

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 801** Marx and Hafner tin O gauge trains to include two electric M10000 Union Pacific articulated sets, a loose 556 caboose with plastic wheels and a four piece Hafner mechanical tin lithographed steam freight set, C6.
- 802** Nice American Flyer O gauge mechanical passenger set to include a cast iron steam locomotive, limited tender, two 515 coaches and 513 observation cars, C6+.
- 803** Four nice boxed tin lithographed toys to include Playland Express (Taiwan), clockwork Ice Cream vendor (China), battery operated lighthouse (Japan) and mechanical vacationland express (Japan). Toys are C7-8 with two nice and two worn boxes.
- 804** Ives O gauge orange & black electric 482 passenger set in original box to include 3261 box cab electric locomotive, two 133 parlor cars and 134 observation car, C6. Set box is complete with split corners and a tear down the middle of the flap with the label.
- 805** Three Chad Valley Wee Kin tin clockwork toys in original boxes to include Cable Layer, Low Loader and Police car, C7-8. All three boxes have wear but one is missing several end flaps from one end. There is only one key between the three toys.
- 806** Lionel prewar O gauge passenger set in Terra Cotta with yellow trim. Includes 248 box cab electric locomotive 529 Pullman and 530 observation cars, C6.
- 807** Group of Cragstan and other tin mechanical trains in original boxes, C7-8 with some nice and some worn OBs.
- 808** Lionel prewar O gauge dark green passenger set to include 152 electric locomotive, 629 Pullman and 630 observation cars, C6.
- 809** WOW! Mint boxed Argo Industries 36" tin lithographed aircraft carrier in original box. It was opened but nothing appears to have been disturbed, we are not removing the contents for fear of not being able to get it back into the box. What I can say is that the packet of screws and nuts is unopened. Overall C8-9 with a nice OB that is still sealed on one end.
- 810** American Flyer prewar tin lithographed The Comet streamlined set to include powered and observation cars and three coaches, C6.
- 811** Three Modern Toys tin lithographed toy trains, made in Japan. Includes a Special Giant Western battery operated locomotive and tender, in original box, B/O 4287 Overland Express loco and a friction Animal Express trolley. The first two are C7-8, the last one is C6-.
- 812** American Flyer prewar O tin lithographed Burlington Zephyr articulated set to include powered unit, three coaches and an observation car. the observation car is missing the coupler pin on top, C6+.
- 813** Small group of Unique Art and China tin lithographed trains. Includes Unique steam locomotive, tender, hopper and caboose with some straight track in rough OBs, C7-8 as well as three made in China tin lithographed friction trains in nice boxes, C8-9.
- 814** Lionel prewar O gauge 260E steam freight set to include 260E steam locomotive with a green frame and matching tender, 812 gondola 814 boxcar, 815 tank car, 816 hopper and 817 caboose with brass trim and copper journals except for the boxcar, which has nickel journals. Set is C6 to C6+ and does have some loose or missing stanchions.
- 815** Three Cragstan tin lithographed battery operated train sets in original boxes, MADE IN JAPAN, C8.
- 816** Lionel prewar standard gauge green passenger set to include 318E electric locomotive, 310 baggage/mail car, 309 Pullman and 312 observation cars, C6.
- 817** Irwin Military Pool set in original box with three battery operated plastic vehicles, original instructions and insert, C8. OB is missing a small piece from the side and has two split corners.
- 818** Lionel prewar O gauge steam freight set to include 204 steam locomotive with 02689WX tender in gunmetal, 652 gondola with barrels, 654 tank car and 657 caboose, C8+. Couplers don't match

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 819** Marx and Saunders plastic friction cars to include Military Police and Police squad cars, C7+.
- 820** Lionel prewar O gauge 1666E steam locomotive freight train to include 1666E steam locomotive with whistle tender in gunmetal, 2679 boxcar, 2680 tank car and 2682 caboose, C6.
- 821** Small group of vintage die cast Hubley and Dinky trucks to include a Hubley cement mixer with a few small paint chips and one large paint flake, otherwise C7+, three Dinky Bedford refuse wagons and an unmarked Cities Service oil truck, all C6.
- 822** Lionel prewar O gauge 136 steam passenger set boxed. Set includes 259 steam locomotive with tender, 6298 Pullman and 630 observation cars as well as a large group of track, C6. Set box has three split corners and the inner boxes are square but worn.
- 823** Fantastic Wyandotte pressed steel moving van No. 453 in original box, C8. The OB is missing the end flap and an inner flap from one end and has other storage wear but displays nicely.
- 824** American Flyer prewar O gauge "The Potomac" 1344 set boxed. Set includes 3116 electric locomotive, 3180 Club, 3181 Pullman and 3182 observation cars as well as track, C6 to C6+. Set box has graffiti on the sides but has a perfect label and one split corner as well as four nice inner boxes with some wear.
- 825** Sixteen mint Lido hard plastic trucks for O gauge to include six pickup trucks, two convertible sedans, four fire trucks and four oil delivery trucks, C9. These are all 6 inches long.
- 826** American Flyer prewar O gauge 1307 passenger set in original box. Set includes a beautiful 3020 4-4-4 box cab electric locomotive, 300 RPO and two 3001 Illini Pullman cars as well as two track sections and a mail pickup set with five mail bags, C6+. Set box has shelf wear with two split corners but does have two labels that are not perfect but mostly intact.
- 827** Great group of boxed Marx HO train sets and accessories to include two switcher and one steam freight sets as well as two carded dead end bumpers, two carded Santa Fe boxcars and a carded billboard set, C7. The sets include track and some other small accessories but don't necessarily have complete correct lineup of rolling stock.
- 828** Lionel Postwar O gauge 1121 diesel freight set in original box to include 633 Santa Fe switcher, 6825 flat car with trestle bridge, 3349 turbo missile car, 6057 caboose, track, transformer and camtrol as well as two crisp instruction sheets, C8. The OB is in fantastic condition with all inserts and minor shelf wear.
- 829** Vintage Jean Hoffler Shell Gasoline tin lithographed toy in original box, complete and working, C7. OB is water stained but complete with tape repaired corners.
- 830** Lionel Postwar O gauge 98 passenger set boxed in Mojave to include 253 box cab electric locomotive, two 610 Pullman and 612 observation cars and an 88 rheostat, C6. Set box has label skinning but the set number is clearly legible, no split corners and all inner boxes plus a couple extras.
- 831** Mint sealed Hubley Flying Circus in original box, C9-10. There is one small hole in the shrink wrap, the planes are both perfect.
- 832** Rare uncataloged Lionel prewar O gauge 5229E Macy's freight set boxed. Set consists of a nickel trim 261E steam locomotive with brass plate tender and 804 tank car, all with nickel journals. The rest of the cars have mixed nickel and brass trim with copper journals and include 809 dump car, 805 boxcar, 831 lumber car and 807 caboose. The set also includes an 020 crossover, two loose 88 controllers and a track power clip. Trains are C6 range, set box is fantastic with original shipping label from R. H. Macy & Co. Inc. 34th & Broadway, New York. The box label is complete and all there but does have old tape residue over two areas but nothing close to the set number. It was likely given as a Christmas present in 1938 as it was delivered on November 30th.
- 833** Schuco Varianto Elektro 3010-T set in original box with four different separately boxed vehicles. Set looks to be unused and includes several pieces of paperwork. The box measures 20 1/2 x 12 1/2 inches and is 3 3/4 inches deep.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 834** Lionel prewar standard gauge 352 Peacock passenger set boxed. Set includes 10 electric locomotive, 332 mail, 339 Pullman and 341 observation cars, C7. Set box is worn with set label missing, inner OBs are all complete and properly labeled.
- 835** Mint boxed Ohio Art #88 Barn set with animals, C9. Set was never assembled and includes all box dividers but no instructions are included. The set box is clearly labeled and was shipped directly to the consumer.
- 836** Lionel Postwar O gauge 1629 diesel set in original box to include 225 Chesapeake and Ohio Alco, 6650, 3419, 6470 and 6219 Chesapeake and Ohio work caboose.
- 837** Yonezawa 940 Ferry Boat tin lithographed toy in OB. Set comes with ferry boat, automobile and light house with a clockwork key, C9 unused in a nice box with some storage wear.
- 838** Lionel Postwar O gauge 11530 diesel switcher set in original box to include, 634 Santa Fe switcher, 6014 boxcar, 6142 gondola with canisters, 6402 flat with cable reels and 6130 Santa Fe work caboose, C6. Set box is nice but missing the side insert and has graffiti on the top of the lid.
- 839** Group of tin lithographed toys in rough original boxes to include a Superior service station and a Marx service station. Nice shape but completeness could not be verified. Both boxes are in poor condition.
- 840** Lionel prewar O gauge 292 passenger set boxed. Set includes 248 box cab electric locomotive, 629 Pullman and 630 observation cars in red with yellow accents and nickel trim, C6. Set box is clearly labeled with no split corners but wear to side label. The inner OBs are worn with some missing flaps.
- 841** Mint boxed Ohio Art 614 Alpine Express mechanical toy, C9. The original box is really nice but has two small tears just behind the buses.
- 842** Ives standard gauge 701 passenger set in original box to include a 3242 New York Central electric locomotive, 184 Club, 185 Parlor and 186 observation cars as well as a number of SG track sections. Loco has a few small paint chips and is C6, the passenger cars are C7. Set box has all dividers inside but the lid has nearly one entire side missing and many tape repairs.
- 843** Technofix 300 Alpine Express and 303 Cable car in mint condition in original boxes, C9. Both original boxes are in great shape.
- 844** American Flyer prewar O gauge 547 heavyweight passenger set in original box to include a 564 4-6-4 steam locomotive with twelve wheel New York Central tender, 521 Club car and two 524 Pullman cars, C6. The loco has four wheels that have material loss from severe fatigue, most of the wheels are nice. The set box lid is very nice and the base has all of the dividers but has no track or transformer.
- 845** Group of various Japan and other tin lithographed toys to include ATC turntable train, Ohio Art traffic control, Automatic alpine express and Woodhaven twin train set. All four are C8-9 with very good to excellent OBs.
- 846** American Flyer prewar O gauge Hiawatha streamlined pass. set with original boxes to include 1682 2-4-2 steam locomotive, 1683 tender (no box), 1640 observation and two 1641 passenger cars, C6. Also includes twelve curved and two straight four rail track sections with fairly flat fibreboard bases. The boxes are in great shape and are all correctly stamped but there is a 642-OP that actually goes to a Hiawatha sheet metal loco / tender.
- 847** Group of four Marx Lionel and Schilling plastic toy trains. Lionel items include happy huff 'n Puff and Gravel Gus, both mint and sealed, Schilling locomotive, tender and passenger car but no track, C6, and two Marx Guid-a-train sets, one unused, both C8.
- 848** Lionel prewar standard gauge 350 set boxed. Set includes 8 box cab electric locomotive in maroon and green 31 and 36 Pullman and observation cars. The 36 is missing the screw to hold the roof on, otherwise C6+. Set also includes a nice group of original track. Set box is really nice with one repaired corner and nearly complete labels, the bottom has all dividers firmly in place.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 849** Four Unique Art Rock Island diesel locomotives to include one dummy and three powered units. One of the powered units has a loose rear truck and is missing part of the bracket inside and the dummy has a badly damaged pilot, C6.
- 850** Lionel prewar standard gauge 10E Peacock passenger set with original boxes to include 10E electric locomotive, 332 RPO, 339 Pullman and 341 observation cars, C6 loco, C6-7 cars. All four OBs are correctly marked P. Blue and in nice shape.
- 851** Entire box full of tin, die cast and plastic toy trucks and trains to include some wind-up mechanical toys and a few friction. Sold as-is as seen in the photos with no returns.
- 852** Fantastic Lionel prewar standard gauge Baby State Set with crisp original boxes. Set includes 318E electric locomotive, C7 due to a few small scratches, 309 Pullman that looks C8+ from the sides but has several spots on the roof of faded paint, 310 RPO and 312 observation cars that are C8. The OBs are all complete and crisp, the passenger car boxes are marked Ivory Brown on one end and are absolute bricks, the loco box was opened from both ends and has two areas of surface wear.
- 853** Great group of vintage plastic toys and trains with some original boxes to include an Ideal train set, No. 2 Junior Erector set, a few small train accessory layout pieces like animals and street lights, 1980's carded Army vehicles and others. Due to the size we will not be able to ship this lot, pick up arrangements may be made after the auction. Sold as is.
- 854** Lionel prewar standard gauge olive green 347E passenger set boxed. Set includes 8E box cab electric locomotive, 337 Pullman and 338 observation cars, C7. Inner boxes are very nice while the set box is complete with damage to the side label and a very faded top label. Includes a pair of prewar manual switches.
- 855** Group of tin lithographed toys with some boxes, incomplete and for parts. Most is really clean but just incomplete. Sold as-is as seen in the photos with no returns.
- 856** Ives Gauge II 1076 steam passenger set boxed. Set includes an expertly repaired 2-4-2 1134 steam locomotive that has had the drive wheels replaced, #40 tender, 184 Club, 185 Parlor and 186 observation cars as well as track, track locks and two track power clips. Trains are C6 unless otherwise noted. Inner boxes are mostly complete but there may be an inner flap or two missing. All boxes are correctly marked as well. the set box is complete and in great shape but does have a couple minor water stains on the lid.
- 857** Brumberger and Sakai toy train items in original boxes. The Brumberger set is C8-9. The Sakai items include two block signals, two semaphores and a crossing danger signal. The boxes have wear and missing flaps but the accessories are C7-8.
- 858** Lionel prewar standard gauge 363E steam freight set boxed. Set includes 390E steam locomotive, 390T tender, 511 lumber car, 513 stock car, 514R reefer, 515 white tank car, 516 hopper and 517 caboose. The stock car is an extra and was not originally included in the set and there is no box for it in the lot. Loco has a loose front railing but all four stanchions are here to reattach it. Loco frame is badly warped and it has been equipped with an on/off switch inside the cab. The rest of the set is C6 to C7. Set box is complete with nice labels but has one tape repaired corner on the lid. the inner boxes do have some wear and may be missing an inner flap or two but every box is correctly marked and all end flaps are intact. the loco box has a small chunk missing from one of the top outer flaps.
- 859** Boxed Midgetoy, Matchbox die cast trains and Ideal talking train. The three Midgetoy and single Matchbox train sets are all mint in unopened packages, the Ideal talking train is in nice shape but does not make any sound when cranked, C8.
- 860** Lionel prewar O gauge 182E steam passenger set to include 225E 2-6-2 steam locomotive and 2265W tender in gunmetal, 2600 Pullman, 2601 observation and 2602 baggage cars, C6.
- 861** Box full of vintage Tootsietoy and others die cast toy trains. Most are Tootsie but there are some Barclay and other unmarked slush items as well. Sold as-is as seen in the photos with no returns.
- 862** Ives Railway Lines SG boxcar in yellow with light green roof, very nice car, all original, C6+.
- 863** Large group of loose Marx O gauge train accessories to include pressed steel, tin lithographed and plastic items. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 864** Lionel prewar standard gauge Mojave passenger set to include 10 electric locomotive, two 337 and 338 observation cars, C6.
- 865** Dinky 785 service station kit in original box, C8-9. Small parts for assembly inside box are still sealed in a small plastic bag. Very nice OB.
- 866** Lionel prewar O gauge dark green passenger set to include 250 electric locomotive, 629 Pullman and 630 observation cars, C6. Loco has a latch coupler and the two cars have slot and tab couplers.
- 867** Group of boxed Dinky small accessories to include 754, 010, 771, 750 (12c), 49D, 768, No.1 station staff and 780. The 780 set is complete but missing the insert. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 868** Lionel prewar O gauge steam freight set to include 263E steam locomotive and 263W tender in gunmetal, 810 derrick crane, 812 gondola, 3859 dump car and 817 caboose. All cars have nickel trim and nickel journals, C6 to C7.
- 869** Nice group of boxed and loose Marx toys to include 6021 irrigated garden set, 6652 guid-a-track set, highway and right-of-way traffic signs, dollhouse family, farm animals & fowl and others. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 870** Restored Lionel prewar standard gauge 402 E 0-4-4-0 electric locomotive in Mojave, looks C7. All wheels are modern replacements.
- 871** Nine Minitoys die cast sets in original boxes to include three sign sets, two station sets and four street and park sets. Two of the older set boxes are very worn but the pieces insides are generally C7-8.
- 872** American Flyer prewar O gauge 9900 Burlington Zephyr cast aluminum set to include 9900 powered unit, REA mail / baggage, coach and observation cars, C6-7.
- 873** Vintage cast iron & tin litho banks and tin box. Cast iron bank is labeled Ideal Safe Deposit, tin is Marx Get Rich Quick bank and the last item is only marked underneath, made in Czechoslovakia and looks like a cigarette box that holds the cigarettes individually in each compartment. Sold as-is as seen in the photos with no returns.
- 874** Ives 810 tin lithographed Suburban trolley, C6 and appears to have a repainted roof. It has a damaged coupler on one end and is missing a rivet holding the pilot in place on one end.
- 875** Large group of boxed Marx O gauge accessories to include several water tanks, two whistling stations, girder bridge, railroad platform, two telephone pole sets, plastic railroad station, grade crossing and other loose, unboxed items. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 876** Lionel prewar O gauge Mickey Mouse hand car, leg material has disappeared but the springs are still intact. The rest of the figures are in great shape as is the car itself, C6-7.
- 877** 1930's Wolverine Gee-Wiz horse racing game in original box, C7-8. OB is in great shape but the bottom has a split corner. the Stanley cast metal surrey is C9 with original divider in the box.
- 878** Marx Bunny Express tin lithographed O gauge train set. Includes a great looking bunny with replacement eyes but does include an original eye with the attached metal wire. The cars have a film of surface rust on the wheels and axles and there is some paint loss on the inside of all three, C6 to C6+.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 879** Group of Marx universal airports service stations & freight stations with three original boxes. Includes one of each box but a total of six toys. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 880** Lionel prewar O gauge City of Portland aluminum set to include 752E powered unit, 753 coach and 754 observation cars, only includes one vestibule, C6-7.
- 881** Group of boxed Authenticast die cast toy sets to largely include road and railroad signs but also includes a set of billboards and a few figures. Includes 16 different boxes in all. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 882** Early Lionel Postwar O gauge steam freight set to include 221 2-6-4 steam locomotive with 221W New York Central tender, 2411 flat car with original pipes, 2458 Pennsylvania boxcar and 2472 Pennsylvania caboose, C7.
- 883** Nice group of mixed boxed toys and train scenery to include Testors Sprite Special, Campbell steel fence, I deal garage with 2 cars, Hardy stage coach (missing horses), Bluebird lead car, Star Hobby billboards, small plastic airplanes and ships, Marx chicken coop, Skyline miniature freight set, two Glyntoys gate units and Lincoln station figures. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 884** Lionel prewar O gauge peacock blue passenger set to include 253 box cab electric locomotive with a damaged coupler and a missing headlamp due to fatigue, also includes two 607 Pullman and 608 observation cars, C6 unless otherwise noted.
- 885** Great group of boxed Marx O gauge plastic buildings to include two different barns, two different churches, ranch house, airport, colonial house, diner, two different service stations, school house, police station, fire house, army barracks, general store, supermarket and chicken coop. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-8 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 886** Lionel prewar O gauge Flying Yankee set to include 616 powered unit, two 617 coaches and 618 observation car as well as three 616T vestibules, C6.
- 887** Nice group of boxed Marx HO scale train accessories to include 6454-A block signal, two 7425 crossing watchman, two 7438 crossing gate, 7421 crossing flasher and 7439 semaphore. All are C8-9 in very nice original boxes.
- 888** Lionel prewar standard gauge 402 electric locomotive in Mojave, C6 with original drive wheels.
- 889** Great group of boxed Marx O gauge plastic buildings to include two different barns, two different churches, ranch house, service station, fire house, army barracks, general store, supermarket and chicken coop. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-8 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 890** Lionel prewar O gauge blue comet passenger set to include 226E 2-6-4 steam locomotive, 2226W tender, 2615 baggage, 2613 Pullman and 2614 observation cars, C7.
- 891** Group of various loose plastic and die cast toy vehicles to include such manufacturers as Irwin, Ideal, Hubley, Tekno, Matchbox and Ralstoy. Sold as-is as seen in the photos with no returns.
- 892** Lionel prewar standard gauge orange 710 Pullman car, C6-7.
- 893** Great group of boxed Marx O gauge plastic buildings to include two different barns, two different churches, ranch house, airport, colonial house, two different service stations, school house, fire house, army barracks, general store, supermarket and chicken coop. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-8 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 894** Lionel prewar O gauge 226E steam locomotive and 2226W tender, . Tender is missing the draw bar but the set is C7 otherwise.
- 895** Great group of loose and boxed Tootsietoy items to include several Greyhound buses, one with a nice original box that is sealed in cellophane but the bus is loose, Sinclair and Shell oil trucks, oil tanker truck, Buck Rogers battle cruiser and a few empty boxes to include a nice Fire department but missing the insert. Also includes four matchbox cars with original boxes to include 6,10, 11 and 21.
- 896** Hornby British Railways tin lithographed clockwork steam passenger set to include an 82011 steam locomotive, baggage and two first class passenger coaches, C6.
- 897** Nice group of Hubley, Schuco, Marx and Maxwell toy cars. Hubley items include boxed 455 sports car (clear green interior that has trouble staying in place due to shrinkage) and 460 stake truck, Schuco 1046 VW micro racer, Maxwell Mini Indian Oil tanker and a loose Marx tricky taxi. All are C8-9 and the boxes are very nice.
- 898** American Flyer prewar wide gauge 4010 tank car, C7 but with one missing stanchion.
- 899** Marx plastic ranch houses and churches in original boxes. Includes three houses and two churches. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-8 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 900** Fantastic Lionel prewar 763E Hudson and 2226WX tender. All original set and gorgeous, C8 locomotive with C7+ tender.
- 901** Dinky 551, 50098 and 27H trade boxes with contents. Includes three 951 trailers, one 40D Austin Devon Saloon and four 322 Disc harrows. The boxes are nice and complete with minor storage wear, the models range from C8-9.
- 902** Restored American Flyer wide gauge 4675 steam locomotive and tender set to include 4692 loco and 4693 tender, all wheels and linkage on the loco have been replaced and the front steps appear to be new. The tender is still all original and does have some paint chips but still looks great. Loco is missing one roller from the pickup collector underneath. Loco looks C8, tender is C7-.
- 903** Mint boxed Dinky 430 breakdown lorry and 432 Guy flat truck, C9 with very nice boxes.
- 904** Lionel prewar O gauge 2226W twelve wheel tender, C7.
- 905** Boxed Dinky Supertoys to include 511 Guy 4-ton lorry, C7. and 562 dumper truck with insert, C9, in early boxes and a Dinky Toys 25x breakdown lorry, C9. Boxes are in nice shape with minor storage wear.
- 906** Lionel prewar standard gauge No. 2 Electric Rapid transit trolley, all original but missing a lot of paint and sold as is as seen in the photos with no returns.
- 907** Dinky Toys 401 fork lift truck, C8 with two small paint chips, and 25x breakdown lorry, C9, in original boxes. The 401 box has water stains and the 25x has surface wear from storage.
- 908** Lionel prewar O gauge 226E steam locomotive with 2226W twelve wheel tender. Loco is C6-7 but may clean up to be a little nicer, tender is C7.
- 909** Dinky Toys 511 Guy 4-ton lorry, 522 big Bedford lorry, 533 Leyland cement wagon and 555 fire engine with extending ladder in original boxes. Trucks are C7-9 and the four boxes are all in nice shape with some shelf or storage wear.
- 910** American Flyer prewar O gauge red passenger set to include 3100 box cab electric locomotive, 3141 coach and 3142 observation cars, C6.
- 911** Dinky Toys 514 Slumberland Guy van in original box, C7 due to several very small paint chips but looks fantastic from an arms length away. The OB is very nice with minor surface wear.
- 912** Lionel prewar standard gauge passenger set to include 1835E steam locomotive, 1835T tender, 309 Pullman, 310 mail and 312 observation cars, C6 loco and tender with C7 cars.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 913** Two Dinky 581 horse box trucks in variation original boxes. Includes a regular dark blue box and also a light blue box with H Hudson Dobson sticker. The Dobson box still has the original inserts with a C8-9 truck, the other box has some surface wear and includes a C7 truck.
- 914** Gorgeous Lionel prewar O gauge 763E Hudson with 2226WX tender in original boxes. Loco is absolutely stunning with the original black satin finish but it has been run as evidenced by the residue on the collector, C9 although the two outside jewels are missing from the marker lights. The tender is equally nice but does have some oxidation on the draw bar, C8-9. Loco OB is sealed on the label end and is complete with original insert. the box for the tender is missing one end flap and has quite a bit of shelf or storage wear but mainly on one long edge.
- 915** Mint boxed Dinky Supertoys 36A and 36B Willeme tractors with trailers, C9. Both original boxes are very nice and the 36B includes a damaged original insert. Both are marked Made in France.
- 916** Lionel prewar standard gauge 402E locomotive in Mojave, C6+. Scarce example with E stamped on the door and with chemically blackened rims on the wheels that are correct period wheels. Likely has replacement headlight castings and whistles.
- 917** Boxed Dinky Supertoys 948 McLean tractor trailer, C9 other than paint loss at the fifth wheel area where it has rubbed. Includes original insert in a beautiful box.
- 918** Fantastic boxed Hornby Dublo OO EDP11 Silver King pass set, No. 30011. Set includes 60016 4-6-2 steam locomotive with British railways tender, E45402E and E42759E passenger cars. loco and tender are painted with decals, passenger cars are tin lithographed. Also includes track and some instruction sheets in a very nice box although the lid has a split corner and partial side.
- 919** Mint boxed Dinky Supertoys 982 Pullmore auto transport and 893 Unic Sahara tractor, C9-10. The 982 includes a boxed 994 loading ramp, all are C9-10 with very nice boxes.
- 920** Lionel prewar standard gauge dark olive green passenger cars to include two 18 and 19 Parlor cars and 190 observation car, C6.
- 921** Boxed Dinky Supertoys construction equipment to include 961 blaw knox bulldozer with one melted track and one missing track, 962 dumper truck, C6, and 965 Euclid rear dump truck that would be C8 were it not for the number 51 marked onto the door of each side of the truck. All three boxes are in nice shape and include original inserts.
- 922** Lionel prewar O gauge semi scale freight set with 226E steam locomotive, 2226W tender, 2954 Pennsylvania boxcar, 2955 Shell tank car, 2956 Baltimore and Ohio hopper and 2957 New York Central caboose, C7.
- 923** Dinky Supertoys 961 Blaw Knox bulldozers in red C7 due to damaged tracks, and in yellow with insert, C9, 972 20-ton lorry-mounted crane, C8, and Dinky 752 goods yard crane with insert, C9. All in original boxes that are very nice except the 972 box which has a lot of surface wear.
- 924** Lionel OO scale two rail matched set to include super detailed 003 5342 Hudson steam locomotive, 003W New York Central tender, 0045 Shell and 0015 Sunoco tank cars, 0044 Pennsylvania boxcar, 0046 Baltimore and Ohio hopper and 0047 New York Central caboose, C8. The tender will need to be rewired as the insulation is brittle and cracked.
- 925** Dinky farm group to include 300 Massey Harris tractor, five 341 land-rover trailers, three 320 harvest trailers, two 319 weeks farm trailers, 321 manure spreader, 322 disc harrow, 324 hay rake. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 926** Exquisite American Flyer wide gauge Commander passenger set, 4654 box cab electric locomotive, two Bunker Hill Pullman and Yorktown observation cars, C8.
- 927** Mint boxed Dinky to include 131 Cadillac tourer, 141 Estate car, 405 Universal jeep, 436 Atlas Copco and 796 Healey sports boat on trailer. cars are C9-10 with very good to worn original boxes.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 928** American Flyer O gauge steam freight set to include 2-6-4 steam locomotive with sheet metal tender with whistle, boxcar, tank car, gondola and caboose, C6+.
- 929** Four boxed Dinky die cast cars to include 22A Maserati sport 2000, two 24Y Studebaker commander and 24J Alfa Romeo 1900 super sprint, C7-8 with nice OBs.
- 930** American Flyer Dominion Flyer Canadian National passenger set to include cast iron mechanical steam locomotive, 120 tender two 1107 coaches and 1108 baggage cars, C7-8.
- 931** Five mint boxed Dinky to include 132 Packard convertible, two 157 Jaguar, 167 A.C. Aceca coupe and 168 Singer Gazelle, C9-10. Obs are generally very good to excellent.
- 932** Rare Ives prewar tin lithographed O gauge Limited Vestibule Express set to include clockwork steam locomotive, LVE No. 11 tender, No. 50 mail / baggage car and No. 51 Hiawatha coach, C6-7.
- 933** Four boxed French Dinky to include two 70 trailers, 33A Fourgon Simca and 33B Benne Basculante Simca, C7-8 with two nice and two worn original boxes.
- 934** Lionel prewar OO scale 004 Hudson steam locomotive with 004W New York Central tender, C8.
- 935** Six boxed Dinky to include two 170 Ford Fordor sedan, two 172 Studebaker land cruiser, 173 Nash Rambler and 179 Studebaker president sedan, C7-8. Boxes are all excellent except one of the 172.
- 936** Hornby Dublo HO steam passenger set to include Duchess of Atholl steam locomotive, LMS six-wheel tender, two 45401 3rd class, 45402 3rd class and 42759 first class LNER passenger coaches, C6 to C7.
- 937** Five boxed Dinky to include three 531 Fiat 1200 and three 545 DeSoto Diplomat, C7-8. All boxes are complete but worn.
- 938** Hornby and other HO scale steam freight train to include Hornby Dublo HO 1215 4-6-2 steam locomotive, Canadian Pacific six wheel tender, gondola and flat car as well as built up scale boxcar, container car (missing the dome) and caboose. Kit cars are made mostly of wood but also have metal and die cast parts. Sold as-is as seen in the photos with no returns.
- 939** Mint boxed Dinky to include 532 Lincoln Premiere, 552 Chevrolet Corvaire, 582 Camionette de Depannage Citroen and 578 Benne Basculante Simca Cargo, C9. Boxes are very good to excellent.
- 940** Ives O gauge tin lithographed passenger set to include 3253 NYC & HR electric locomotive, 129 Saratoga observation and 130 buffet passenger cars, C6+.
- 941** Four Mint boxed Dinky die cast o include 173 Nash Rambler, 187 VW Karmann Ghia coupe and two 189 Triumph Herald, C9-10 with nice complete boxes with graffiti on one of them.
- 942** Fantastic Hudson Products reproduction Lionel prewar 700E steam locomotive with twelve wheel New York Central whistle tender, 3 rail operation, blind center flange, C8+ with low run time.
- 943** Five boxed Dinky to include two 169 Studebaker GHolden hawk with windows, two 191 Dodge Royal sedan with windows and 192 DeSoto Fireflite with windows, C8. Boxes range from good to excellent.
- 944** Marklin Ga. I clockwork B. 1021 steam locomotive and tender. Loco is C6 but tender is C4-5 due to massive paint loss and surface rust, it is in great physical condition and would be a great candidate for restoration. Loco includes original key and two lanterns that likely were once set on the front as marker lights.
- 945** Four boxed Dinky to include 250 Streamlined fire engine, 253 Daimler ambulance, 254 Austin taxi, two 260 Royal mail van and 261 telephone service van, C7-8. Boxes range from very good to excellent.
- 946** Marklin Gauge I medical wagon with window inserts that are orange and olive green, C7. All hand decorated and very clean.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 947** Four boxed Dinky die cast to include 257 Fire chief's car, two 258 USA police car with two different antennas and two 265 Plymouth USA taxi, C8. Boxes range from good to excellent.
- 948** Marklin Ga. I 11884 tin lithographed Class 1 and 2 coach, C6.
- 949** Four Mint boxed Dinky die cast to include two 148 Ford Fairlane with red and white interiors, 193 Rambler cross country station wagon and 195 Jaguar 3.4 saloon, C9-10. Boxes range from very good to excellent.
- 950** Marklin Ga. I lumber car, hand decorated with original chains but missing the connecting chain that goes between the two cars. Lumber load cannot be confirmed as original but the two cars are C7.
- 951** Seven boxed Dinky die cast to include 131 Cadillac, 169 Studebaker, 190 Caravan, 344 estate car, 414 rear tipping wagon, 492 loud speaker van and 796 Healy sports boat on trailer, C7-8. All boxes are worn and may have missing flaps.
- 952** Marklin Ga. I hand decorated stock car, looks C7 but has paint chipped from one corner of the roof.
- 953** Four mint boxed Dinky die cast to include two 190 Caravan in orange and blue as well as two 191 Dodge royal sedan, C9-10. Boxes range from good to very good.
- 954** Marklin Ga. I gondola with coal load, circa 1905-1907, hand decorated, C7.
- 955** Four Mint boxed Dinky die cast Caravan to include 117 and 188 four berth, 190 and 811 made in France with windows, C9-10 but the hitch on the green trailer has some kind of corrosion.
- 956** Adams & Son O gauge 3 rail 4-8-2 Santa Fe steam locomotive with tender, nice detail with scale coupler, incredible condition, kit built and only a few paint rubs or chips. Loco is 14 1/2 inches long and very heavy, likely made of brass. The tender is much lighter than the loco and likely die cast. A great pair as seen in the photos, C8.
- 957** Large group of mostly loose Dinky trucks to include two buses, six open bed trucks, two closed trucks, glass delivery and garbage trucks. Twelve trucks in all with three boxes included. Trucks are C6 area with worn original boxes.
- 958** Keystone Ride-em pressed steel steam shovel, C6 with two complete and one partial decals.
- 959** Keystone 6400 pressed steel Ride-em locomotive, all original C6-7.
- 960** Keystone Ride-em pressed steel 6500 gondola train car, looks C9 but could be a super restoration job. It fluoresces dark green under a blacklight. Sold as-is as seen in the photos with no returns.
- 961** Keystone Ride-em 1501 pressed steel Railway Express baggage car, C6. Car is 23 1/2 inches long.
- 962** 1940's Keystone pressed steel Ride-em fighter plane, all original, propeller turns and it makes a clicking sound when rolled, C6-7.
- 963** Vintage 1960's Murray pedal car, possibly restored but in exceptional condition with the exception of two missing katter pins, four missing hub caps and missing pedals, otherwise C8-9.
- 964** Restored 1962 Murray 500 Pace car pedal car, professionally restored to look C8.
- 965** Vintage Murray City Fire Department pressed steel pedal car with original ladders, C6-7.
- 966** Mercedes 190 SL pressed steel pedal car, modern manufacture, made in China, C8, could be missing two trim pieces from the rear quarter panels.
- 967** Original 1930's Garton Tin Lizzie pressed steel pedal car, looks like it its missing a few pieces, including the windshield, but is really nice otherwise, C6-7.
- 968** Original 1960's AMF convertible Pacesetter pressed steel pedal car, C8 but missing one hub cap.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 969** Classic Convertible Power Wheels electric car, C7 but missing the hood ornament.
- 970** Mint boxed Burns novelty Red Lion Speedway Special pressed steel pedal car, C9-10.
- 971** Mint boxed Burns novelty Police Car pressed steel pedal car
- 972** Fantastic Marx 3300 Ride-em fire truck in original box with inserts, C9. OB is very nice with one factory sealed end and the original wrapping for the ladders and other parts is still in the box.
- 973** Fantastic Marx 3290 pressed steel lithographed Ride-em Air Force truck in original box with original instruction sheet, C9. OB is very nice with one factory sealed end and the instruction sheet is folded but crisp and very white.
- 974** Mint boxed Smith-Miller Fred Thompson Mobil Oil tanker with styrofoam insert, C9-10.
- 975** Mint boxed Smith-Miller Fred Thompson Shell Oil tanker with styrofoam insert, C9-10.
- 976** Lionel prewar standard gauge dark green passenger set to include 380E electric loco, 428 parlor, 429 parlor combine and 430 observation cars, C6. 429 is missing both couplers.
- 977** Early Smith-Miller barrel delivery truck, fantastic condition but missing the original load of barrels, C8.
- 978** Lionel prewar O gauge orange passenger set to include 248 box cab electric locomotive, 629 Pullman and 630 observation cars, C6.
- 979** Original Smith Miller Bank of America armored car with lock, C7. Lock has BISON embossed on it and it includes the original key.
- 980** Lionel prewar O gauge orange passenger set to include 248 box cab electric locomotive, 629 Pullman and 630 observation cars, C7.
- 981** Smith Miller L Mack PIE semi tractor trailer, looks C7 but there are a few touch ups on the outsides of both fenders and old masking tape on the fifth wheel to probably keep it from scratching. Measures 28 inches long.
- 982** American Flyer prewar wide gauge green passenger set to include 4000 box cab electric locomotive, US Mail RPO and two America cars, one Pullman and the other an observation and both are illuminated, C7 loco with C6 cars.
- 983** Smith Miller GMC US Treasury truck, great looking truck that could possibly be a restoration but looks great if it is.
- 984** Lionel prewar 700E Hudson steam locomotive with New York Central whistle tender, great shape with only a few small paint chips here and there, looks great with original satin finish but is missing the chain and pin. The tender has fading lettering on both sides but one side is worse than the other, C7.
- 985** Smith Miller L Mack fire ladder truck, includes all ladders but the strings do have some issues but look like they are all there, C7. Includes a replacement hood ornament and a kit to restring the ladders.
- 986** Lionel prewar standard gauge peacock blue passenger set in original box to include 8E box cab electric locomotive, 332 railway mail, 339 Pullman and 341 observation cars, C6+. Set box is missing the side label and has tape repairs. Includes incorrect and worn olive loco box but two other correct boxes in nice shape.
- 987** Smith Miller L Mack lumber truck with trailer, has a replacement hood ornament, chains and also has some paint wear on the fenders but looks to have an original wood load, C6+.
- 988** Lionel prewar standard gauge green passenger set in original box to include 8 box cab electric locomotive, 332 railway mail, 337 Pullman and 338 observation cars, C7.
- 989** Smith Miller early GMC semi and flat bed trailer but missing the nose of the trailer. The cab has an unusual Burgundy paint and the whole set has the S-M hub caps, C7.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 990** Lionel prewar standard gauge steam passenger set to include 1835E steam locomotive, 1835W tender, 309 Pullman, 310 Railway mail and 312 observation cars, C6.
- 991** Early Ives LVE Limited Vestibule Express passenger set to include 1118 electric steam locomotive with No. 25 LVE tender, 129 Saratoga Pullman, 130 buffet combine and 131 baggage express US Mail cars, C6. The loco is missing the tow pin and the plate from one side as seen in the photos.
- 992** Smith Miller GMC Hollywood Film Ad truck and searchlight trailer, C7. Searchlight housing is likely a restoration or reproduction since it doesn't match the rest of the toy.
- 993** American Flyer prewar O gauge steam passenger set to include electric steam locomotive, 121 tender, 1108 US mail RPO, 1107 Pullman and 1107 observation cars, C7.
- 994** Smith Miller GMC PIE tractor trailer, original with rust on the hub caps, heavy rust on one side. Sold as-is as seen in the photos with no returns.
- 995** Lionel prewar standard gauge electric passenger set to include maroon 8 box cab electric locomotive, 31 combine Pullman / baggage and 36 observation cars in dark olive green, C7.
- 996** Beautiful original Tonka No. 5 pumper fire truck, the gauges decal is peeling on the right side but the truck is otherwise superb, C8+.
- 997** Lionel prewar O gauge 636W City of Denver passenger set in chocolate and yellow, includes 636W powered unit with a straight belly pan, two 637 coaches, 638 observation car and three vestibules, C6 to C6+.
- 998** 1960's Tonka dump truck and sand loader, C6.
- 999** Lionel prewar O gauge gray electric passenger set to include 251E box cab electric locomotive, two 605 Pullman and 606 observation cars, C6.
- 1000** 1955 Tonka Allied tractor trailer set with two different trailers, one is regular production and the other has a private label on the bottom for O.G. Roche Moving & Storage from Idaho, C6 tractor and C7 trailers. The Roche trailer is missing a door handle off of one door.
- 1001** Lionel Postwar O gauge steam passenger set to include gray 221 steam locomotive and 221T New York Central tender, two 2430 Pullman and 2431 observation cars, C7.
- 1002** Minty Lumar tin lithographed Army truck in original box with PL-383-10 soldiers in bag, C9, OB is complete and nice, sealed on one end and marked 1958. The sealed end does have graffiti indicating top, back and bottom.
- 1003** Ives standard gauge green electric passenger set to include 3235 box cab electric locomotive, 170 buffet / baggage combine and 172 observation cars, C6-7, exceedingly clean but has a few paint chips. Both cars are illuminated.
- 1004** 1950's Tonka No. 5 hook and ladder fire truck, extremely nice with the exception of a small amount of oxidation on the rear wheel wells and underneath the TFD decals, otherwise an exceptional example, C7+.
- 1005** Lionel prewar O gauge steam passenger set to include 258 steam locomotive with 262T tender, two 613 Pullman and 614 observation cars in Terra Cotta and maroon. C6 with several missing trim pieces and a missing coupler.
- 1006** Fantastic Tonka aerial sand loader with original hang tag instruction sheet, C8, original instruction sheet is complete but will need to be taped back together as it is in 3 pieces.
- 1007** American Flyer prewar wide gauge maroon passenger set to include 4019 box cab electric locomotive, US mail / RPO, American Pullman and America observation cars, C6.
- 1008** Seven Marx plastic buildings in original boxes to include service station, supermarket, realistic barn, plastic barn, two ranch houses and plastic church. Sets cannot be confirmed to be complete but most appear to be complete. Boxes range from very good to worn with tape repairs.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1009** Lionel prewar standard gauge Mojave electric passenger set to include 8 box cab electric locomotive, 337 New York Central Lines Pullman and 338 Lionel Lines observation cars, C6+.
- 1010** Seven Marx plastic buildings in original boxes to include three service station, supermarket, realistic church and two ranch houses. Sets cannot be confirmed to be complete but most appear to be complete. Boxes range from excellent to very good .
- 1011** Group of early Lionel prewar standard gauge freight cars to include ballast car and stock cars with embossed Lionel MFG CO NY underneath, ballast car is missing both couplers, the other three include 112 gondola, 114 boxcar and 117 caboose, cars range from C6 to C7.
- 1012** Five boxed Dinky die cast to include 178 Plymouth Plaza, 343 farm produce wagon in C7 as well as 25 O Camion Laiter, 411 Bedford truck and 796 Healey sports boat on trailer, C9-10. Boxes range from excellent to good.
- 1013** Lionel prewar O gauge orange passenger set with three original boxes, circa 1931 including; 9E electric loco with Bild-A-Loco motor, 429 Pullman/Baggage, 428 Pullman and a 430 observation. The cars have apple green inserts and doors and nickel journals, C6 to C6+. Original boxes include 428, 429 and 430. The boxes do have shelf and storage wear and may have inner flaps missing but all long flaps are intact.
- 1014** Six boxed Dinky die cast trucks to include 440 Mobilgas tanker, 443 National Benzole tanker, 450 Esso Trojan 15 Cwt van, 454 Cydrax Trojan 15 Cwt van, 455 Brooke Bond tea Trojan 15 Cwt van and Capstan Morris commercial van, C7-8.
- 1015** Lionel prewar standard gauge green state set with 3 boxes. Set includes a rewheeled 381E 4-4-4 electric locomotive, 412 California, 413 Colorado, 414 Illinois and 416 New York passenger cars, C6+ to C7. OBs include 412, 413 and 416 and they are worn with missing flaps and tape repairs.
- 1016** Six Mint boxed Dinky trucks to include 480 Kodak, 481 Ovaltine and 482 Dinky Toys Bedford 10 Cwt vans as well as 470 Shell, 471 Nestle and 472 Raleigh Cycles Austin Vans, C9-10. Original boxes range from good to very good.
- 1017** Lionel prewar 1912 0-4-4-0 electric locomotive, all original but missing most of the paint as seen in the photos. It is missing one coupler and the headlight, C5.
- 1018** Group of Dinky farm tractors and implements with 3 boxes to include two Massey Harris and one Massey Ferguson tractors, 322 disc harrow, 321 manure spreader, 428 farm wagon and an Aveling Barford steam roller, C6-8. Includes two worn 300 boxes and a manure spreader trade box with graffiti on top.
- 1019** Fantastic Lionel SG 1912 Special 0-4-4-0 locomotive with original thin rims, red painted ventilator flaps and grilles, wheels and pilots. It is equipped with everything that it would have originally had. It does have an original headlight but it currently has a reproduction in place. the body is in incredible condition with no damage on top of being exceptionally clean, C7+ body with C6 to C6+ chassis.
- 1020** Nice group of loose Dinky die cast automobiles to include three Volkswagen, Hillman Minx, Lagonda, Triumph, Hudson sedan, Studebaker Commander and DeSoto Fireflite as well as one 181 VW box in very good condition. cars are C7-8.
- 1021** Lionel prewar standard gauge thin rim 5 locomotive and tender, great shape but missing the head light and the connection from the back of the locomotive. Looks C7 but has aforementioned issues.
- 1022** Group of nine nice loose Dinky die cast automobiles to include two Studebaker, Buick Roadmaster and six different Ford sedan, C6-8.
- 1023** Massive English live steam Gauge III steam locomotive and tender. No manufacturer names or stamps on it anywhere, looks home made but it is a great looking piece, 4-6-2 steam locomotive made of copper or brass with cast iron wheels, tender is made of wood with pressed steel truck frames and cast iron trucks. Loco is 24 inches long and the tender is 14 inches long. Should run on 2 5/8 inch gauge track or what could also be referred to in different circles as gauge IIa or even gauge 8. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1024** Three Dinky Supertoys Foden trucks in original boxes to include two 905 Foden flat trucks with chains, one maroon and the other red and gray. Also included is a 941 Mobilgas Foden 14-ton tanker. Trucks are C6-7 range, boxes are nice but do have minor graffiti.
- 1025** Great group of American Flyer prewar wide gauge freight cars to include 4006 red hopper, 4017 gondola, 4020 stock car, 4021 caboose and 4022 lumber car with missing load, C7- to C7+.
- 1026** Group of 13 loose Dinky die cast vehicles to include a forklift, several cars including a police car and an El Camino, a jeep, a small truck and two BEV trucks, they range from C5 to C7.
- 1027** Lionel prewar standard gauge 392E with tender, both have copper and brass trim, C7.
- 1028** Dinky Pinder Super Circus Peugeot and trailer, complete and original, C6-7.
- 1029** American Flyer prewar O gauge electric passenger set to include MOTOR 1218 loco that is missing accessories from the roof, 1205 mail and two 1206 Seattle coaches, all adorned with Chicago Milwaukee & St. Paul RY herald, C6.
- 1030** Super Dinky 881 Pinder circus van in original box with insert. Extremely nice with one paint chip on the trailer. Includes all animals in their appropriate cages, C8. OB has shelf and storage wear but does include a very nice original insert.
- 1031** American Flyer prewar O gauge electric passenger set to include red 1218, 1205 mail and two 1306 passenger cars, C5-6.
- 1032** Dinky die cast Kodak Panhard, C6, Ever Ready Guy truck, C8, and ABC transmitter van, C7.
- 1033** Lionel prewar standard gauge 400E 2-4-4 steam locomotive with 400T tender, black with copper trim and brass journals in original boxes. Loco looks C7+, however, it has been entirely rewheeled and likely has replacement air tanks on the sides. Both OBs are in great shape and the insert is in the loco box, both have one sealed end as well.
- 1034** Dinky Supertoys Regent and Esso oil tankers. Regent Foden is C7, Esso Panhard is C6 and the smaller Esso truck is C7.
- 1035** Lionel prewar O gauge electric locomotives to include two each 152 and 154. Sold as-is as seen in the photos with no returns.
- 1036** Group of Dinky die cast cars and Dunlop tire racks to include six different Ford sedans, tow truck, two different Dunlop tire racks, one with tires and the other with some loose tires as well as 18 loose tires and an empty 10253 tires box. Items range from C6 to C7.
- 1037** Lionel prewar O gauge red passenger cars with aluminum roofs to include three 610 Pullman and 612 observation cars. Sold as-is as seen in the photos with no returns.
- 1038** Group of Dinky die cast trucks and bus to include four Trojan advertising trucks, Bedford dump truck, petrol oil truck, Aveling-Barford steam roller, fire truck and an older delivery truck. These all range from C7 to C8.
- 1039** Fleischmann O gauge mechanical steam locomotive with rolling stock to include passenger coach and two gondolas, C6.
- 1040** Three boxed Dinky Supertoys trucks to include 921 articulated lorry, 934 Leyland Octopus wagon and 980 horse van, C7-8. OBs are complete and generally nice but the 921 does have some dinginess.
- 1041** American Flyer prewar O gauge steam freight set to include 401 2-4-4 steam locomotive, 3189 tender, 3012 boxcar, 3006 lumber car with no load and an unnumbered caboose, C6-7.
- 1042** Group of Dinky die cast trucks and wagons to include two Leyland Comet, Guy, unmarked, Dodge, Fordson, Bedford, Berliet and two trailers, C7-8.
- 1043** Lionel Postwar O gauge electric locomotives to include light green 31, dark green 3251, peacock blue 3251 and brown 3252. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1044** Group of boxed Dinky Supertoys die cast to include 401 Coventry Climax fork lift truck, 958 Snow Plough and 960 lorry mounted cement mixer. All three are C8-9 with nice original boxes.
- 1045** Lionel Junior Postwar O gauge articulated passenger set to include 289E steam locomotive, whistle tender and three passenger cars. The couplers on the first passenger coach and the tender are both missing the tab making it impossible to link together, otherwise C6.
- 1046** Small group of loose and boxed Dinky die cast to include two 32c Esso transporters with one worn box, smaller Esso delivery truck, 319 Weeks tipping trailer and three 138 Hillman Imp, two in original boxes. The last four items are C8-9 while the first three are C6-7.
- 1047** Lionel prewar O gauge 752E aluminum City of Portland passenger set to include 752E powered unit, 753 coach, 754 observation car and two vestibules, C6.
- 1048** Vintage Dinky dealer / store display in nice shape. Cabinet measures 47 1/2" wide x 62 1/4" tall x 23 3/4" deep with the lower storage area being 27" tall. Due to the size we will not be able to ship this lot, pick up arrangements may be made after the auction. Sold as is.
- 1049** Lionel prewar O gauge steam passenger set to include 260E 2-4-2 steam locomotive, oil tender, two 710 Pullman and 712 observation cars, C6.
- 1050** Group of prewar cast iron toy fence with 2 gates. Fence stands 5 1/2 inches to top of finials. Includes fourteen 12" long sections as well as the four sections that the gate doors swing on, which are 8 1/4 inches long, C6-7.
- 1051** Lionel prewar standard gauge electric passenger set to include 33 electric locomotive and two passenger cars with embossed LIONEL MFG CO NY underneath, 35 Pullman and 36 observation, C6.
- 1052** Large group of O and standard gauge figures, luggage and freight accessories to include Japan composition and American lead figures, many wooden barrels of all sizes and some tin lithographed luggage pieces. Sold as-is as seen in the photos with no returns.
- 1053** Lionel prewar standard gauge late #40 passenger set in original box. Includes dark gray 38 electric locomotive, two 35 Pullman and 36 observation cars in dark olive, C6, also includes some straight and curved track. Set box is very worn with missing layers of corrugated but still has a discernible label.
- 1054** Group of O and S gauge lead and cast figures with some accessories. Sold as-is as seen in the photos with no returns.
- 1055** Lionel prewar O gauge team passenger set to include 262 2-4-2 steam locomotive with a slightly bent frame, 262T tender, 600 Pullman, 601 observation and 602 baggage cars, C6.
- 1056** Britains, Arcade and others cast iron and lead road signs and accessories. Lots of great stuff in this group. Sold as-is as seen in the photos with no returns.
- 1057** Lionel prewar O gauge electric passenger set to include 253 box cab electric locomotive, two 610 Pullman and 612 observation cars all with New York Central heralds, C6 loco with C6+ cars.
- 1058** Group of O and standard gauge lead winter figures with park benches, hand trucks and a Santa in a sleigh. Sold as-is as seen in the photos with no returns.
- 1059** Lionel prewar O gauge steam freight train to include 262 2-4-2 steam locomotive, 262T tender, 810 maroon and Terra Cotta crane, 812 gondola and 817 caboose, C6+.
- 1060** Group of Lionel by Johillco, Barclay and other lead figures some very nice and others with a lot of paint loss. Sold as-is as seen in the photos with no returns.
- 1061** Lionel prewar O gauge steam freight set to include 225E 2-6-2 steam locomotive, 2225W whistle tender, 2620 searchlight car, 3651 log car, 2654 Shell tank car and 2657 caboose with yellow window inserts. Loco and tender are C6+, cars are C6-7.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1062** Four antique porcelain jointed arm dolls. One small one marked Japan, two others marked Germany and the last has what may be fragile original clothing that is in the way of seeing what is marked on the back.
- 1063** Lionel prewar O gauge 238E Pennsylvania steam locomotive and 265W tender in gunmetal, C6.
- 1064** Group of vintage cast iron and die cast dollhouse accessories to include two Sally Ann sweepers, washing machine, toilet and stroller in cast iron. Die cast items are made by Tootsietoy and include a bath tub, toilet, scale, stool, hamper and vanity. Also included is a handmade wooden refrigerator. Sold as-is as seen in the photos with no returns.
- 1065** Joy Line cast iron and tin passenger set to include a working mechanical locomotive with missing identification plates, tender, two 357 coaches and 458 observation cars, C6.
- 1066** Group of Matchbox models of yesteryear, vintage Manoil and Midgetoy train die cast items as well as 20+ tin lithographed fence sections. Sold as-is as seen in the photos with no returns.
- 1067** Lionel prewar O gauge steam passenger set to include 261E steam locomotive with nickel trim, tender, two 607 Pullman and 608 observation cars, C7 loco, everything else C6.
- 1068** Antique merry go round / carousel cast iron still bank, has great original paint but is missing the plug, C7.
- 1069** Lionel prewar standard gauge electric passenger set to include 8 box cab electric locomotive, 337 Pullman and 338 observation cars, C6. Original boxes include a worn 8 and a nicer 337.
- 1070** Huge cast iron horse drawn fire ladder wagon, manufacturer unknown, over 31 inches long and 9 1/2 inches tall with figures.
- 1071** American Flyer prewar O gauge steam passenger set to include 2-6-4 steam locomotive and tender (loco has severe damage to the cab roof), three Pullman and observation cars, C6 unless otherwise noted. All four cars are illuminated and have curly Q couplers.
- 1072** Fantastic Keystone pressed steel wind up fire ladder truck with climbing tin lithographed fireman, C8+.
- 1073** American Flyer prewar O gauge steam passenger set to include 2-4-2 steam locomotive with tender, three Pullman and observation cars, C6. All four cars are illuminated and have slot and tab couplers.
- 1074** Kenton cast iron Overland Circus band wagon, nearly complete, only missing chain through horses, all original, C6-7.
- 1075** Lionel prewar O gauge New York Central electric passenger set to include 256 0-4-4-0 box cab electric locomotive, two 710 Pullman and 712 observation cars, C6-7 loco, C6 cars.
- 1076** Kenton cast iron Overland Circus calliope wagon, all original and nearly complete, just missing half of the chain through the horses, C6-7.
- 1077** Lionel prewar standard gauge maroon electric passenger set to include 380 electric locomotive, two 319 Pullman, 320 baggage and 322 observation cars, all with New York Central herald except for the baggage car, C6.
- 1078** Kenton cast iron Overland Circus cage wagon with polar bear, the two horse riders are reproductions, the string is broken and the chain is missing, otherwise C6+.
- 1079** American Flyer prewar O gauge tin lithographed electric passenger set to include 3113 box cab electric locomotive and unnumbered baggage, Pullman and observation cars, C6-7.
- 1080** Incredibly nice Kenton Overland Circus cast iron cage wagon, all original, only missing the reins, otherwise complete and C8+ and very clean.
- 1081** Lionel Postwar O gauge steam passenger set to include 224E 2-6-2 steam locomotive with sheet Metal tender in gunmetal, two 1630 Pullman and 1631 observation cars, C6.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1082** Lehmann Tut Tut tin lithographed clockwork, C7-8, works and bellows still blows a sound like a horn.
- 1083** American Flyer prewar wide gauge 4-4-2 steam locomotive with 4693 tender, looks very nice but the paint on the loco is starting to flake in very large pieces with three decent size pieces missing from each side already. Looks C7 but has noted paint issues.
- 1084** Lehmann balky mule tin lithographed clockwork toy, looks fantastic but the clockwork mechanism will need some work, the key has fallen out of place with the shaft it is mounted to but everything else is in place. Sold as-is as seen in the photos with no returns.
- 1085** American Flyer prewar O gauge tin windup Empire Express train to include red steam locomotive, Chicago and Northwestern tender and Empire Express tin lithographed passenger car, C6.
- 1086** Britains and Solido lead and die cast military items. Includes Britains troop transport and mobile cannon with original wheels, C6-7. Solido items include Berliet and Patton M-47 tank, C6+.
- 1087** Lionel prewar O gauge red lithographed The Mickey Mouse Circus train set no. 1536, circa 1935 containing; 1508 red 0-4-0 clockwork steam loco with nickel trim, 1509 Mickey Mouse stoker tender, 1536 band car, 1536 animal car and 1536 dining car. The loco and tender are C6- and the cars are C5-6.
- 1088** Buddy L Wild Animal Circus semi tractor trailer in original box. truck is in superb condition and includes all three original animals but is missing one door on the left side of the truck that goes to the Leo Lion cage, otherwise C9 with a nice box.
- 1089** Lionel Postwar O gauge steam freight set to include 260E 2-4-2 steam locomotive with oil tender, 810 derrick crane car, 811 lumber car, 812 gondola, 814 boxcar and 817 caboose, C6.
- 1090** Gorgeous 1950's Buddy L Builders Supply GMC stake truck with conveyor, C8-9.
- 1091** Ives standard gauge gray electric passenger set to include 3257R electric locomotive, two 141 Pullman parlor and 142 Pullman observation cars, C6 to C6+.
- 1092** Buddy L 3733 Army Transport with Howitzer and targets in original box with inserts. Truck and howitzer are C6 but the set is complete with the targets and five steel shots to shoot the targets down. Box is complete but has one loose end flap and one sealed end.
- 1093** American Flyer prewar O gauge electric passenger set to include 3110 loco, C6+, Great Northern mail car, Pullman and observation tin lithographed cars, C6-7.
- 1094** Group of hard plastic army trucks and armored cars, the trucks and single lowboy are unmarked, the two armored cars are Processed plastic and the tank is likely a modern reproduction, C6-7.
- 1095** Lionel prewar O gauge electric passenger set to include 254E electric locomotive, two 610 Pullman and 612 observation cars, C6-7. OBs have some tape repairs and have some missing inner flaps
- 1096** 1940's Wyandotte truck lines pressed steel truck, trailer is permanently mounted to the truck but does articulate to turn corners. All painted except a tin lithographed grille. There is some paint wear here and there but overall a great example, C6+.
- 1097** Lionel prewar O gauge Mojave electric passenger set to include 253 box cab electric locomotive, two 610 Pullman and 612 observation cars, C6-.
- 1098** Vintage Wyandotte Greyvan Lines pressed steel tractor trailer with 5th wheel, C6 to C6+ with paint wear on the tractor but the trailer is very nice with great decals.
- 1099** Ives transitional electric passenger set to include 10E loco, c6 with fatigue on the headlights and reproduction wheels, 332 mail, 339 Pullman and 341 observation cars, C7.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1100** Great group of 42 vintage lead standard gauge figures, all original, most are in fantastic condition but several have paint wear, C6-8 overall.
- 1101** Beautiful Lionel prewar standard gauge 214 boxcar in original box, C7. Incorrect 214 OB has skinning from label and tape repair on one end.
- 1102** Small group of various toy vehicles, highlighted by an original Arcade Greyhound Century of Progress bus, Chein windup woody four door and Marx Tricky taxi as well as 6 other vintage cars. Sold as-is as seen in the photos with no returns.
- 1103** Lionel prewar O gauge Peter Rabbit Chickmobile in rough original box, C7 all original with key but will not wind up. The original box has quite a few small pieces but not enough to put an entire lid together.
- 1104** Ohio Art tin lithographed The Giant Ride windup ferris wheel, C7 but does not wind up or work.
- 1105** Lionel prewar O gauge 1100 Mickey Mouse hand car in original box with track. The figures look great but the legs have been replaced and there are some small paint flakes from the red body of the hand car, C7. The OB is very nice with no separated corners and no tape repairs.
- 1106** American Flyer prewar O gauge steam passenger set to include 435 steam locomotive and die cast tender, boxcar, gondola, log car and caboose, C6-7.
- 1107** Two Mini-Tonka pressed steel 1096 car carriers with one original box. One is C6, the other is C7 and includes two original Corvettes. The OB is missing all of the end flaps from the opened end.
- 1108** Lionel prewar standard gauge Pennsylvania Limited Stephen Girard passenger set no. 378W, circa 1936-39. The set contains a 392E gunmetal steam loco, 392W tender, 424 Liberty Bell Pullman, 425 Stephen Girard Pullman and a Coral Isle 426 observation car with a PRR drumhead on the end railing. The loco and tender have all nickel trim. The cars have brass and nickel trim and brass plates. Fantastic set with C6+ loco, C6-7 tender and C7 cars.
- 1109** Group of vintage cast iron and die cast toy tractors to include four cast iron and two slush / die cast tractors, C6-7.
- 1110** Lionel prewar standard gauge 212 gondola, 219 derrick crane and 220 floodlight car with one original box for the crane car. Trains are C7, OB is missing one outer flap and is sealed on one end and has a very unique shipping label on the side.
- 1111** Arcade Fordson cast iron tractor with replacement driver. Sold as-is as seen in the photos with no returns.
- 1112** Lionel prewar standard gauge Baby State Set to include 318E loco, two 309 Pullman, 310 mail / baggage and 312 observation cars, C7.
- 1113** Group of vintage Arcade and other toy tractors and farm implements to include Arcade tractor, wagon and a damaged implement as well as a cast aluminum tractor with attached wagon, C6-7.
- 1114** Lionel prewar standard gauge Blue Comet cars with all nickel trim in original boxes to include 420 Faye Pullman, 421 Westphal Pullman and 422 Tempel observation cars. Car sides are C7, roofs are C6 and frames and trucks are C7. All three OBs are worn with missing flaps but are all correctly marked.
- 1115** Reuhl Lorain die cast steam shovel. The tracks have fallen off and are in pieces and likely incomplete. There is a lot of missing paint but all of the functions work properly but the strings are old and getting weak and not all of them are routed 100% properly, C5-6.
- 1116** Ives tin lithographed O gauge electric passenger set to include 3255R electric locomotive, 130 buffet and 129 Saratoga observation cars, C6.
- 1117** Four vintage cast iron motorcycle type toys, one is damaged and missing sides off of the stake bed, the other three wheeled vehicle is dubbed "Crash Car" and is 4 5/8" long. The three undamaged ones are C7.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1118** Lionel prewar standard gauge electric passenger set to include 408E electric locomotive, 419 Parlor car, 419 combine car, 431 Dining car and 490 observation car, C6 to C6+ but could clean up to be nicer. Loco has be rewheeled but everything else is original. Two cars are missing roof screws. Includes a worn 408E P. Green box.
- 1119** Antique Empire Metal ware Corp. live steam engine, C5-6.
- 1120** Lionel prewar O gauge steam freight set to include 259 steam locomotive and 02689W tender, 2652 gondola, 2654 Shell tank car, 3659 dump car and 2657 caboose, C7 to C7+.
- 1121** Group of vintage plastic and die cast toy cars to include Thomas, Renwal, Lapin and others. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1122** Ives 64387 Canadian Pacific tin lithographed boxcar, fantastic condition body but the roof has been restored to look C9. The sides are C8 and the frame is C7 with minor oxidation underneath.
- 1123** Four nice vintage cast iron and slush cars and trucks, all range from C6-7.
- 1124** Three Ives O gauge tin lithographed freight cars to include 125 Pennsylvania merchandise car and two 128 NYC&HR gondolas, C6.
- 1125** Arcade cast iron sedan with original rubber tires that have hardened, C6 due to minor oxidation along the joints and on some raised edges.
- 1126** Group of Ives prewar O gauge trains to include 3250 and 3252 HVC&HR electric locomotives, 85829 Erie, 64386 NYNH&H and 64160 Pennsylvania boxcars, 63 NYC&HR gondola and and unmarked flat car with lumber, C6.
- 1127** Three antique cast iron fire truck toys, the largest is just over 8 inches long but it has no original paint left and surface rust all over, the other two are much nicer as seen in the photos.
- 1128** Bing clockwork cast iron steam locomotive with freight cars. Loco is 8" long and in very nice shape with a working mechanism, also includes a NYC&HR tender, 4226 Dutch Cleanser boxcar, 10205 Central of New Jersey boxcar and a 41 Pennsylvania caboose, C6+.
- 1129** Great group of nine cast iron Mack trucks, the largest is 5 1/8" and the shortest is 3 7/16" while the rest are around 4 5/8" long. All are in the C6 range.
- 1130** Lionel 384E steam locomotive with 384T tender, all original and very clean, C7 loco with C6+ tender.
- 1131** Group of eleven vintage cast iron toys to include a tractor, steam shovel, tow truck, tank truck and seven autos. Sold as-is as seen in the photos with no returns.
- 1132** American Flyer wide gauge 4637 Shasta electric locomotive, for the Pocahontas passenger set. It has been rewheeled but is all original otherwise with fatigue on both headlight castings, C6.
- 1133** Group of four cast iron tow trucks, all unmarked and the largest one being a Mack but missing a right front tire. Sold as-is as seen in the photos with no returns.
- 1134** Unmarked European O gauge steam passenger train to include 0-4-0 steam locomotive with DC 20 Volt on the cab sides, tender, baggage and two coach cars, C6-7.
- 1135** Two larger vintage cast iron toys to include and old time fire pumper and a double decker bus, C6+.
- 1136** Two Ives prewar standard gauge passenger sets to include Mojave set with 3236R electric locomotive, 170 combine and 1714 Parlor cars. the second set is olive green and includes a 3235 NYC&HR electric locomotive, 171 Buffet combine and 173 observation cars. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1137** Five cast iron Model T Ford toys to include four that are 4" long and one that is 5" long but has a damaged right front fender. Sold as-is as seen in the photos with no returns.
- 1138** Lionel prewar standard gauge freight cars to include 218 dump car, two 220 floodlight cars, 214R reefer, 215 tank car and 212 gondola, C6.
- 1139** Group of cast iron toy trains and race cars, sold as-is as seen in the photos.
- 1140** Lionel prewar standard gauge 385E steam locomotive and tender in gunmetal with copper and brass trim, all original but the steam chest had considerable repair underneath that cannot be seen without turning it upside down. Loco looks C7+ but has the aforementioned damage. Tender is C7 but may clean up to be potentially one grade better.
- 1141** Group of cast iron cars and trucks to include two small fire trucks, stake truck and three automobiles. The largest piece is 5 1/4 inches long.
- 1142** Lionel prewar standard gauge freight with variations to include three different 217 cabooses, 214 boxcar in orange with green roof, and two different 213 stock cars, C6-7. Includes an incorrect 214 original box in nice shape.
- 1143** Ives clockwork Roamer scout patrol boat, missing key and unable to wind up. Missing the railing from the right front of the boat mast and flag, C5-6.
- 1144** Lionel prewar standard gauge freight cars to include 211 lumber car, 212 gondola with barrels & tool box and three original tools, 213 stock car, 215 tank car, 216 hopper and 219 derrick crane, C6-7. Includes a nice 211 OB and a rough 219 box with original instruction sheet.
- 1145** Four cast iron delivery trucks to include two 7 inch long stake trucks that are identical except for the color. The other two are Mack trucks likely made by Walker Stewart. Sold as-is as seen in the photos with no returns.
- 1146** Unusual O gauge tin lithographed girder bridge with approaches. The girders are loose from the bridge span section but should be able to be attached quite easily. Includes a nice group of Ives mechanical track. Sold as-is as seen in the photos with no returns.
- 1147** Four vintage cast iron cars and trucks to include an Arcade sedan with the original decal intact. Also includes a repainted stake truck. Sold as-is as seen in the photos with no returns.
- 1148** Restored Lionel prewar O gauge Blue Comet 263E steam locomotive and 263W tender, they look like they are C8. Also includes original 613 Pullman and 615 baggage cars, C7.
- 1149** Four vintage cast iron trucks to include Express truck, Patrol truck with nearly identical delivery truck and a limousine. These are all around 6 inches long. Sold as-is as seen in the photos with no returns.
- 1150** Repainted Lionel Postwar O gauge 260E and 263E locos with tenders. Repainted to look C8. Sold as-is as seen in the photos with no returns.
- 1151** Two vintage cast iron horse drawn carts, one with a 5 on the side of the seat and the other is a Sand & Gravel cart. Both are all original and over 14 inches long. Sold as-is as seen in the photos with no returns.
- 1152** Lionel prewar O gauge 227 semi scale switcher and 2227B Pennsylvania slope back tender, C7+.
- 1153** Five vintage cast iron horse drawn fire wagons, all original and nearly complete except for one ladder support. The longest is 16 1/4" long and the shortest is 8 1/2" long. Sold as-is as seen in the photos with no returns.
- 1154** Fantastic Lionel prewar O gauge 2955 semi scale Shell tank car, n original box, C8-9. ORIGINAL BOX is worn with missing flaps on one end and tape repairs on the other end but does include an original insert.
- 1155** Seven vintage cast iron and bronze toy vehicles to include a bus, tractor trailer, wire reel truck, three stake bed trucks and a bronze coupe. Sold as-is as seen in the photos with no returns.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1156** Lionel prewar O gauge semi scale 2956 Baltimore and Ohio hopper and 2957 New York Central caboose, C6 but may clean to be a bit nicer.
- 1157** Three vintage cast iron Hansom Cab toys to include two small and one very large. The large cab may be vintage but appears to have newer flat paint on it. The smaller ones are definitely all original and are around 8 inches long. Sold as-is as seen in the photos with no returns.
- 1158** Lionel prewar O gauge work cars to include 810 derrick crane and two 820 floodlight cars, C6.
- 1159** Seven vintage cast iron livestock drawn wagons or carts including two marked COAL on the side. The longest piece is 8 5/8" and the shortest is 5 1/8" long. Sold as-is as seen in the photos with no returns.
- 1160** Lionel prewar O gauge steam passenger set to include 257 steam locomotive, 257TX uncataloged black crackle tender, three 629 Pullman and 630 observation cars, C7. Also included is some track and track clips. Set box has a hand written set number 5100/25 and includes component boxes for each item. The set box has a split corner but is nice otherwise, the inner boxes are all worn and have many missing flaps.
- 1161** Two cast iron horse drawn covered carriages. One woman figure is original, the other is a reproduction, both drivers are missing, both are around 11 1/2" long. Sold as-is as seen in the photos with no returns.
- 1162** American Flyer prewar wide gauge 4331 Pullman in red, C7.
- 1163** Vintage cast iron stagecoach and contractors dump wagon, no markings on either one but definitely vintage items. The contractors wagon is just over 13" long. Sold as-is as seen in the photos with no returns.
- 1164** American Flyer prewar wide gauge 4683 electric locomotive with a repainted frame and replacement wheels, C6.
- 1165** Vintage Stanley cast aluminum covered surrey with a missing support for the canopy. Also included is a donkey drawn cast iron and pressed steel wagon. Sold as-is as seen in the photos with no returns.
- 1166** Three different Lionel prewar O gauge 248 box cab electric locomotives to include red, orange and dark green, C6.
- 1167** Two large vintage cast iron horse drawn wagons, one with an original driver, the other with a cast aluminum woman. These are both around 14 1/4" long. Sold as-is as seen in the photos with no returns.
- 1168** Two restored Lionel prewar O gauge 262 steam locomotives with 257T tenders. All pieces are restored to look C8.
- 1169** Vintage Arcade contractors dump wagon plus a sand & gravel wagon. Contractors wagon is 13" long, sand & gravel wagon is just under 15" long. Sold as-is as seen in the photos with no returns.
- 1170** American Flyer prewar O steam freight set to include sheet metal 2-4-4 steam locomotive and tender, 478 boxcar, 486 hopper, 476 gondola and 484 caboose, C6+.
- 1171** Group of vintage and modern cast iron or cast aluminum toys. The large wagon is cast aluminum and the red bus is modern cast iron. Everything else is vintage lead or cast iron. Sold as-is as seen in the photos with no returns.
- 1172** Lionel prewar O gauge steam passenger set with three original boxes to include 259E steam locomotive and tender, two 1685 Pullman and 1687 observation cars. Trains look C6 but have some missing trim pieces. The three passenger cars have OBs that are in nice shape and complete.
- 1173** AMT authentic model turnpike slot car set in original box. An enormous box with six curved and six straight tracks, transformer, steering control and a Ford Thunderbird. All looks nice but the car needs a good cleaning, C6-7. The box is very large and measures 34 x 25 x 5 inches.
- 1174** Lionel prewar standard gauge 400E steam locomotive with tender, nice shape with a slightly stretched loco frame but still looks great, C7+.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1175** Great group of smaller tin friction trucks and semis to include a set of three advertising pieces made by Haji, two SSS trucks and three japan tin and plastic friction trucks. The longest semi is just under 6 inches long, C7-8.
- 1176** Prewar Lionel SG 384 steam locomotive and tender with modern LTI frames. Loco and tender look C7 but have reproduction frames. Loco has all original wheels and even includes a nice original box with insert.
- 1177** Nice group of vintage lead figures and livestock. many of the items are marked Britains but many more are unmarked. These range in scale from S to O gauge. Sold as-is as seen in the photos with no returns.
- 1178** Lionel prewar O gauge electric passenger set to include 156 New York Central electric locomotive, 610 Pullman and 612 observation cars, C6-.
- 1179** Nice group of boxed Plasticville buildings in original boxes to include homes and businesses as well as railroad accessories. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1180** Lionel prewar O gauge 7007 steam freight set boxed. Set includes 1684 steam locomotive, 1689T tender, 1679 boxcar, 1680 tank car, 1682 caboose and transformer, C8. caboose has paint rub on cupola roof but everything else is otherwise gorgeous. Set box has a loose top flap and the inner boxes are all worn with missing flaps.
- 1181** Fourteen 1994 First gear die cast vehicles in mint condition in original boxes. Includes 19-1391, 19-1493, 10-1584, 18-1960 and two each of the following: 10-1409, 19-1645, 18-1689, 19-1658 and 19-1831. All are C9-10 in mostly unopened boxes with shipping cartons.
- 1182** Lionel prewar O gauge steam freight set to include 224E 2-6-2 steam locomotive, 2224W tender, 2654 tank car, 2655 boxcar, 2656 stock car and 2657 caboose, C7.
- 1183** Twelve 1994 First gear die cast vehicles in mint condition in original boxes. Includes 19-1391, 19-1493, 18-1960, 19-1377 and two each of the following: 19-1495, 18-1483, 19-1552 and 10-1807. All are C9-10 in mostly unopened boxes with shipping cartons.
- 1184** Lionel prewar O gauge 294 electric passenger set boxed to include 252 electric locomotive, two 529 Pullman and 530 observation cars, all in light olive, C7-8. Set box and inner boxes are in nice shape as seen in the photos.
- 1185** Twelve 1994 First Gear die cast vehicles in mint condition in original boxes. Includes 19-1402, 19-1496, 18-1385, 19-1378, 19-1463, 19-1402, 19-1355, 10-1584 and two each of the following: 18-1442 and 29-1413. All are C9-10 in mostly unopened boxes with shipping cartons.
- 1186** Lionel prewar O gauge steam passenger set to include 262E steam locomotive, 262T tender, 602 baggage, 600 Pullman and 601 observation cars, C6.
- 1187** Thirteen First Gear and Ertl die cast vehicles in mint condition in original boxes. Includes First Gear 18-1409, 19-1388, 19-1546, 19-1494, 19-0104, 19-0108, four 10-1409 and 10-1328; Ertl items include two 1932 Ford panel banks and a 19141 Diamond Reo truck. All are C9-10 in mostly unopened boxes with shipping cartons.
- 1188** Mint boxed Barclay one horse open sleigh, C9+ with a nice crisp original box.
- 1189** Lionel prewar O gauge steam switcher set to include 203 semi scale switcher, 2203B slope back tender, 3652 operating gondola, 2653 hopper, 2655 boxcar, 2656 stock car and 2657 caboose, C7.
- 1190** Fantastic group of German and Japanese Elastolin figures, a mixture of O and standard gauge figures, most are in great shape but some do have missing paint. A few are of harder materials but all definitely appear to be vintage. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.

- 1294** Ives, Dorfan, Hornby and Bing original set boxes. The Ives and Dorfan boxes are for standard gauge trains, the Bing and Hornby boxes are for O gauge trains. Sold as-is as seen in the photos with no returns.
- 1295** Lionel and Ives prewar standard gauge freight rolling stock. Lionel items include 13 stock car, 12 gondola, 114 boxcar, 117 caboose and 116 ballast car. Ives to include two 196 flat cars and a Ives/Flyer transition 20-193 stock car. Sold as-is as seen in the photos with no returns.
- 1296** Lionel prewar standard gauge 15 Pennsylvania oil car, C6+.
- 1297** Entire table full of American Flyer postwar locomotives and rolling stock. Sold as-is as seen in the photos with no returns. Due to the size we will not be able to ship this lot, pick up arrangements may be made after the auction. Sold as is.
- 1298** Entire table full of Lionel prewar and postwar locomotives, rolling stock, switches, catalogs and other paper items and accessories for parts restoration or just minor fixer uppers. Sold as-is as seen in the photos with no returns. Due to the size (possibly 350 lbs) we will not be able to ship this lot, pick up arrangements may be made after the auction.
- 1299** American Flyer S gauge 25018 973 milk car set in original box. Car looks C8+ but has a replacement door on the right side and is missing the brake wheel. the platform is C6 with paint chips but the set is complete with eight original milk cans as well as five reproduction milk cans, original track trip and milk car control button. OB is complete with some minor tears inside.
- 1300** Huge group of Lionel, American Flyer catalogs, instructions, price sheets and even a few early modeling magazines. Includes mainly O and S gauge catalogs but there are a nice amount of HO catalogs as well. There are approximately 20 minty 1955 Lionel catalogs and several advance catalogs but most of the advance catalogs are rough. Ages range from the 1950's to the early 70's. Possibly 75+ lbs of paper.
- 1301** Small group of Lionel paper including a 1952 dealer display catalog, 1954 Lionel dealer brochure "Know the answers and sell more Lionel" with a spine tear near the bottom which goes around the staple, rough 1952 advance catalog, a 1956+ TCA directory which happened to be directory #2 and several other mint catalogs. The catalogs include a 1950 golden anniversary with art prints of 19th century locomotives.
- 1302** Entire table full of HO scale trains, parts and accessories to include quite a few loose locomotives (mostly steam), rolling stock, tons of small parts including hundreds of truck sets. A great group that covers a 2 1/2' x 8' table with manufacturers to include Gilbert, Lionel, Rivarossi, Athearn, Marklin and others to name a few. Due to the size we will not be able to ship this lot, pick up arrangements may be made after the auction. Sold as is.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1303** Entire table full of boxed HO scale trains, sets, parts and accessories. Includes five boxed sets, quite a few boxed locomotives, a few cars and a lot of figures and accessories. Manufacturers include Rivarossi, Athearn, Life Like, Bachmann, Busch, Model Power and others. Due to the size we will not be able to ship this lot, pick up arrangements may be made after the auction. Sold as is.
- 1304** Group of 16 Lionel prewar O gauge 600 and 800 series freight cars . Sold as-is as seen in the photos with no returns.
- 1305** Lionel prewar O gauge steam locomotives and tenders to include 224E, 1664E in gunmetal, restored 262 with tender and a 2224W tender. Sold as-is as seen in the photos with no returns.
- 1306** Lionel, Ives and American Flyer prewar O gauge electric locomotives. Includes Ives 3217 cast iron loco with missing pilot, American Flyer 3103 with a missing grab iron and three Lionel 248 box cab electric locomotives, one restored and the other two in need of restoration. Sold as-is as seen in the photos with no returns.
- 1307** Lionel prewar O gauge steam freight set with 262E steam locomotive, 262T tender, two 1680 tank cars, 1677 gondola and 1682 caboose. Sold as-is as seen in the photos with no returns.
- 1308** Lionel prewar O gauge 226W and 2666W tenders, both with postwar knuckle couplers but prewar tinplate truck frames and wheels. Sold as-is as seen in the photos with no returns.
- 1309** Group of Lionel prewar O gauge rolling stock. Includes two 2652 gondolas, two 2682 cabooses, 611 observation car, 652 gondola, 2755 tank car, two 3659 dump cars and 2655 boxcar. Sold as-is as seen in the photos with no returns.
- 1310** American Flyer prewar O gauge Central Station, tin lithographed and painted, C6.
- 1311** Ives prewar standard gauge 3241 electric locomotive, missing all of the railings and a bell. Sold as-is as seen in the photos with no returns.
- 1312** Four Lionel prewar O gauge 800 series freight cars to include 812 gondola, 813 stock car. 814 boxcar and 817 caboose, C6.
- 1313** Nice group of vintage HO slot car with some boxes. Includes a few modern cars, several vintage cars and eight original boxes but only two with paper labels inside. Several cars have been modified, repainted or had the wheel wells grinded out to accommodate larger tires. The two boxed examples are the Batmobile and a Willy's Gasser. This is a General Condition lot meaning we have not graded or examined every item in the lot so the condition will typically vary from C6-7 with the possibility of an item or two in the lot having a lower or higher grade, General Condition lots cannot be returned.
- 1314** Two boxes full of American Flyer prewar empty boxes. Most are worn but the larger boxes are in nicer shape, those appear to be for standard gauge items. Sold as-is as seen in the photos with no returns.
- 1315** Lionel prewar O gauge freight set with 225E steam locomotive, 2224T tender, 820 floodlight car, 2810 derrick crane, 2812 gondola, 2815 tank car and 2817 caboose, C6-7.
- 1316** Lionel Postwar O gauge 123 and other replacement lamps to include Q-90, 27-3, 28-3, 28-6, 152-33, 153-23, 154-18, 156-12, 165-53, 408-45, 616-13, 752-9, 2026-58 and 2420-20. There are multiples of most but singles of one or two. Also included are seven American Flyer 440 14 volt lamps in boxes. the 123 lamp replacement set is about 1/2 complete. Sold as-is as seen in the photos with no returns.
- 1317** Lionel prewar O gauge switcher work train to include 203 switcher, 2203B tender, 2620 searchlight car, 3651 log car, 2660 crane car and 2672 Pennsylvania caboose. Sold as-is as seen in the photos with no returns.
- 1318** Lionel prewar O gauge steam freight set to include 1688 steam locomotive and 2689TX tender in gunmetal, 653 hopper, 654 tank car, 659 dump car and 657 caboose. Loco is C6, everything else is C7. Includes worn boxes for 2689TX and 657.

# TOY TRAIN AUCTION LOT DESCRIPTIONS

## JULY, 2015

- 1319** Group of scale and brass O gauge trains for parts or restoration. Includes Kemtron brass O Wabash Mogul for parts and cast aluminum street car for parts or restoration. No trucks or truck frames included, only the boiler and cab, no frame. No tender shell, just the frame. Also includes a nice group of unused bagged Kemtron brass detail pieces. also included are five other brass and die cast O scale items that are incomplete and in need of some TLC. Sold as-is as seen in the photos with no returns.
- 1320** Lionel prewar standard gauge 385E steam locomotive in OB with 385W and die cast coal tenders. The loco and 385W tender have been painted black and would be great for restoration purposes. The die cast tender has fatigue and warping. The original box for the 385E is complete and nice with some water stains. Sold as-is as seen in the photos with no returns.
- 1321** Lionel prewar O gauge 259 steam locomotive and tender, all original and nice, C7.
- 1322** Four Lionel prewar O gauge electric locomotives to include 254 with missing lights on both ends, 153 and two 248 box cab electric locomotives. Sold as-is as seen in the photos with no returns.
- 1323** Lionel prewar O gauge freight set to include 259E steam locomotive and sheet metal tender, two 803 hoppers, 902 gondola, 806 stock car and 807 caboose. Loco is missing the headlight. Sold as-is as seen in the photos with no returns.
- 1324** Very unusual Lionel prewar O gauge 612 observation car with "The Lionel Lines" decaled instead of being heat stamped. Also simply marked Made in U.S. of America underneath, C6.
- 1325** Very unusual Lionel prewar O gauge 610 Pullman car with "The Lionel Lines" decaled instead of being heat stamped. Also has an orange Lionel paper label on top another white paper label underneath, C6.
- 1326** Large group of Lionel prewar standard gauge freight for parts or restoration to include 213 boxcar, four 517 cabooses, five 512 gondolas, four 511 flat cars, two 520 floodlight cars, 515 tank car and a 218 dump car. Sold as-is as seen in the photos with no returns.
- 1327** Lionel prewar standard gauge 418 419 490 passenger cars in mid restoration with parts. Painted in Mojave and already and decorated with gold painted lettering. Just needing a little TLC to finish off the job. Not certain if every part necessary is included but looks very much like it with interior walls, window strips, steps, couplers and trucks. Sold as-is as seen in the photos with no returns.
- 1328** Group of odd Lionel prewar standard gauge passenger cars to include 400 series Pullman and combo cars, 309 Pullman and 312 observation cars as well as 309 and 337 Pullman cars. Sold as-is as seen in the photos with no returns.
- 1329** Group of Lionel Postwar O gauge accessories to include 252 crossing gate, six 154 crossing signals, four 153 block signals, four 151 semaphores, 184 prewar bungalow and 155 crossing signal. Sold as-is as seen in the photos with no returns.
- 1330** Group of boxed Lionel Postwar O gauge accessories to include 154 crossing, two 153 block signals, two 151 semaphores, two each 152 & 252 crossing gates, two 214 plate girder bridges and three 310 billboard sets. Sold as-is as seen in the photos with no returns.
- 1331** Four American Flyer prewar O gauge electric locomotives to include 1201, two 1218 and 3113. All are missing one or a few trim pieces. Sold as-is as seen in the photos with no returns.
- 1332** Group of Lionel prewar O gauge steam locomotives and tenders. Locomotives include 1666E, 225E, two 1684, 259 and 259E. tenders include two 1689T, three 2689W and one other sheet metal whistle tender. Sold as-is as seen in the photos with no returns.
- 1333** Lionel prewar O gauge steam freight set to include 260E steam locomotive with oil tender, two 812 gondolas, 816 hopper, three 820 floodlight cars, 810 derrick crane and 2817 caboose. Loco is missing the trailing trucks, otherwise C6.
- 1334** Group of Lionel prewar O gauge freight cars for parts to include two 812 gondolas, 3811 log car, two 817 and four 2817 cabooses. Sold as-is as seen in the photos with no returns.
- 1335** Scarce Lionel Postwar O gauge brown auto with gray bumpers, C7+.

# TOY TRAIN AUCTION LOT DESCRIPTIONS
