, two 6167-1967 TTOS hoppers, TCA 6464-1965 boxcar a bit of light rust on door guides, 6464-1971 TCA Disneyland boxcar, 9701 LCC 1972 double door boxcar, and 6017 1968 TTOS Boston and Maine caboose. Trains are in C7+ to nice C8 condition with the exception of the mentioned rust on the door guides. Boxes complete with all flaps attached, hopper box has some crush damage. Great group of club cars.
- 517** Lionel Postwar O gauge passenger cars including 2442 Clifton vista with original box, two 2446 Summit observations, and 2423 Hillside observation. C6-7 no major chips, cracks or breaks on the cars. Box has all flaps attached.
- 518** Lionel Postwar O gauge 2331 Virginian FM Trainmaster diesel locomotive. Typical screw cracks, one screw in the rear is larger than an original. Clean battery compartment. Lower C7 condition.
- 519** Lionel Postwar O gauge operating cars including 6550 missing missile, small winder 3419 broken brake wheel, good tail rotor on copter but broken windshield, small winder 3419 broken tail rotor, small winder 3419 replacement tail rotor, 6448 missing pin, 6470 with damaged sides, 6448 missing one side, and small winder 3419 without chopper. Sold as is shown in the photos with no returns.
