- 2098** Lionel postwar 6816 red flatcar with Allis Chalmers bulldozer in OB. This bulldozer is the harder to find light orange version with black printing on back. The flatcar is C7-8 and the bulldozer is C8. The OB is complete with all flaps and display panel that has tape repair. The push in tab is missing.
- 2099** Lionel postwar 6407 red flatcar with rocket, circa 1963. There is a pencil sharpener in the Mercury capsule on the rocket, C7.
- 2100** Lionel postwar 726 black Berkshire steam loco, the harder to find 1946 version with smoke bulb in loco and a 2426W tender with instruction sheet both in OBs that have original cardboard inserts, C8. Both OBs are complete with all flaps.
- 2101** Lionel postwar 195 floodlight tower in OB with original cardboard insert, C7-8. The OB has cellophane front intact and all flaps are intact with one detached. Also included is a 195-75 eight bulb floodlight head in an individual OB, C7-8. The box is complete with all flaps with one tuck flap detached.
- 2102** Lionel postwar 6464-350 The Katy type IIb boxcar in OB, C8. The OBs has most all flaps attached.
- 2103** Lionel postwar type IIb boxcars in OBs including; 6464-425 New Haven, 6464-475 Boston and Maine and a 6464-525 Minneapolis & St. Louis. The trucks on the 6464-525 have some surface corrosion, otherwise the cars are C7-8. OBs have most flaps attached.
- 2104** Lionel postwar type IIb boxcars; 6464-400 Baltimore & Ohio Time-Saver and a 6464-650 Denver & Rio Grande both in OBs. The roof on the 6464-400 is C6 and the body is C7. The 6464-650 is C7. Both OBs have all flaps attached.
- 2105** Lionel postwar boxcars including; 6464-275 State of Maine B.A.R type III and a 6464-450 Great Northern type IIb both in OBs, C8. The OBs have all flaps attached.
- 2106** Lionel postwar 6464-325 Baltimore & Ohio Sentinel type IIb boxcar, circa 1956 in OB, C7. The OB has all flaps but shows wear.

Toy Train Auction Lot Descriptions

March 28, 2015

- 2107** Lionel postwar freight set no. 505 or 1531W, circa 1955 in individual OBs and set box. The set contains 2328 Burlington GP7, 6462-125 red gondola with two wooden barrels, 6465 silver Sunoco two-dome tank 6456 black Lehigh Valley hopper and a 6257 red SP-type caboose, set is C7. The individual OBs are missing some flaps. Set box is complete with all flaps and is marked with the three digit set no. 505.
- 2108** Lionel postwar 460-150 separate sale box of two white Cooper-Jarrett, Inc. trailers, C8. The OB is clean and square with all flaps attached.
- 2109** Lionel postwar 671 black steam turbine engine with a 671W tender, C7-8.
- 2110** Lionel postwar 2020 black steam turbine loco with a 6020W tender, C7.
- 2111** Lionel postwar 6464-75 Rock Island type IV boxcar with no built date, circa 1969 in a Hagerstown, Maryland OB and a 6464-500 Timken type IIb boxcar in OB, C8. The 6464-75 OB is missing one tuck flap, but has all other flaps attached. The 6464-500 OB has all flaps attached.
- 2112** Lionel postwar 6464-700 Santa Fe type IV boxcar and a 6464-900 New York Central type IV boxcar both in OBs, C8. The 6464-700 box has all flaps attached. The 6464-900 OB is worn.
- 2113** Lionel postwar 2321 Lackawanna FM Train Master diesel with gray top and instruction sheet in OB that has an original cardboard insert. Both ends of the diesel have screw hole cracks. The diesel is C7.
- 2114** Lionel postwar 3494-150 Missouri Pacific operating boxcar and a 3494-275 State of Maine B.A.R. operating boxcar both in OBs, C7-8. OBs have all flaps attached.
- 2115** Lionel postwar Pennsylvania Congressional aluminum 2542 Betsy Ross vista dome in OB. There is surface corrosion on the trucks. There is also fading on the striping. The 2542 is C6. The OB has all flaps attached on one end and the other end is missing both interior flaps and the tuck flap.
- 2116** Lionel postwar 2056 black steam loco with a 2046W tender, circa 1952 both in OBs, C7. Engine box has all flaps attached. The tender box is missing flaps.
- 2117** Lionel postwar original boxes only for 2378P/2378C Milwaukee Road F3 AB diesel units. The 2378P box has all flaps attached. The 2378C has one interior flap detached but included.
- 2118** Lionel postwar 635 Union Pacific NW2 switcher, uncataloged from 1965, C6.
- 2119** Lionel postwar 2533 aluminum Silver Cloud Pullman in OB with original cardboard insert, C7. The OB is missing some flaps and is worn.
- 2120** Lionel postwar silver passenger set no. 1552, circa 1956 in individual OBs, except for the engine and set box. The set contains; 629 Burlington GE 44-ton switcher, 2434 Newark Pullman, 2432 Clifton and a 2436 Summit observation. The set has red lettering. The engine is C6 and the cars are C7. The car OBs are clean and have all flaps attached. The set box has all flaps attached and has writing on top flaps.
- 2121** Lionel postwar 3530-50 separate sale box with transformer pole and searchlight. Also included is a 163 single target block signal with 153C contactor, three wires, instruction sheet and packet. The accessories are C8. The 3530-50 box has all flaps attached with some tape repair. The 163 OB has all flaps attached.
- 2122** Lionel postwar aluminum Santa Fe passenger cars with red striping in reproduction boxes including; 2563 Indian Falls Pullman, 2562 Regal Pass vista dome and a 2561 Vista Valley observation, C7.
- 2123** Lionel postwar original shell body only for a green 2401 Hillside observation with yellow striping. Shell has never been attached to a frame.

- 2124** Lionel postwar 1665 black steam switcher loco with a 2403B slope-back tender, circa 1946,C7.
- 2125** Lionel postwar original set box only for Montgomery Ward promotional freight set no. X-536NA. This set contained a 2018 steam loco, 243W tender, 6650 missile launching flatcar, 6470 exploding target car, 6825 flatcar with trestle bridge, 6062 gondola with cable reels and a 6017 caboose. The set box is complete with all flaps and has some tape residue.
- 2126** Lionel postwar 2671W Pennsylvania tender in OB. The tender base has paint touch up and the rollers have been replaced. The tender shell is C8. The tender box is worn. Also included is a 2420 dark gray searchlight wrecking car in OB with original cardboard insert, C7. The 2420 box is worn.
- 2127** Lionel postwar 2322 Virginian FM Train Master diesel, version with blue body and painted yellow stripes in OB with original cardboard inserts. The shell has a crack by the steps on one corner. The engine has light run time and is clean. The OB has all flaps attached.
- 2128** Lionel postwar 6572 Railway Express Agency refrigerator car, harder to find version with passenger trucks in OB. The car has been test run, C8. The OB is complete with all flaps.
- 2129** Lionel six no. 308 railroad sign sets in individual OBs and unusual master carton. All of the sign sets are complete and have original blue cardboard inserts. Three of the sign sets are factory new in very clean original boxes, C9. The other three sign sets are C7 and are in worn OBs. Master carton is sealed on one end and has all flaps attached. The label is mostly intact on the open end.
- 2130** Lionel postwar 55 tie-jector with packet containing instruction sheet, tube of lubricant, two actuators and twenty track ties in OB with original cardboard insert. The tie-jector has never been run. The black plastic front piece is cracked. Other than the black plastic front, the rest of the tie-jector is C9. The OB is complete with all flaps.
- 2131** Lionel postwar 460 piggy back transportation set with two green Lionel Lines trailers with Fruehauf stickers in OB. This is the version with metal stick-on signs on the lift truck. The set is missing the flatcar. One of the trailers has green paint on the roof and specks of red paint on the edge. The set is C8.
- 2132** Lionel postwar freight set no. 815, circa 1957 in individual OBs and set box. The 815 is the same as the 2275W freight set. The set contains a 2339 Wabash GP7 diesel with instruction sheet, 6464-475 Boston and Maine type IIb boxcar, 3444 animated Erie gondola, 6425 silver Gulf three-dome tank and a 6427-1 Lionel Lines porthole caboose. The loco is C7. The cars are C7-8. The loco OB is missing an end flap and the car OBs have most flaps attached. The set box is complete with all flaps.
- 2133** Lionel postwar 3356 operating horse car and corral in OB with original cardboard insert. The set consists of a 3356 Santa Fe REA horse car, corral, individual box with 3356-100 figures for horse car, sealed packet with all contents and a service station pamphlet. The car has never been run, set is C9-10. The box is clean and square with all flaps attached.
- 2134** Lionel postwar original master carton only for 2383 Santa Fe F3 AA units. Also included is an original box only for a 2383T Santa Fe F3 dummy A unit. The boxes are complete with all flaps but have writing on them.
- 2135** Lionel postwar original master carton only for six B260 black bumpers in blister packs. The master carton is stamped 6-B260 H 66. The carton has writing on one side, is sealed on one end and has all flaps attached on the other end.
- 2136** Lionel postwar original boxes only for the following accessories including: three 163 unusual white original boxes for single target block signals, no. 76 with original cardboard insert and warranty card for three boulevard lamps and two UCS remote control track sets. The boxes have all flaps attached.
- 2137** Lionel postwar original boxes only for a 2350 New Haven EP-5 loco, 2373P Canadian Pacific F3 A diesel unit, two 231P Rock Island Alco A diesel units, 2343C Santa Fe F3 B unit and 2343T Santa Fe A dummy unit. The 2343C and 2343T boxes are missing all end flaps and show wear. The rest of the boxes have all flaps attached and have some writing.

- 2138** Lionel postwar 2378 Milwaukee Road F3 AB diesel units, the version with yellow roof line stripes on both units, circa 1956. One coupler is missing on the B unit and unit is C7. The A unit is C6.
- 2139** Lionel postwar 6430 flatcar with two gray Copper Jarrett, Inc. trailers in OB. Car has never been run, C9-10. The OB is clean and complete with all flaps.
- 2140** Lionel postwar 773LTS master carton containing a 773 black Hudson steam loco in OB with original cardboard insert and a 736W Pennsylvania tender in OB. This is the later version, circa 1964-66. The loco and tender have never been run, C9. The individual loco and tender boxes have all flaps attached. The master carton is complete with all flaps.
- 2141** Lionel postwar 464 lumber mill with packet that has all contents in OB with original cardboard inserts, C8. The OB is complete with all flaps.
- 2142** Lionel postwar 2343C Santa Fe F3 B unit with louvered roof vents in a worn OB, C6-7.
- 2143** Lionel postwar 6464-400 Baltimore & Ohio Time Saver type IV boxcar, circa 1969 in OB. The car has never been run, C9. The OB is the Hillside, New Jersey version that is a brick with strong color graphics and has all flaps attached.
- 2144** Lionel postwar 2531 aluminum Silver Dawn observation, the version with the glued on name plates in OB. The car has never been run, C8-9. The OB is missing an end flap.
- 2145** Lionel postwar uncataloged freight set no. X-827, circa 1959 in individual OBs and set box. The set contains 210P/210T Texas Special Alco AA diesel units with instruction sheet, 6014 red Frisco boxcar, 6112 black gondola with three red plastic canisters, 6424-60 black flatcar with two autos, 6465-60 gray Gulf two-dome tank, 6801-50 red flatcar with boat that has yellow hull and white deck and a 6017 brown caboose. Also included is a warranty card, two tubes of lubricant and instruction sheet for transformer. Except for some minor box rubs, set is C8. The individual OBs have most flaps attached. Set box is complete with all flaps.
- 2146** Lionel postwar 6414 Evans auto loader with four red cars that have gray bumpers, C8.
- 2147** Lionel postwar 6651 olive drab U.S.M.C. cannon car with two silver wood shells, C8.
- 2148** Lionel postwar Baltimore & Ohio freight set no. 1613S, circa 1959 in individual OBs and set box. The set contains 247 black steam loco with blue striping, 247T Baltimore and Ohio tender with blue striping, 6826 red flatcar with Christmas tree load, 6819 red flatcar with helicopter, 6821 red flatcar with crates, 6017 caboose, 1015 45-watt transformer, 1008 camtrol, bottle of smoke pellets, CTC lockon, tube of lubricant, instruction sheet for the loco and instruction sheet for outfit. Set is C8. The caboose box is damaged. The rest of the individual OBs have most flaps attached. The set box has all flaps attached.
- 2149** Lionel postwar freight cars in OBs including; 3370 green Western & Atlantic sheriff and outlaw car, 6736 Detroit & Mackinac hopper and a 6017 caboose. The 6736 has never been run and is C9-10. The 3370 is C8. The axles on the caboose are covered with rust but the caboose body is C8. The 3370 OB is missing all flaps on one end. The other two boxes have all flaps, display panels and push in tabs intact.

- 2150** Lionel postwar freight set no. 2219W, circa 1954 in individual OBs and set box. The set consists of a 2321 Lackawanna FM Train Master diesel with maroon top, original cardboard insert and paper wrap, 6462-25 green New York Central gondola with six wooden barrels and inspection tag, 6464-50 Minneapolis & St. Louis type I boxcar, 6415 silver Sunoco three-dome tank with inspection tag, 6456 gray Lehigh Valley hopper with inspection tag, 6417 Pennsylvania porthole caboose, UCS remote control track set with instruction sheet, CTC lockon, sheet of uncut billboards, instruction booklet and a tube of lubricant. The set has never been run, C9-10. The individual OBs are clean and square with all flaps attached. The set box is complete with all flaps and has nice color graphics. Set box has some wear on corners.
- 2151** Lionel postwar 6460 black Bucyrus Erie operating crane with original cardboard insert and a 6414 Evans auto loader with four cars both in OBs, C8. The OBs are clean and square with all flaps attached.
- 2152** Lionel postwar passenger cars with silhouetted windows, circa 1950 including; 2625 Irvington Pullman, 2627 Madison Pullman and a 2628 Manhattan Pullman, C7.
- 2153** Lionel postwar 2628 Manhattan Pullman with silhouetted windows, circa 1950, C7.
- 2154** Lionel postwar two no. 50 gang cars with instruction sheets in OBs. One of the gang cars is the version with an offset horn and one is the version with a center horn. Cars are C7-8. The boxes are complete with all flaps.
- 2155** Lionel postwar 3650 extension searchlight car with scarce olive gray frame, C8.
- 2156** Lionel postwar type ZW 275-watt transformer with a copy of the instruction sheet. The transformer is in a brown unmarked box with three original cardboard inserts. The transformer base has some spots of rust, C6-7.
- 2157** Lionel postwar 2343C Santa Fe F3 B dummy unit with screen roof vents in OB with original cardboard insert. The unit is missing one porthole. All four of the fan domes have box rubs. Unit is C7. The OB is missing all end flaps.
- 2158** Lionel postwar 2356C Southern F3 B dummy unit, C6.
- 2159** Lionel postwar 321 trestle bridge with instruction sheet and packet and 332 arch-under trestle bridge with packet and instruction sheet both in OBs. Bridges have never been used, C9-10. The boxes are complete and clean.
- 2160** Lionel postwar passenger set no. 1400 in individual OBs, circa 1946 including; 221 gray steam loco, scarce version with aluminum wheels, 221W New York Central tender with original cardboard insert and three blue passenger cars with silver roofs and lettering; two 2430 Pullmans and a 2431 observation. The decals on the tender are fully intact. The set is C7-8. The OBs are missing most flaps and are worn.
- 2161** Lionel postwar 3854 PRR automatic merchandise car, circa 1946-47, missing one sliding shoe, C7.
- 2162** Lionel postwar 2332 dark green Pennsylvania GG1 electric loco with five gold stripes in OB with original cardboard insert. This is the version with the red brush plate. The stripes and lettering are faded. Engine is C6-7. The OB is complete with all flaps.
- 2163** Lionel postwar passenger cars without silhouetted windows, circa 1947 in OBs that have original cardboard inserts including; 2625 Irvington Pullman, 2625 Madison Pullman and a 2625 Manhattan Pullman, C7. The boxes are missing all end flaps and are worn.
- 2164** Lionel postwar 2328 Burlington GP7 diesel in OB, C7. The OB is sealed on one end and has all flaps attached on the other end.
- 2165** Lionel postwar 445 operating switch tower with packet complete with all contents in OB with two original cardboard inserts and a 337 trestle bridge in OB. The switch tower has specks of green paint and is C6. The trestle bridge has holes in the base and is C5. Both OBs are complete with all flaps.
- 2166** Lionel postwar 2365 Chesapeake & Ohio GP7 diesel. The frame has spots of corrosion. The diesel is C6.

- 2167** Lionel postwar 6417-50 gray Lehigh Valley porthole caboose, C6-7.
- 2168** Lionel postwar freight set no. 1467W, circa 1951 in individual OBs and set box containing; 2023 silver and gray Union Pacific Alco AA diesel units with instruction sheet in master carton that has original cardboard inserts, 6456 maroon Lehigh Valley hopper, 6656 yellow stock car, 6465 silver Sunoco two-dome tank, 6357 SP type caboose, 6019 remote control track set with instruction sheet, 1033 90-watt transformer, instruction booklet and a CTC lockon. Both nose decals on the diesels are intact. Set is C7-8. The individual OBs have most flaps attached. The set box is brittle and has one detached top flap.
- 2169** Lionel postwar 6464-725 orange New Haven type IV boxcar in OB correctly marked 6464-735. The car has been test run, C9. OB has all flaps attached.
- 2170** Lionel postwar no. 54 track ballast tamper car with instruction sheet and two activator track clips in OB, C7. The OB is complete with all flaps.
- 2171** Lionel postwar 50 gang car with center horn and a 3927 track cleaning car with two track cleaning fluid containers and instruction sheet both in OBs. The gang car is C7. The track cleaning car is a C8, except for the containers. The ink on the containers is smudged. The gang car box has tape repair. The 3927 box has all flaps attached.
